Chapter 1017 Turn

Juliana Lewis looked up at the closed door and said, "There is no life in danger now."

Sebastian Yates was relieved and quickly asked, "Father, where are you now? I'll be right there."

Sebastian Yates hasn't found anyone yet. Where Hou Chaosi may be, he is circling around, waiting for the news from Hua Biao.

Juliana Lewis gave Sebastian Yates an address.

After hearing this, Sebastian Yates breathed a sigh of relief: "I am nearby, and I will arrive in about ten minutes."

Sebastian Yates got the news that Hou Chaosi might end up near this place.

Now that we have the exact address, it is even faster.

Soon, Sebastian Yates arrived, a little faster than he said ten minutes, sweating and panting.

Seeing him like that, Juliana Lewis asked him, "You don't climb stairs, do you?"
