Chapter 1021 Surrounding

Wendy Johnson shouted to Juliana Lewis, "Hurry up."

Mad Wendy Johnson gripped the little boy tightly, holding his elbow directly, holding the little boy's chin and lifting him up.

The little boy struggled and his face began to turn purple.

Juliana Lewis: "OK, I'll go. You put the child down first. He can't breathe well. If he dies, you will have no hostages."

Wendy Johnson just let go of his strength.

The little boy, who was suffocating, burst into tears with a wow.

The child's mother knelt on the ground and begged.

"Wendy Johnson, you have been surrounded, or let the hostages go, turn yourself in, and maybe you can reduce your sentence."

Wendy Johnson couldn't listen to this. He only looked at Juliana Lewis coming and said to Li Songbai, "Take Juliana Lewis away."

At this time, she was not stupid enough to kill Juliana Lewis directly.
