Jiang Lisha said: "And don't move. We are on a civil aviation plane. There are many passengers here. If we move, we will shoot casually."

It is a burden to bring a crying child.

Wendy Johnson threw the little boy to the ground, then pulled him across Juliana Lewis, raising his hand to hit her hard in the face.

However, Juliana Lewis's speed is faster, and she slapped the past directly. She said coldly, "I am a hostage, but you can't fight, otherwise you will shoot if you have the ability."

Wendy Johnson loaded his gun angrily and said to Landing wine's forehead, "Don't think I dare not."

Li Songbai was in a hurry and shouted at Wendy Johnson: "If you want to leave, you will leave if you talk nonsense."

Then he shoved the landing wine: "Hurry up, too."

Wendy Johnson closed his gun angrily, and then followed him humbled.

Unexpectedly, Juliana Lewis became a hostage, even so arrogant, Wendy Johnson humbled to vomit blood.

Juliana Lewis certainly dares to be arrogant. When Jiang Lisha named her, she knew that for Li Shilong, she must still have the value of living.
