Chapter 1033 Almost-

However, Juliana Lewis's wronged and helpless crying makes Benson Leach more manic invisibly. Except for the palm treasure hanging on him, he wants all the monsters who bully the palm treasure and cry to die!

Juliana Lewis sensed a change in Benson Leach's mood, and perhaps it worked, as long as he survived the last few minutes.

So, she cried harder, and cried hard and presumptuously.

Benson Leach was very flustered and at a loss, but he had to suppress the manic and violent bloodthirsty wildness, and the whole person seemed to be torn in half.

Eventually, Benson Leach could not bear the pain, and with a roar like a beast, he fell forward.

Juliana Lewis's cry tore his heart out: "Benson Leach!"

Before falling down, Benson Leach just tried his best for the rest of his life to protect the back of Juliana Lewis's head with his palm and change their posture in one direction.

Bang!
