

Got Busted 1039

Chapter 1039 Specific-

Juliana Lewis can't say something.

She is extremely fast in painting, design, computer, racing, medicine and martial arts.

That is to say, as long as she wants to learn, there is nothing she can't learn, and it is the kind that she learns very well.

This kind of talent has exceeded the talent of ordinary people, and it can be described as decathlon.

Juliana Lewis understood Yang's meaning: "So, my father, he developed this drug to forcibly improve IQ and injected it into me?"

She felt a little fanciful.

However, considering that her soul can be reborn in others, this kind of medicine is not impossible.

Yang Laotou nodded heavily and continued: "It's just this drug, which has great sequelae and can't bear it. It's either crazy or dead."

"Is the sequela like Ah
