

## Got Busted 1042

Chapter 1042 Hook-

Sebastian Yates looked at Juliana Lewis who touched him and said, "Master, if you come here like this and are discovered by your ancestors, will you be beaten?"

Juliana Lewis looked at Benson Leach, who was pale in bed, and felt only restless and soothed.

She climbed into bed, hugged Benson Leach and nestled in his arms: "Master can beat if he wants, and I will stay with Ah Cheng."

Sebastian Yates looked at the two together and felt that he had prepared dog food.

Sebastian Yates asked curiously, "Master father, what big secret did you tell your master alone?"

Juliana Lewis grabbed Benson Leach's wrist, gave him a pulse, and made sure he was all right. Then he breathed a sigh of relief, and his smiling eyebrows narrowed.

She teased Sebastian Yates: "I'm planning how to beat you up."

Sebastian Yates tugged at the corners of his mouth and stopped curious about this. Instead, he asked Juliana Lewis, "Master father, aren't you afraid that you will know that you have become so weak for him when you are with Benson Leach like this?"

Juliana Lewis smelled the faint fragrance of medicine on Benson Leach and was very satisfied: "I don't want so much. Besides, if I pay, I will let him know. Why don't I say it foolishly?"
