

## Got Busted 1046

Chapter 1046 just-

Don't say sleep, two people's hands will be tied together, and even Juliana Lewis can't leave his sight when he takes a bath and goes to the toilet.

In this way, under the surveillance of Benson Leach, it was finally time to inject antibody antidote again one month later.

In those days, Benson Leach looked closely at Juliana Lewis, and no suspicious characters were allowed to approach.

Juliana Lewis looked at Benson Leach: "Ah Cheng, you finally let me know what is paranoid, abnormal and sick."

This month, she completely lived in his sight.

Benson Leach said stuffy: "After two injections of antibodies, I will not be like this."

Yang Laotou personally injected Benson Leach with an antibody antidote: "Just one more shot next month. I really don't have to smoke the blood of a small wine. I really lied to you last time."

Yang Laotou also took Benson Leach's care of Juliana Lewis and saw it in his eyes.

He felt scalp pins and needles just listening.
