

Got Busted 1064

Chapter 1064 Guest-

Su Han led Lu Jiu to meet his friend: "Sister, this is Du Mingda, my college classmate, who is still a good person. He used to be a school grass."

Du Mingda looked at Juliana Lewis just around the corner, and couldn't help breathing, for fear that he would speak, for fear that such a little fairy would be scared away.

Therefore, he also shouted carefully: "Sister..."

When he opened his mouth, Su Hanyin waved and interrupted: "Go and go, who is my sister with you? This is my sister alone. You can't rob me."

Juliana Lewis looked at Su Hanyin like that and couldn't help chuckling.

Du Mingda was laughed by this again, and she quickly changed her mouth: "Sister Lu."

Others also came to greet Juliana Lewis: "Sister Lu."

In fact, Juliana Lewis is not a few years older than them, but she is psychologically older. Looking at these people is just like looking at children.

Juliana Lewis watched, and there were two or three female classmates, all of whom were not bad-looking.

She asked Su Hanyin in a low voice: "What is the relationship between those female classmates and you? Do you have your girlfriend?"
