

Got Busted 1089

Chapter 1089 That's great--

Li Bei contracted the landing wine: "In your words, when you give birth to a son in the future, I will be jealous with my son, let alone others."

Juliana Lewis chuckled: "I still have a son. I want to be beautiful to you."

Li Beicheng wanted to speak, looked down at Juliana Lewis, but put the words back.

Nowadays, Juliana Lewis is not fit to get pregnant, which is all for him.

Old Mr. Leach and Li relaxed behind him and said: "Don't worry about him, he is like this. He is always afraid of people robbing his wife and children, and there is no big man at all."

Li relaxed and smiled: "This is very good."

As soon as he said it, old Mr. Leach talked again: "Ah Jin, you know well, just find one to get married quickly..."

Li relaxed listening to his grandfather and all kinds of nagging, he felt that his head was big, but he still listened quietly. Whether he listened or not is another matter.

Towards noon, Juliana Lewis and his family were ready to eat.
