### Chapter 1090 Jokes--

Benson Leach raised his eyebrows: "More than my granddaughter, I am like a tool man who he picked up and married a grandson's wife."

Li relaxed his lips and smiled.

When Su Ran was brought in by the servant, he just saw Li Relaxation's hook lips and smiled, only feeling very good-looking, which made people never move their eyes again.

It should be Su Ran's eyes too obvious, so Li Songjin closed his smile, and his eyes glanced at Su Ran with some light and cold eyes, and bowed his head.

Su Ran immediately took back his eyes and greeted him with a smile: "Grandpa Li, Mr. Li, sister."

When she saw them eating, she was embarrassed: "I seem to have come at a bad time."

Juliana Lewis smiled. "Why are you here?"

Su Ran picked up the bag in his hand: "The dress of the stars and the sea has been washed, and I will send it to you."

This is a tens of millions of skirts, Su Ran can't wear it once and throw it away.

Juliana Lewis glanced at the bag and nodded. "Put it there."

Old Mr. Leach asked Su Ran, "Miss Su hasn't eaten yet. Come and have dinner together."
