Chapter 1093 Approaching-

Su Ran said: "I don't know. When he came home yesterday, his face was a little bruised. When we asked him, he didn't say it. Then I said I would tell you, but he wouldn't let me say it."

Juliana Lewis frowned. "Is he seriously hurt?"

Su Ran thought for a moment and said, "It should be a bit serious, and his face is swollen in half, and..."

She hesitated to say it again. As a result, she saw Juliana Lewis lift her feet and left. She quickly said: "And Xiaoyin took a lot of money before, and I don't know why I went. We are a little worried."

Juliana Lewis looked at Su Ran sideways: "How much money did Xiao Yin take?"

Su Ran: "One million."

Juliana Lewis whispered: "One million is not much compared with Sanchez Group's property, it is already very small, and this is a small amount of money, let alone one million, that is, ten million can be taken."

Su Ran was surprised by Juliana Lewis's attitude when she heard this. Then she said, "But Xiaojie is also an heir. Xiaoyin takes so much money, should she tell your sister?"
