### Chapter 1100 Living in Vain-

Timothy Greene looked at Mrs. Gu lightly and said, "I only like Manman. Don't mention Mrs. Li if you have nothing to do."

When Mrs. Gu saw that he defended Juliana Lewis so much, she became more and more angry:  
"Timothy Greene, you are my son. Don't I know you yet? Since you can like Juliana Lewis, why can't you like others?"

Timothy Greene was impatient with her always mentioning Juliana Lewis. Looking down at her, her voice was heavy and cold. "I said, as long as you find someone who is willing to marry me, I will marry in place immediately and fulfill your old man's wish."

"And don't mention Mrs. Leigh again. She is married, and it doesn't affect her well."

Mrs. Gu: "You know it's bad for her. Don't stay away from her and have dinner with her in the evening. Timothy Greene, how can you humiliate yourself?"

Timothy Greene looked at the hysterical Mrs. Gu coldly and finally turned to leave.

Mrs. Gu shouted, "Timothy Greene, where are you going? Don't you want your home?"

Timothy Greene said coldly, "I am an adult, and I have my own home."

Here, it's too depressing.
