Chapter 1106 Feeling-

Timothy Greene looked at the landing wine. "Why, why can't you give me a little comfort at this time?"

He was so heartbroken that he felt like he was going to die.

Juliana Lewis's voice is crisp: "If you don't like it, you won't like it. I won't give you any comfort. It's a little hope. I gave you comfort. My family Acheng will have less security and he and I will have less trust."

Juliana Lewis said to Timothy Greene, "Timothy Greene, I don't like you. It really has nothing to do with whether you are excellent or not."

"I like Benson Leach only because he is a person. You know, Benson Leach's character has never been in my mate selection conditions before."

"I always think that you are a person who fits the marriage partner very well, but it only fits. I won't like it. It has nothing to do with whether you are good or bad."

"We can have any relationship, but it is absolutely impossible to be a couple, a lover, a husband and wife, and have an ambiguous relationship."

Timothy Greene listened to landing wine said so many words, in fact, there is only one key point, she doesn't like him, just don't like it.

She won't like him whether he will become what she likes or not.
