

Got Busted 1117

Chapter 1117 Shame-

Timothy Greene listened to this, and her heart was bitter. "Yes, she likes you."

Benson Leach said: "In this life, wine can only be mine. Mr. Gu should let go and like another person."

Timothy Greene is very firm: "No, I will only like her in my life."

If he likes women other than Manman, he betrays her and the promises they made when they were young.

Timothy Greene knew that he couldn't accept such a result.

Benson Leach slightly raised his eyebrows: "A lifetime is very long. Mr. Gu should not talk too much, or he will lose the opportunity of happiness."

Say that finish, Benson Leach turned to leave, he can't wait to go back to find wine.

Timothy Greene is unwilling: "I hope Mr. Li has always been very kind to her. Otherwise, I will never give up if I get the opportunity."

Benson Leach went far, but his voice was overbearing: "Timothy Greene, you will never have such a chance."
