Chapter 1181 Stimulus-

Juliana Lewis and Benson Leach took a shower and lay in bed. She sat in his arms and played with her mobile phone.

Benson Leach plays with her hair and then looks at her mobile phone.

Benson Leach said to Juliana Lewis, "Just now, when Li relaxed to leave, he said a word to me."

Juliana Lewis was chatting with Hou Chaosi. When he heard this, he didn't lift his head and asked him, "What did you say?"

Benson Leach: "He told me to be careful of Li Shilong."

Juliana Lewis was editing the information. When he heard this, he looked up at him: "Be careful of Li Shilong?"

Benson Leach nodded.

Juliana Lewis frowned at him: "Is Li Shilong awake?"

Benson Leach shook his head: "No, so I also think the second brother's sentence is a bit strange."

Benson Leach asked her, "So he is in good health and can be taken home?"

The nurse nodded: "Yes, he is just a vegetable, and there is no risk. If he takes it home, it is convenient to meet and take care of it. It is easier to wake up by talking to him every day."

The nurse had seen the news and knew that Li Shilong was shot and became a vegetable in order to save Benson Leach.

She thought, they must really want the patient to wake up, so they said more.

Juliana Lewis stayed with Benson Leach for a while and then left.

In the car, Benson Leach asked Juliana Lewis, "How's it going?"

Juliana Lewis said: "As before, he is in good health, but he is in a coma and becomes a vegetable, and he can't wake up."

Benson Leach asked her, "Is it really a vegetable?"

Juliana Lewis chuckled. "Well, as beautiful as I am, but less stylish. No one is prettier."

Logan stared at Landing's face, looking at this beautiful face she liked and envied.

Logan said: "If I can grow a beautiful face like Boss Wolfgang, I won't have plastic surgery. It's perfect."

Juliana Lewis chuckled: "So I ask you, why does such a beautiful woman want plastic surgery?"

The reason that it is not beautiful enough is definitely not enough.

Logan replied: "Either she is demanding and feels that she is not beautiful enough; Otherwise, it is disfigured, and there is no way but cosmetic surgery."

Juliana Lewis mused: "That's right."

Logan exclaimed. "Boss Wolfgang wants to know why, so ask that man."

Juliana Lewis raised his eyebrows: "Ask a person why plastic surgery, this seems to be very impolite?"

Bai Chunhua asked Hou Chaosi again: "Miss Hou likes my family very much, doesn't she?"

Hou Chaosi blushed when asked. She held a cup in her hand and said, "Mr. Gu is excellent and many girls like it."

She is no exception. She likes Mr. Gu very much.

When her son was praised, Bai Chunhua was in a good mood. She nodded: "Ting Shen is very good, and there are many girls who like him. Moreover, Aaron family is a famous family in S City. Naturally, for his daughter-in-law, it is also a thousand choices."

Hou Chaosi listened quietly, not knowing why Bai Chunhua suddenly said these things.

Bai Chunhua continued: "I can see that Miss Hou is very good-looking and excellent."

Hou Chaosi was embarrassed by the praise and blushed again: "Mrs. Gu is talking and laughing. In fact, I am so-so. My current achievements are all helped by my wine sister."

She's just being modest.

Bai Chunhua said, "Miss Hou, I'm just being polite."

This time, Bai Chunhua said very straightforwardly, and really didn't take care of Hou Chaosi's self-esteem and emotions at all.

When Hou Chaosi heard this sentence, the whole person froze, his head went blank, and even his anger began to rush up.

She was originally angry, but because the other party was Timothy Greene's mother, she had restrained herself.

Bai Chunhua saw Hou Chaosi still standing there and didn't answer. She thought she didn't understand, so she continued: "Miss Hou, I don't look down on you as a player, but a player..."

Hou Chaosi endured his anger and interrupted Bai Chunhua in a heavy voice: "Mrs. Gu, an actor is a profession, not a player. Please pay attention to what you say."

Her temper.

She can beat people directly.

Hold back, this is Timothy Greene's mother.

Chunhua looked at Hou Chaosi and didn't dwell on this title: "In short, Ting Shen doesn't like you, and our family won't accept a woman like you by hook or by crook, so please stay away

Thinking about it, Hou Chaosi cried for his injustice.

"What the hell."

It pissed her off.

Hou Chaosi felt that he was going to explode with anger.

Bai Chunhua thought he had solved Hou Chaosi and went home in a good mood.

As soon as I entered the door, I saw Timothy Greene sitting on the sofa, holding a mobile phone and not knowing what he was looking at.

Bai Chunhua said in a good mood: "The weather will be fine tomorrow, and your company will be fine. Take Qingqing out for a walk, play, go shopping and watch movies. Men should take the initiative."

Timothy Greene didn't look up, just said, "Did you go to Hou Chaosi?"

Bai Chunhua was stunned and immediately sank his face: "I didn't expect Hou Chaosi to complain. It was impolite to shout in front of me. I said in front of me that I didn't pester you. As a result, I left and complained to you."

Bai Chunhua only saw Gu Ting crimson eyes, step by step towards her, exuding rage, looking very terrible.

Bai Chunhua was afraid and began to retreat: "Ting Shen, what are you going to do? I am your mother."

Timothy Greene is not going to beat her like this, is he?

Thinking of this possibility, Bai Chunhua felt terrible, super terrible.

Gu also felt that Timothy Greene's rage was too terrible, and he obviously wanted to beat people. He quickly shouted: "Stop the young master quickly."

The servant just like waking up from a dream, hurried forward to stop Timothy Greene.

"Gentleman..."

However, before the words were finished, Timothy Greene pushed away the people who were stopped in front of him.

However, the servant also felt very strange. The gentleman has always been a warm and jade-like man, and he is more easy to get along with than the old man and his wife.

They have always been kind, and even if they do something wrong, they will not be beaten or scolded.

But today's gentleman, unexpectedly hit people, is really strange.

Bai Chunhua let the servants go down.

Father Gu looked at Bai Chunhua: "Did you see it? What kind of people have been forced by you? A good child is now in Victor."

Bai Chunhua quit when she heard this. She said angrily, "Dad, why did I force this? Didn't I do all this for Ting Shen and Aaron family?"

"If I were so selfish, I would have remarried that year, and I didn't have to work hard for decades and be blamed."

When it comes to this, Gu has nothing to say. After all, in the early years, Bai Chunhua paid a lot for this family.

Bai Chunhua's voice, fiercely raised: "How can you misunderstand, she just looks good, and besides, she can follow Lu..."

Bai Chunhua wants to say that Hou Chaosi, who can be with Juliana Lewis, can be a good person.

Anyway, she hated Juliana Lewis too. Two people who hated her were not good people when they played together.

But Bai Chunhua knows that Juliana Lewis is Li Baiqing's sister-in-law, so she is embarrassed to say this about her sister-in-law.

Bai Chunhua can only change his mouth and say: "Anyway, it doesn't matter to me whether she is good or not. I don't want her to be my daughter-in-law."

She seriously said to Li Baiqing: "Qingqing, I don't like Hou Chaosi, I will recognize you as a daughter-in-law, and ah, Ting Shen doesn't like her either. It is what she has done that will make Ting Shen like this."

"In fact, Yan Shen has always been very obedient before, and his speech is gentle and gentle. He never talks loudly to people. This time he is definitely embarrassed."

"This should be regarded as enlightening?"

Bai Chunhua quickly asked: "What happened to your friend?"

Li Baiqing said: "Later, I listened to her parents and married a man. Now I am very happy."

Bai Chunhua felt that this was very good.

Li Baiqing smiled: "Auntie, I am just a suggestion, just listen to it."

Bai Chunhua said, and didn't care much.

The two men said that they would have nothing to do with it, and they went shopping for beauty treatment tomorrow, so they hung up the phone.

Here, after Li Baiqing hung up the phone, he stood in front of the French window and looked at the night scene outside, which evoked his lips shallowly.

After finishing his work, Juliana Lewis drove home by himself.

When I arrived at my doorstep, I always felt that there was a figure, but it seemed that it was gone.
