"Huh!"

Juliana's cold sneer made Jayden look up at her.

She even looked so good when she scoffed like that.

Juliana looked at him mockingly, "Selene sent you here, didn't she?"

Jayden didn't deny it: "I did it because you've loved me for three years and I don't want you to marry a m adman. Besides, Selene is worried about you and she persuaded me to accept you as long as you come with me."

Juliana did not want to listen to his bullshit. She raised her eyes and looked at him firmly and indifferentl y: "Jayden, the Juliana who loved you has died yesterday."

Jayden was stunned by the coldness and determination in her eyes.

Juliana used to look at him with affection and careful ingratiation, not with such cold indifference now.

It seemed like she really didn't love him anymore.

Juliana raised her eyes: "Now Juliana is Mrs. Leach, the person she loves in this life will only be Benso

n."

Jayden was upset and let out a light snort: "Jill, this is not the first time you play cat and mouse with me. You've said this before when you found someone else."

But every time she left her toy boy without Jayden saying a word, as long as he looked at her, or even jus t turned his back on her.

She had loved him more than her life for a long time.

How could she stop loving him overnight? Juliana must be playing hard to get.

Juliana didn't bother to talk any more nonsense to this wiseacre.

Jayden saw her turn around to leave and shouted in a hurry: "Juliana, are you really not coming with me? Are you going to marry Benson, that crazy short-lived man?"

Juliana stood still without looking back: "I am now Mrs. Leach. Stop saying bad things about my husban d, or I will get angry."

Old Mr. Leach acted fast. He had already used his special rights yesterday to get Juliana and Benson's marriage certificate off without their presence.

Jayden got angry with her: " For the three years of your feelings for me, I am taking you away even if I ha ve to offend the Leach family. I have done enough. Since you insist on marrying that crazy short-lived guy, do n't come begging me again!"

After saying that, he turned around to leave as well.

Juliana turned around and said, "Wait."

Jayden smiled as he turned to look at her, "Jill, it's not too late to come with me."

Juliana walked up to him and looked up at him.

Jayden's heart skipped a beat as he looked into her starry eyes.

Pow!

In a daze, Jayden was slapped by Juliana so hard that his face was turned to one side.

Juliana said in a cold voice: "This is for Juliana who has been hurt by you."

Jayden looked up in shock.

Pow!

No sooner had he raised his head than the other side of his face was slapped hard by Juliana.

Jayden was once again hit dizzy and his whole face was numb.

Juliana swung her hand that hurt and said in a colder voice: "This is for my husband."

Benson was shocked that she... was defending him again.

She was the first woman who ever defended him!

Jayden looked up angrily, "Juliana..."

Juliana had already turned around and coldly said to the security guards, "Let the dog out."

Jayden was furious because he kindly came to take her away but got two hard slaps.

Jayden was furious because he kindly came to take her away but got two hard slaps.

He shouted at Juliana's back: "Juliana, you don't know what's good for you! I've said I'll give you a chanc e and you still want to marry that madman..."

"Woof! Woof!"
