Chapter 1201 Fell ill-

Timothy Greene said, "No."

He looked at her. "If you..."

Before he finished, Hou Chaosi quickly said: "No trouble, no trouble, you are a patient now, but I have not taken care of anyone, I am afraid I have not taken good care of it."

Timothy Greene: "No, I'll just sleep."

Hou Chaosi gave a cry.

Timothy Greene lay down, covered with a thin blanket.

Probably because he had just taken the medicine, Timothy Greene was very sleepy and soon fell asleep.

Hou Chaosi didn't dare to sleep any more, so he moved a small stool, sat next to the sofa, and accompanied by his mobile phone.

Seeing Timothy Greene asleep, the long eyelashes are very beautiful, the nose is very stiff, and the thin lips are very beautiful. She kissed them and tasted good.

Hou Chaosi only thinks that Ji Xiangtong is really a Minions, and his words are very coquettish.

"Hou Chaosi: I am really sick. Your thoughts are pure."

"Ji Xiangtong: I'm not at the scene. How do I know? Otherwise, you can give me a live broadcast?"

Hou Chaosi knew that she would make color, so she didn't talk at all, and sent her all kinds of expressions of owe beating directly.

Ji Xiangtong watched quietly, and when she stopped sending it, she asked her, "What's going on with you? Tell me about it."

Hou Chaosi: "That's it. I like him. He doesn't like me. Then today is a coincidence. We are not as complicated as you think."

Ji Xiangtong: "Is it not as yellow as I thought, or is it not as pure as I thought?"

Hou Chaosi didn't see it clearly and subconsciously replied: "It's not as pure as you think."

Ji Xiangtong sent a very trivial expression, as I expected.

Chapter 1203 Resisting-

Hou Chaosi was successfully taken off, stopped chasing Ji Xiangtong, said goodbye to her, and went to Timothy Greene to touch his forehead.

As soon as the hand touched Timothy Greene's forehead, Hou Chaosi was scared: "Why is it hotter? Are antipyretics useless?"

Hou Chaosi didn't feel at ease. He took his body temperature and measured it for Timothy Greene again. Soon, the result came out.

Hou Chaosi saw that the thermometer was almost off the charts, and his face turned white: "This high fever is 40, and people will die."

Hou Chaosi was flustered and hurried to pull Timothy Greene: "Mr. Gu, I will take you to the hospital. This will not work."

Now, Hou Chaosi is really panicked, and he didn't expect Timothy Greene to burn to this point.

This temperature, where can you stand it?

Hou Chaosi shouted a few times, but there was no movement in Timothy Greene.

No way, Hou Chaosi can only get started and help Timothy Greene. If he can't do it with one hand, he will have two hands.

Chapter 1204 Disdain-

Timothy Greene thought of seeing Hou Chaosi's blue all over just now, and vaguely impressed that he seemed to have done something too much last night.

He probably understood that Hou Chaosi's legs were so soft that he couldn't walk at all.

Hou Chaosi hid himself in a quilt and blushed and said, "Mr. Gu, I'm fine, I'll be fine slowly."

Really, Timothy Greene was too hard on her last night.

She was charming and weak, and really couldn't stand his destruction. Finally, she cried and begged him not to, but he came anyway.

Think of these, Hou Chaosi blushed.

Timothy Greene was silent for a moment, then turned around and walked to Hou Chaosi.

He looked down at Hou Chaosi.

Hou Chaosi looked up at Timothy Greene, who was only surrounded by bath towels, and suddenly blushed: "Gu..."

Once again, before he finished speaking, Timothy Greene had bent down, lifted the quilt, and then picked Hou Chaosi up horizontally.

Suddenly suspended, Hou Chaosi exclaimed, and his conscious arms around Timothy Greene's neck.

No way, Hou Chaosi can only look up, but when he looks up, he sees Timothy Greene's chest...

There are several red marks of scratches and impressions from her bite.

Hou Chaosi blushed and quickly put aside his head.

Timothy Greene's voice was slightly heavy: "Miss Hou, don't move, I am a normal man."

Hou Chaosi, oh, did not dare to move again, and did not dare to look up. He simply lowered his head and closed his eyes.

So you won't do anything to stare at the crotch cat.

However, after closing her eyes, her senses became better. She could smell Timothy Greene and couldn't help thinking of last night's picture.

Hou Chaosi:!!!

It's hopeless.

Timothy Greene blew Hou Chaosi's hair, went to the cabinet and brought her simple home clothes, then opened the small drawer and looked at the small clothes...

Timothy Greene's warm face also flushed.

Hou Chaosi sighed a long sigh and sent a message to Juliana Lewis.

"Hou Chaosi: Sister Wine, I have something to do today and will go to the company tomorrow."

Juliana Lewis is looking for Hou Chaosi today. There is something wrong with her. She has written a new script and wants to discuss it with Hou Chaosi.

Juliana Lewis felt a little strange when she said so.

"Juliana Lewis: What's the matter? Are you feeling sick?"

Hou Chaosi didn't dare to tell Juliana Lewis that Timothy Greene was with her.

She knew that Juliana Lewis didn't like her company with Timothy Greene very much, and she didn't say she protested, but thought she would be hurt.

She knows it. Juliana Lewis is doing it for her own good.

"Hou Chaosi: No, I am a little tired. I will pass tomorrow. I am not at home today."

Hou Chaosi sent this message, and her face turned red. This is the first time she lied to her wine sister.

Chapter 1207 Relaxation-

Hou Chaosi was seen more blushing, mainly because she didn't wear anything inside, which made her more ashamed.

Timothy Greene took the chopsticks. Seeing that Hou Chaosi had not moved the chopsticks, he asked her, "Why, does Miss Hou still want me to feed you?"

Hou Chaosi shook his head like a rattle, and then took chopsticks and bowed his head to eat noodles.

However, I ate too fast, and my mouth was hot again.

Hou Chaosi stretched out his tongue and blew: "It's so hot, it's so hot."

Timothy Greene sighed helplessly: "Eat slowly. It's just cooked. It must be hot. Let me see if it's scalded."

Timothy Greene leaned in and stared at the tip of Hou Chaosi's tongue.

Hou Chaosi looked at Timothy Greene who suddenly approached, suddenly froze, forgot his action, and looked at him like that.

Timothy Greene looked carefully, but looked at it like this, also a little inexplicable impulse.

It's different from the impulse last night.

Last night's impulse was out of man's instinct, but today, it seems to be more psychological.

Chapter 1208 Note-

Timothy Greene changed the sheets and quilt covers and took them out to the washing machine.

Hou Chaosi was watching TV, so he glanced here, and then suddenly blushed.

The sheets are dirty.

Hou Chaosi didn't dare to look at it.

At this time, the doorbell rang.

Hou Chaosi suddenly became tense, for fear that Juliana Lewis was coming.

This ...

Why do you feel like you're going to be caught?

Timothy Greene put the sheet quilt cover in the washing machine. When he heard the doorbell, he said to Hou Chaosi, "You sit while I open the door. It should be my assistant."

Hou Chaosi gave a cry, and then looked at the door with big eyes.

Seeing Timothy Greene open the door like that again, he suddenly became more nervous and even more embarrassed.

"Gu ye."

Outside the door stood Timothy Greene's assistant.

Chapter 1209 Abomination-

Hou Chaosi blushed again. She was really ashamed to see people. What was she thinking?

Timothy Greene actually didn't do anything, just picked Hou Chaosi up, put him on the chair, and then picked up the sofa cushion.

Well, he just wants Hou Chaosi in his sight.

Hou Chaosi blushed like fire when he saw Timothy Greene pick up the sofa cushion and see the traces on it.

Ah ah ah, really ashamed to see people.

Timothy Greene took the sofa cushion, and had no idea. He looked up and saw Hou Chaosi's eyes wandering, his little face flushed, and virtually all showed a share of flattery.

He chuckled and said, "No wonder the ancients said women are made of water."

Hou Chaosi: "Is that man made of steel?"

This is Hou Chaosi's subconscious rhetorical question.

Timothy Greene smiled at Hou Chaosi: "Don't you feel it?"

Hou Chaosi sat on the sofa and looked up at Timothy Greene working at the dining table from time to time.

I have to say that serious men are really handsome.

Timothy Greene will also look at Hou Chaosi from time to time, and then often catch her peek at the small eyes, and then look at her flustered and put aside her eyes, and her face is red.

Just so quiet, Timothy Greene is very relaxed, without the feeling of caution.

This is a time when he is relaxed for so many years.

Soon, it was dark outside.

In the evening, Hou Chaosi ordered takeout, and they ate dinner quietly. No one mentioned anything else.

However, at ten o'clock, Hou Chaosi was a little confused and flustered when he saw that Timothy Greene had not left yet. Of course, he also had expectations.

That night, Timothy Greene didn't say to leave, and Hou Chaosi didn't rush people.
