Chapter 1241 Hehe-

Therefore, the netizens who were just eating melons and watching the fun couldn't help but start to tear them off.

They felt that when they used to deal with Jermaine Lewis in Juliana Lewis, they were used by her, and now they are going to fight back.

"Juliana Lewis is the illegitimate daughter of the Simmons family. She is not qualified to inherit the property of the Lujia family, is she?"

"That's right upstairs. Juliana Lewis is not qualified to inherit Lujia property."

"Weak and weak, with Juliana Lewis's current assets, should it not be rare for Lujia's property?"

"Do you think you have too much money? Can't you? Otherwise, why are so many rich people, tax evasion, and no sense of dedication to the country?"

"That's right, then Juliana Lewis is occupying the property of Lujia. It's really scary."

"Then Juliana Lewis should not use various methods to slowly occupy the property of other people's families. It used to be Lujia, now it is the Simmons family, and will it be Lijia in the future?"

If it weren't for Mrs. Lu holding the rope, at this time, Ping an could rush up and bite Mrs. Wang twice.

Mrs. Wang was still frightened by her peace and retreated. "Grandma, take care of your mad dog. If you bite, you will lose money."

Ping an has always been very good, never barking at will, and when going out, he also obediently follows Mrs. Lu, not running around, not barking.

When the dog's teeth were embedded in her thigh, Mrs. Wang couldn't bear to scream, then rolled her eyes and fainted.

She still smells of urine.

It turned out that I was scared to pee my pants.

When others saw this scene, they looked at each other and looked at Mrs. Lu again. They only felt that she was not so easygoing and amiable.

In this way, it is still very fierce.

Mrs. Lu shouted: "Peace, come back, dirty."

Ping an was very good, and immediately returned to Mrs. Lu, and wiped the dog's mouth with her claws, and then retched a few times.

Juliana Lewis is watching the hot search here, and she also knows the recent events and will not disappear a few days ago.

There is a pusher behind, who has been planning all this.

Look, Juliana Lewis sees a photo of a user, a dog.

Juliana Lewis looked at it and wondered deeply: "Why is this silly dog so like Grandma's peace? The user name is also safe, isn't it grandma?"

Juliana Lewis felt that this was unlikely.

Grandma is old. She taught her to play smart phones for a long time.

If it weren't for Grandma's fear of her annoyance, it would have taken longer.

Therefore, Juliana Lewis thinks it is unlikely that Grandma will register her account.

Looking at this silly dog, Juliana Lewis felt very kind, so he clicked on the user's homepage, and there was only one dynamic.

"Some water troops are really enough, and they have been holding on to these all the time. It is really obvious."

"What kind of person is Jermaine Lewis? You can see it when you go to the forum in F City. There are also judgments and official notifications in Jermaine Lewis. These are true."

"You are really shady. This kind of face is really disgusting."

"That is, if you want to black Juliana Lewis as an illegitimate daughter, you will specifically say this matter. Jermaine Lewis is a scum and there is nothing to wash white."

She squatted safely at Mrs. Lu's feet, rubbed her with her dog's head, and then looked up at her mobile phone.

Mrs. Lu asked it, "Ping an, is this for me to call Xiaojiu?"

Ping an: "Wang."

Mrs. Lu just took her mobile phone, called Juliana Lewis, and quickly picked it up.

"Grandma."

Mrs. Lu listened to the soft waxy voice of landing wine, and her heart melted quickly. She smiled and said, "Hey, little wine."

Juliana Lewis smiled. "Hmm."

Mrs. Lu felt distressed when she heard her voice: "Little wine, how are you recently? Are you unhappy?"

Juliana Lewis said, "Grandma, I'm fine. I'm fine."

Old Lady Lu scolded: "If something so big happened, you wouldn't tell me. If I hadn't seen it, I wouldn't have known it."

Benson Leach: "Yes, I am responsible for beauty, and you are responsible for earning money to support the family, that's right."

Juliana Lewis: ...

Her Mr. Li is really getting skinny.

Benson Leach just told Juliana Lewis to make a fuss, which is almost enough.

He asked her: "At this time, call me, what happened?"

Juliana Lewis doesn't stick to people. He doesn't bother him very much during his working hours.

Of course, he will take time off to find her.

Juliana Lewis said: "It's okay. It's a hot search today. Then my grandmother saw it, tore it up in person, and went on a hot search."

"However, what have you been doing recently? You always don't come to me and don't ask you out."

Su Ran: "I didn't do anything, just at home. My dad has been in tight control of me recently and won't do anything."

Su Ran, of course, wants to go out. He is locked up at home all day, and he is really not free.

Even if she went out, her father asked the driver to follow her and never leave.

If she weren't a woman, her father could have the driver go to the bathroom with her.

The woman called Qiao Xiu, she looked at Su Ran: "What's the difference between you and jail? We are all in our twenties. Why is your father still in charge of you?"

Su Ran is helpless: "He is not afraid of what I will do to Juliana Lewis. I really don't understand what a Juliana Lewis has to be afraid of, an illegitimate daughter..."

Having said that, Su Ran closed his mouth and didn't say much.

Qiao Xiu: "I know the reason. It is because of Juliana Lewis that I ignore you."

Su Ran frowned at her: "Where did you get the news?"

Su Ran's family was driven out of the Simmons family, which was too shameful, and others didn't know the inside story at that time.

So, Su Ran they will not be everywhere propaganda, not to mention, since that day, Li relaxed on her affairs.

Su Ran didn't want to be laughed at by those people, so for several days, he still sent friends and photos that had been relaxed. Those who didn't show their faces were hands or skirts.

This implies that she is still in contact with Li Songjin and connected to the Internet.

Yesterday, she made a circle of friends.

For this specious circle of friends, no matter what others think, she just maintains her own face.

So, Qiao Xiu knows this matter, Su Ran is very strange.

When Su Ran saw Juliana Lewis, he looked embarrassed and asked her, "When did you come? Why didn't the servant tell me?"

She didn't hear everything, did she?

This makes Su Ran's face more and more not good-looking, because it is guilty and afraid.

I was afraid that what I said just now had inadvertently offended Juliana Lewis and caused trouble for myself.

When Qiao Xiu saw Juliana Lewis, her face was quite strange, but she was more confident and not guilty at all: "Mrs. Li, eavesdropping on others seems to be very incompetent, right?"

Juliana Lewis walked over, stood in front of Qiao Xiu, and looked down at her.

Qiao Xiu was given a little scalp pins and needles by Juliana Lewis. She looked up at the landing wine: "Mrs. Li, am I wrong?"

Juliana Lewis chuckled. "Your name is Qiao Xiu?"

Qiao Xiu frowned: "I don't seem to know Mrs. Li well, do I?"
