Chapter 1251 Chat-

Qiao Xiu was stunned directly. I didn't expect Juliana Lewis to operate like this.

Su Ran also looked at the landing wine: "If you beat people and cause minor injuries, you must detain a fine."

This is nothing, but Juliana Lewis is the richest wife, and this face is still needed.

Going to the police station is not a glorious thing for everyone.

Juliana Lewis pressed 110 and said, "I also want to know whether the crime of spreading rumors and slandering others is detention or jail."

Su Ran didn't understand: "What do you mean?"

Qiao Xiu panicked and roared loudly: "Don't talk indiscriminately, I didn't slander you."

Su Ran heard this and turned to look at Qiao Xiu: "Xiu Xiu, did you do something?"

Qiao Xiu shook his head again and again: "I didn't do anything. I just talked to you in my mouth. What can I do? Juliana Lewis is Benson Leach's wife. What do I dare to do?"

Qiao Xiu said with a straight face: "I don't know what you are talking about. I said that this account is not mine."

She will never admit this.

Juliana Lewis smiled: "You don't think it's an overseas IP, I can't find it?"

She smiled at Qiao Xiu: "Or do you think my husband Benson Leach is decorating you? Can't find anything?"

Qiao Xiu listened to her so bright show of love and husband, and was extremely jealous.

She looked at the landing wine and said, "That's your Benson Leach. If it weren't for Benson Leach, you would be nothing."

"Who can you rely on without Benson Leach?"

Juliana Lewis raised his eyebrows. "Don't you want such a man to lean on?"

Qiao Xiu and Su Ran turned pale.

Qiao Xiu is still sophistry: "I just watch others send it, so you can't just find me."

Juliana Lewis looked at her: "Qiao Xiu, I came here specially to block you today. You know what happened."

Qiao Xiu closed his mouth and didn't want to say it.

Su Ran looked at Juliana Lewis and then at Qiao Xiu. She only felt that her head was big. She pulled Su Ran's clothes: "Ran Ran, what did you do?"

"In front of Juliana Lewis, let's talk for ourselves, otherwise the end will be even worse."

Su Ran lowered his voice: "Think about me. If it weren't for my mouth, I wouldn't be able to go out now. I didn't offend her."

Although Su Ran's voice has been pressed very low, Juliana Lewis still heard it.

Juliana Lewis didn't say anything either. Someone beat about the bush, and she saved a lot of things.

Qiao Xiu is still unwilling to say, still saying: "I really just followed the trend and said a few words."

She looked at Su Ran sideways: "I am also aggrieved for you. Who let us be good sisters?"

Qiao Xiu was very angry: "How can you do this? I really read you wrong."

Su Ran was fierce one Leng one Leng, completely didn't expect Qiao Xiu to accuse her.

Su Ran was also angry and yelled at her: "I am spitting with you, I didn't ask you to do such a thing."

"It's not like you don't know. I was locked up by my dad at home recently. I was afraid that I would provoke Juliana Lewis. Now you come to me?"

Su Ran is really angry.

"Like I'm an illegitimate daughter?"

Su Ran dumb, these words are her and Qiao Xiu spit.

Su Ran had to admit that he could only grind his teeth and say, "Yes, these are all guesses that I was very angry after being driven out by you, so I spit with Qiao Xiu."

"But I spit and spit, and I didn't let Qiao Xiu do such a thing at all."

Qiao Xiu: "Mrs. Li, Su Ran admitted it. It's good for you to settle accounts with her. I cancel my account and I will leave now."

Say that finish, Qiao Xiu is leaving.

Juliana Lewis looked at her with a sneer. "Miss Qiao, it's not over yet. Don't go in a hurry."

Qiao Xiu was scared and said quickly: "I really don't know who it is, and the money doesn't pass through my hands. They all talk about work."

She was a little scared at that time and didn't dare to take over such a thing.

But the other party said very well, the money didn't pass through her hands, and the account number was also overseas.

Juliana Lewis can't find her at all, even if it is found, it's a big deal to say for Su Ran.

If you can't do it again, just say Su Ran asked her to do it.

It's nothing like this. The company still has 100 million orders.

Who can stand the temptation of 100 million?

Therefore, Qiao Xiu took the business with luck.

"I went to her homepage to see it. It is indeed the Juliana Lewis."

"Winter is coming, will Li Ye in Juliana Lewis not let me go bankrupt?"

"Come on, as far as your assets of 20 cents are concerned, Li Ye is too lazy to start work and waste time."

Juliana Lewis looked at the comments in the live broadcast room.

Juliana Lewis raised his eyebrows and looked at Qiao Xiu: "Your fans asked you to report the account that pretended to be you."

Qiao Xiu was taken away by the police.

Su Ran looked at Juliana Lewis sitting opposite, very embarrassed, she shouted: "Little wine..."

Juliana Lewis looked at her coldly.

What Su Ran wants to say can't be said.

Juliana Lewis looked at Su Ran coldly: "This time, I don't care about it with you, but I still talk over my brain. Don't put my brain on my ass."

Su Ran's face is not good-looking.

This statement is too straightforward and ugly.

Juliana Lewis didn't bother to talk nonsense with Su Ran. She stood up and left.

At this time, Su Guochang came back. He looked at the landing wine: "Little wine, this time..."

Juliana Lewis smiled: "It has nothing to do with Su Ran, but let her eat more sugar with that mouth, and don't always spray dung."

Su Guochang: "OK, I will take more care of her. Next time, I will send her to the police station myself."

"Li Songjin: I am the gossip object in Su Ran's mouth. I am sorry, I am not even friends with her. I just give more thin noodles for the sake of my in-laws, so let Miss Su misunderstand. Then Miss Su is really romantic."

As soon as the dynamic of Li relaxation came out, everyone was stunned.

"Who is this relaxation, the surname Li, is very rare."

"The popular science expert is on the line. Li Songjin is the second young master of Wanli Group, that is, the second son of former chairman Li Shilong. He is awesome and has the top education. If it weren't for studying abroad, now the president of Wanli Group still doesn't know who it is."

"So, Li Songjin is Benson Leach's second brother and Juliana Lewis is his sister-in-law?"

"Wow, I suddenly want to knock strange CP, such as younger siblings and..."

"Stop upstairs, not all CP can be messed up. The CP in Benson Leach and Juliana Lewis is really super sweet."

"I can't help but conspiracy theory. The death of Juliana Lewis's parents has something to do with them?"

"I don't know this. Anyway, Su Guorong and his wife died, Su Hanyin disappeared, and there was only one Miranda Sanchez left, but she was a girl, and she was still young. Sanchez Group was managed by Su Guochang for a long time."

"Later, after a few years of management in Miranda Sanchez, he died in a car accident. Sanchez Group completely became Su Guochang, until Su Han came back this year, and then there was a generation like Juliana Lewis."

"Then I understand now that this time Juliana Lewis was exposed to the hot search of illegitimate daughters, which was done by Su Guochang, in order to discredit Juliana Lewis, so that they can rob the Simmons family property."

"This speculation is very likely. After all, there is Benson Leach behind Juliana Lewis. As long as such news breaks out and then provokes Juliana Lewis and Su Hanyin's sister-in-law, Su Hanyin doesn't believe her. Then Su Hanyin is still a teenager, and Sanchez Group is not in Su Guochang's hands?"

"Everyone is quick. Maybe the death of Su Guorong and his wife has something to do with them."

Su Guochang was so angry that his lungs exploded when he saw these remarks on the Internet.

He was so angry that he had no place to vent, so he picked up a feather duster and smoked it on Su Ran. He beat and scolded: "I let you stay at home, and you can find something for me."
