Chapter 1281 Ingratitude-

Therefore, Mrs. Gu was really good to Miranda Sanchez at that time. It doesn't matter whether she was sincere or not. It was profitable anyway.

Only later, Miranda Sanchez became more and more powerful. She had her own ideas, and even had her ideas. She began to accept the company at the age of eighteen.

And then...

Mrs. Gu thought about those things in Miranda Sanchez before, but she didn't like her very much.

Miranda Sanchez just don't like to be stronger than themselves, and the more powerful she is, the more she will be out of her control.

Besides, Miranda Sanchez misunderstood Aaron family later.

For various reasons, Mrs. Gu never liked Miranda Sanchez alone, and rose to dislike the Su family.

Up to now, she still doesn't like it.

Otherwise, she would have set Timothy Greene up with Su Ran in early years.

Juliana Lewis raised his eyebrows and looked at Mrs. Gu's expression. "What is Mrs. Gu trying to say? It seems that she is not very happy?"

Juliana Lewis was very surprised: "Mr. Gu is not in a good mood? What doctor did you see?"

Actually, Juliana Lewis already has an idea.

Normal doctors wear white coats, but the doctor just now is in a suit and tie.

This kind of person is probably a psychiatrist.

Is Timothy Greene serious enough to see a psychiatrist?

Gu father: "Ting Shen he..."

Mrs. Gu interrupted in a heavy voice: "Ting Shen is only under great pressure at work recently, and then he always thinks of the past, so it is no big problem to find a doctor to adjust his mood."

Juliana Lewis looked up and looked at Mrs. Gu carrying the fruit, her face not very happy.

She also put the fruit plate on the table hard: "Dad, you got up early. You should be tired at the moment. Let's have a rest."

Gu old man looked at Juliana Lewis, and then looked at Mrs. Gu.

Finally, Father Gu nodded: "I am tired."

Chapter 1283 Hope-

When Mrs. Gu was leaving, she still took a look at Timothy Greene and Juliana Lewis with some uneasiness.

Juliana Lewis and Timothy Greene avoided suspicion, and they went to the outside yard. There was a security guard at the door, and Mrs. Gu also stood at the door of the living room.

The distance is not far.

They can see Juliana Lewis, but they can't hear their voices.

Juliana Lewis and Timothy Greene sat down at the table.

Timothy Greene had tea served, and then looked at Juliana Lewis sitting opposite.

Juliana Lewis's mental state is very good. Wearing down jacket, her face is even smaller.

It seems that she is very happy.

I don't know why, when Timothy Greene looks at such Juliana Lewis, it seems that he doesn't have as deep obsession as before, and even some dull.

Juliana Lewis took a sip of his teacup.

Timothy Greene looked back and asked her, "Are you here to see me?"

This shattered glass's words made Juliana Lewis laugh at the corners of his mouth in embarrassment.

"That's good."

Timothy Greene looked at the reaction of landing wine and bowed his head and smiled bitterly.

In this way, she is very happy, isn't she?

All right, as long as she won't be stressed.

"I heard that you were ill last time?"

Juliana Lewis found a topic.

Timothy Greene looked at the landing wine and then nodded lightly. "Well, I caught a cold. It's not a big problem."

Juliana Lewis gave a cry.

Two people don't get along with each other before, and speaking naturally is also a little awkward chat.

Timothy Greene poured the tea. "My mother..."

He paused and said, "I have tried very hard to change, and now she is much better."

Juliana Lewis thought that Mrs. Gu had just said that Timothy Greene was away and went out.

Timothy Greene looked at the landing wine with concern: "Are mother-in-law and daughter-in-law difficult to get along with?"

He also asked, "Benson Leach doesn't protect you?"

At this time, a burst of anger rose in Timothy Greene's heart.

He gave up Juliana Lewis because he knew how he got along with his mother.

His mother would never be a good mother-in-law.

Now, doesn't Benson Leach even protect landing wine?

Juliana Lewis saw his misunderstanding and quickly explained: "No, A Cheng protects me, and Grandpa is also very good. Without Li Shilong, the family is very good now, just..."

Juliana Lewis paused and said: "It's just that Xia Yunzhu and A Cheng are mother and son after all, and they haven't got along for so many years. There is a little estrangement and misunderstanding. I wonder if I can help."

Timothy Greene looked at the landing wine with a grain of salt.

After watching it for a long time, he finally nodded in belief: "This is the case."

Juliana Lewis: "Mm-hmm."

She smiled and said, "You know Ah Cheng. He cares more about me than anyone else. I am more important than his life. Where can he not protect me?"

Juliana Lewis frowned and corrected in a heavy voice: "Mr. Gu, I am Juliana Lewis."

Timothy Greene looked up at the landing wine. She said it seriously. No one was allowed to call her Manman again.

Yes.

Now she is Juliana Lewis, not Miranda Sanchez.

Timothy Greene smiled apologetically: "Sorry, I mistook you for someone else."

Juliana Lewis's face faded a little.

Mrs. Gu, who was wandering at the door of the living room, could not hear what they were saying, but there was something wrong with their atmosphere.

She was puzzled and curious.

"What the hell are they talking about? It's really anxious."

"Ting Shen won't tell Juliana Lewis everything, will he?"

"Qingqing won't let it be said."

Mrs. Gu thought about this, and she was even more anxious. She couldn't help but make some noise.

Timothy Greene listened to the spoiled tone of landing wine and couldn't help laughing: "Normal social interaction is ok, and others should avoid a little."

Juliana Lewis looked at Timothy Greene and felt that he really let go of a lot of conversation this time.

In this way, it's really good.

Juliana Lewis: "OK, brother Ting Shen."

Timothy Greene's gentle smile, so generous, did not deliberately avoid him, but let him not so persistent.

Juliana Lewis and Timothy Greene didn't talk much either.

Juliana Lewis stood up: "Brother Ting Shen, if you need help in the future, you can call me."

She crooked her head and said, "Although, I will report to Ah Cheng first, and he also helped."

Timothy Greene was amused, with a very reserved and relieved smile.

He nodded: "Then I will go straight to Mr. Li."

Mrs. Gu froze directly and looked up at Timothy Greene in disbelief.

"Really?"

"Juliana Lewis is so kind?"

She always felt that Juliana Lewis had Benson Leach, but because Timothy Greene liked her, she always deliberately lost her appetite.

Typical eating in a bowl and looking at the pot.

Timothy Greene sneered: "Your son, except you are rare, others don't like it so much, and no one wants it."

"Also, I wanted to think about Li Baiqing, but mother, your attitude just now made me don't want to think about her."

Mrs. Gu's face changed: "Ting Shen..."

Timothy Greene interrupted her coldly: "Mother doesn't want me to lose my temper, so she will take good care of Grandpa quietly."

Mrs. Gu is afraid.

Because of Timothy Greene recently, losing your temper is still terrible.

There is really a feeling of killing people.

Li Baiqing gave a cry: "It's the third sister-in-law."

"Did the third sister-in-law go to see Grandpa?"

Mrs. Gu frowned: "Hmm."

Didn't Qingqing notice that Ting Shen didn't sleep?

This is something that shouldn't happen after seeing the doctor.

Li Baiqing said: "The third sister-in-law went to see Grandpa. What did she say?"

Mrs. Gu: "I didn't say anything, but I said a few words to Ting Shen."

Li Baiqing light oh, but didn't ask more.

When Mrs. Gu saw that she didn't speak, she said, "Qingqing, you grow snacks. That's Juliana Lewis. When she came to my house, Ting Shen didn't sleep and talked alone."

Li Baiqing chuckled: "Auntie, that's my third sister-in-law. She is my third brother's wife. They chat aboveboard."

Mrs. Gu was anxious: "But Ting deeply likes her."

As soon as this came out, Mrs. Gu shut up.

The psychologist was silent for a moment, thinking about the wording, and then said, "Mr. Gu's situation is not very optimistic now."

Li Baiqing did not worry on his face, but asked: "Why is it not optimistic?"

Psychologist: "Although Mr. Gu is emotionally irritable, his external consciousness is very strong. It is very difficult to hypnotize him."

"Can it be done?"

Li Baiqing doesn't care how difficult it is, she just wants to know the result.

The psychiatrist felt the pressure, and he replied, "Yes, but it will take a little time."

"As soon as possible." Li Baiqing said lightly.

She can't wait.

...

Instead of going home, Juliana Lewis went to Benson Leach's office.

At the end of the year, Benson Leach was so busy that he didn't even have time to drink water.

Although the company's operation is very mature, it can be done without him for three or two days, but at the end of the year, it is really busy.

Juliana Lewis didn't quarrel with Benson Leach either. He sat in the back of the conference room and looked at Benson Leach in the meeting.
