Chapter 1361 Helpless-

Li relaxed and looked down at the finger with a cigarette: "Occasionally, I just smoked one, not much."

I didn't want to smoke, but I just remembered something.

I feel that smoking can really make people forget the pain.

Juliana Lewis gave a cry and didn't say much.

Li relaxed and smiled: "I thought you wanted to persuade me that smoking is not good, let me stop smoking."

Juliana Lewis: "This kind of thing, I only care about my man."

Other men, like to smoke or not, 100 packs a day, she won't mind her own business.

Li relaxed to listen to the words of landing wine and smiled: "Well, it is."

Juliana Lewis looked at Li Songjin leaning against the window and frowned.

She felt that it was a bit strange to relax, and looking at her eyes was like looking at acquaintances.

It has nothing to do with her being his sister-in-law.

It's more like looking at another person through her.

Don't, Li relaxed to know that she is Miranda Sanchez?

Chapter 1362 Come Back

Juliana Lewis just wanted a quick kiss, and he wanted to back off.

However, Benson Leach took the waist of landing wine and deepened the kiss.

After all, Benson Leach restrained himself from kissing her deeply and let her go.

"How sweet."

Juliana Lewis pinched his waist angrily: "Go, go in."

Benson Leach said, and when he was about to leave, he took a look from the corner and relaxed.

Li relaxation is still smoking, and his eyes drifted at the scene of flirting between two people just now.

When they walked some distance, Juliana Lewis asked Benson Leach in a low voice, "Who is the second brother's first love?"

"I don't know. Don't care about him."

Benson Leach is still a little vinegar.

Juliana Lewis looked up at him. "I'm jealous."

Benson Leach raised his eyebrows at her. "If I care about your sister, won't you be jealous?"

Su Ran thought of the person who likes Su Han.

Recently, she was too unhappy. Instead, Juliana Lewis and Suhan led her to be happy.

Can't move Juliana Lewis, can't understand Su Hanyin, that Jiang Tiantian can always?

Su Ran thought, but after all, he didn't dare to cause trouble today.

Benson Leach and Juliana Lewis had a round of entertainment, and it was almost there.

They found a place to sit down.

Benson Leach watched Su Hanyin talk and laugh with the guests, and raised his eyebrows to see Juliana Lewis: "Xiao Yin performed well."

Juliana Lewis looked proud: "It's natural, and it doesn't look at whose brother it is."

Benson Leach smiled and said, "It's my brother."

Juliana Lewis looked sideways at him.

Benson Leach: "My wife's brother, isn't it my brother?"

Juliana Lewis looked at him with a smile. "Benson Leach, you are getting glib now."

Benson Leach leaned close to her. "Well, my wife taught me well."

This is reminiscent.

Hou Chaosi was talking about happiness, and said that Lu Yingdi was the man her woman wanted to sleep most.

As a result, I just finished.

I heard Lin Yin shout.

Hou Chaosi was stiff and couldn't wait to dig a huge pit and bury herself.

As if he had just discovered Timothy Greene, Juliana Lewis smiled and greeted him: "Mr. Gu."

Timothy Greene, with a cry, came over and sat beside Hou Chaosi.

Hou Chaosi didn't dare to look at Timothy Greene sideways, and even wanted to raise his hand to block her face.

Timothy Greene faintly opened his mouth: "Miss Hou didn't want to greet me, or didn't she see me?"

Juliana Lewis looked at them, sipping his lips and chuckling.

She stood up and said, "Lin Yin, I'll take you to meet people."

"Well, please Boss Wolfgang."

Lin Yin is also very interesting.

Then, she should keep a distance from Timothy Greene, even as if she had never known him.

Anyway, she won't be a third party, and she doesn't want to destroy people's feelings.

And Timothy Greene, more shouldn't determine the relationship with Li Baiqing, but also to provoke her.

Timothy Greene looked at Hou Chaosi who fled and frowned.

He stood up and looked at Li Baiqing: "What are you looking for me for?"

"No, just see you here and say hello to you."

Li Baiqing looked at him apologetically: "I, did I disturb you?"

"Hmm."

Timothy Greene simply nodded and lifted his foot towards Hou Chaosi's figure.

Li Baiqing's hand, still draped in the chair, saw that Timothy Greene was unwilling to even say a word to her.

Ma Shuqin has been staring at Su Guochang. After Juliana Lewis left, he quickly came over: "Guochang, what's wrong with you? It looks a bit bad."

Su Guochang looked at Ma Shuqin. She was old and yellow. Over the years, she became more and more disgusting.

And last time, the fight between two people.

Perhaps Juliana Lewis is right.

Ma Shuqin saw that Su Guochang had been staring at himself, but did not speak. He frowned deeply: "What happened, what did Juliana Lewis say to you?"

She asked Su Guochang in a low voice: "Did you succeed and Juliana Lewis discovered it?"

"Is everything all right?"

Originally, Su Guochang has been transferring property, leaving Sanchez Group with only an empty shell.

Finally, Sanchez Group's shares plummeted, and Su Hanyin was so young that he could only sell his shares and the company.

Then he will shoot again and buy Sanchez Group.

But now, all his plans have failed.

Even, Juliana Lewis discovered something.

He had to make a choice.

Ma Shuqin asked a few words, but when he saw Su Guochang still didn't speak, he became angry.

Su Guochang froze when he heard the voice on the other side of the phone.

He looked at the call interface in disbelief. Although the number had not been called for many years, it was remembered in his heart.

However, this voice is strange, which makes him think that he has dialed the wrong number.

"Hello?"

The sound over there seems to be a little strange.

Su Guochang knows that he has not dialed the wrong number. Maybe, maybe, after so many years, the telephone number has already changed its owner.

Su Guochang can only give it a try: "Hello, I have a bit of a bad spirit recently, and I seem to be sick."

"Excuse me, do you have a psychiatrist over there?"

As soon as this came out, there was silence for a while.

Then, the other side continued to talk: "What is the situation? Tell me in detail and I'll see if I can help."

Hearing this, Su Guochang breathed a sigh of relief.

Su Guochang continued: "I dare not take credit. Today, I pleaded guilty for the death of my cousin Su Guorong's family."

When this came out, everyone was shocked.

They stopped talking and looked up at Su Guochang.

Media reporters, also quickly video photos.

Su Ran is also a face of stupid force, have a bad feeling.

She turned her head and said to Ma Shuqin, "Mom, Dad, what happened? How can you talk about these things in public?"

"Something is wrong with him today."

Ma Shuqin also felt deeply uneasy: "I don't know, should it be okay?"

Su Ran was anxious: "Anyway, let Dad stop talking."

She's scared, too.

Afraid that her parents will bite each other at this time, what should she do?

Juliana Lewis was also looking at Ma Shuqin. She turned her head to Benson Leach and said, "Something is wrong with her."

Ma Shuqin is a bitch.

I don't want to suffer.

From the last quarrel with Su Guochang, say that words, will never let go of Su Guochang.

However, when Ma Shuqin spoke from Su Guochang, he answered the phone and never refuted a word.

This is not in line with Ma Shuqin's character.

Benson Leach also found out. He said, "I'll have someone check it."

Benson Leach took out his cell phone and sent a message to Channing Payne asking him to check Ma Shuqin's communication records.

But Juliana Lewis was still not at ease. She squatted down and grabbed Gu's old man's hand. She took advantage of the situation to give him a pulse.

After taking the pulse, the smile on Juliana Lewis's face froze.

Father Gu just patted the back of her hand gently: "Silly child, I'm fine."

When Mrs. Gu saw Juliana Lewis squatting down, she also made an intimate appearance with Gu's old man, and muttered with disdain: "Pretending."

Just say that finish, Mrs. Gu felt the cold eyes.

Looking up, I met Benson Leach's cold eyes.

Mrs. Gu had some scalp pins and needles, so she quickly put aside her eyes and didn't say anything again.

Father Gu said to Juliana Lewis: "You don't have to accompany me as a Charlie. I will turn around here and have a look, and then I will leave."

Say so, but Juliana Lewis won't leave Gu's father alone.

She stood by and talked with the old man.

Benson Leach also came to say hello: "Grandpa Gu."
