Chapter 1371 middle-

Timothy Greene froze, his face pale, and looked at the landing wine in disbelief.

Juliana Lewis nodded sadly.

Because Grandpa Gu is in good spirits recently, not in good health.

Instead, he came back.

Timothy Greene nodded sadly and seriously at the landing wine, only to feel that there was something choking in his throat.

He can only nod stiffly: "OK, if you are free, come and see more."

Juliana Lewis nodded. "Okay."

After all, Grandpa Gu is different from others and really loves her.

Father Gu poked half his head out of the car.

"Miss Hou."

Hou Chaosi was originally behind Juliana Lewis. When he heard Gu's old man's words, he wondered.

Or Lin Yin pushed her: "Gu's old man called you."

Hou Chaosi quickly nodded and replied: "Father Gu, I am here. What do you want?"

Hou Chaosi can see that Li Baiqing is close to Timothy Greene.

She quivered her eyes, put aside her eyes, just as if she didn't see them, and kept a smile on her face.

They are boyfriend and girlfriend.

All this should be done. She has no right to be jealous.

You can't think about other people's boyfriends anymore.

Hou Chaosi felt shameless.

After Li Baiqing got on the bus, Mrs. Gu closed the door.

Therefore, Hou Chaosi only saw Li Baiqing next to Timothy Greene, but didn't see him change seats with Gu's father soon.

In this way, sitting in the middle is Gu's father.

Lin Yin looked at Hou Chaosi curiously.

Juliana Lewis also looked down at Hou Chaosi and didn't say much.

She and Su Hanyin were busy entertaining other guests, but people came and wanted to send them to the car.

Benson Leach nodded gently: "Su Guochang made a phone call, and then while he was talking, Ma Shuqin answered the phone."

Juliana Lewis asked him, "Who is the same number?"

Benson Leach: "It's not the same number. I checked it all. The number is very special and I can't get in."

Juliana Lewis looked at him doubtfully: "Can't you get in?"

Benson Leach nodded: "Yes, I just can't get in. It's very special."

"What a special method? Let me see."

Benson Leach gave Juliana Lewis his mobile phone: "Look at this number, it is not from Daxiaguo."

"And here, it was played in the past, but it was all empty."

Juliana Lewis looked at the number, which did not belong to Daxia, but was a foreign number.

It doesn't look like a virtual number on the network.

Benson Leach said: "It is not a virtual number on the Internet. This Channing Payne has been verified."

Juliana Lewis: "It was an empty number. How did Su Guochang get in?"

Juliana Lewis said, "Xiao Yin is still small, and it is quite good now."

Benson Leach disagreed: "But he is a man. Anyway, he should know that people always have to experience before they can grow faster."

Juliana Lewis understands this truth.

But Su Hanyin is her younger brother, so she wants to guard it.

Even, I didn't think about how much Su Hanyin could achieve, manage the company well and catch up with my beloved girl.

Then live a healthy and happy life.

Juliana Lewis looked at Benson Leach with a crooked head. "Do you want to let me grow up in this way?"

Li Beicheng replied without thinking: "I don't want to."

Juliana Lewis looked up and looked at the traffic and neon lights outside the hotel.

"You said, if my parents hadn't died and I hadn't experienced so much, wouldn't I have met you?"

Without waiting for Benson Leach to answer, Juliana Lewis smiled and said, "If so, then I think my life is really a pity."

Benson Leach took Lu Jiu's hand. "Then I wish there was such a if."

Lin Yin shook her hands when she saw this screenshot, and her mobile phone was thrown on the floor.

The picture of Mrs. Mu dying in front of her has been forgotten hard.

Seeing this screenshot now seems to suddenly deepen her memory.

Although it is not Mrs. Mu of Lin Yin's harm, a living person, just like that, died in front of her in a distorted manner.

That's a lifelong shadow.

Lin Yin tightly holds the pillow and shrinks on the sofa.

She got up again and quickly turned on all the lights in the room and picked up her mobile phone.

Want to call Hou Chaosi, and think it's already more than twelve o'clock in the evening, so give up.

The house was too quiet, and Lin Yin only felt that the wind outside the window was like the sound of Mrs. Mu landing.

Lin Yin couldn't stay after all. She took her mobile phone, bag and mask and went out.

She also wore a dinner dress inside and a down jacket to her calf outside.

Chapter 1376 Last night--

Hearing someone calling himself, Lin Yin looked sideways.

A lengthened Lincoln stopped by.

Then a gentleman's man came down.

He looked at Lin Yin and asked with concern: "What's the matter, do you need help?"

Lin Yin knows him. He is a company boss he met at the banquet today.

"Zeng Zong, it's not a big deal, just..." Lin Yin said with some embarrassment: "Being pestered for a phone number."

Ceng always looked at the man who stopped Lin Yin.

When a man looks at Lincoln, he comes down not only with imposing men, but also with assistants.

As soon as the other party is not to be taunted, the man said sorry and ran away in a hurry.

Lin Yin, who had been entangled for almost half an hour, finally breathed a sigh of relief.

"Thank you for your help today."

Zeng always smiled: "Miss Lin is a beautiful woman, so she should learn to deal with this entanglement."

Xia Yunzhu was eating a sandwich. When she heard this, she looked up at her: "Qingqing lived in Aaron family last night."

"I called back last night and said that I recently lived in Aaron family temporarily. I packed her things last night and sent them to her."

Juliana Lewis was surprised: "Living in Aaron family for the time being?"

Xia Yunzhu: "Yes, what's the matter? Is there a problem?"

Juliana Lewis shook her head lightly. "No, just thinking about what name she lives in Aaron family."

"I don't know this, but Timothy Greene and Qingqing are suitable for each other. Even if they live as girlfriends, it is not impossible."

Juliana Lewis smiled: "Aunt Xia said, but if you live in it before you are married, your reputation is not good."

"I didn't expect that Xiaojie's thoughts were more conservative than mine."

Xia Yunzhu smiled at the landing wine: "Now there are many unmarried cohabitants. If you move in first, you are afraid that your husband's family will look down on you."

"Mrs. Gu is a good one. When she marries Qingqing in the future, she will not look down on or dare to look down on our family."

Juliana Lewis only felt shuffled when he was tired.

Xia Yunzhu looked back at Juliana Lewis: Can't she have a baby?

Or Benson Leach can't be born.

Xia Yunzhu didn't forget that he was more powerful than anyone before.

Juliana Lewis appeased old Mr. Leach: "Grandpa, it's no big deal. Don't be angry. It's bad health."

She also found that the old man has a bad temper recently.

In the face of Juliana Lewis, old Mr. Leach swept away his fierceness and changed into a kind smile.

"I have never raised Beicheng, and I can let her live in. It is already good, and I still manage three tubes and four tubes."

"I will give you more support while I am still alive."

Old Mr. Leach looked up again and told Benson Leach: "I am gone in the future. You should protect the little wine. No matter who it is, you can't bully her."

Said, and gave him a warning stare: "Especially you."

Benson Leach smiled helplessly: "Grandpa, I can't bear to bully wine, you can rest assured."

Old Mr. Leach was relieved.

"Little wine, finish eating later, accompany me to Aaron family, and I will go and see the old guy."

"Have some more." Timothy Greene said, and turned and ordered the servant to prepare chopsticks, meat buns, steamed dumplings and millet porridge.

Hou Chaosi always said no.

But Timothy Greene didn't hear it.

Hou Chaosi felt that this person suddenly became overbearing, but it was very annoying.

Especially Li Baiqing standing next to him.

When Timothy Greene came down, he didn't say hello to Li Baiqing, as if he had ignored it.

They are boyfriend and girlfriend at least.

Hou Chaosi felt that such behavior was really love rat.

Timothy Greene's image of a good man as warm as jade is about to collapse here.

Hou Chaosi shouted irritably: "Timothy Greene, I said no."

"Didn't you hear me when I said I wouldn't eat?"

Timothy Greene frowned at Hou Chaosi.

Timothy Greene looked at Hou Chaosi without bulging his cheeks, but looked at his eyes, which was very alienated.

Unlike before, when I saw him, my eyes sparkled.

Moreover, although all the shouts are Mr. Gu.

But he can hear emotions, which used to be happy, but now they are alienated.

"Because of Li Baiqing?"

Hou Chaosi was stunned: "What?"

Timothy Greene looked at her: "Are you angry with me because Li Baiqing?"

Hou Chaosi said stiffly: "No."

She has no right to be angry.

And if she says it, doesn't she just want Timothy Greene's explanation?

That's not necessary.

If it had been before, Timothy Greene might have really let it go and stopped talking about these things.

But looking at Hou Chaosi's eyes, only looking ahead, he made a 180-degree turn towards his attitude.
