Chapter 1381 I really want to-

Mrs. Gu laughed: "A broken sachet can also be taken. Your Hou family is a small household, and you can't go to the table."

This is really ruthless, and it is very disgusting.

Hou Chaosi handed it out. Hearing this, he was very embarrassed.

Li Baiqing stood by and looked at this scene faintly.

Father Gu stretched out his hand and picked it up: "Don't listen to her nonsense, money can't measure your mind."

"This sleeping sachet is worth more than 100 million."

Hou Chaosi eased some embarrassment: "It is good if you don't dislike it."

Mrs. Gu is very contemptuous: "To put it nicely, it is also a sachet on a rotten street."

Gu Ting said in a deep voice: "Zach Harding is a famous doctor. The medicine from his hand can't be bought if you have money."

"Apologize to Hou Chaosi."

When Mrs. Gu heard this, she was very angry: "Why should I apologize? Even if it is Zach Harding, no matter how bad it is, I won't see him."

Of course Mrs. Gu has heard of Zach Harding's reputation.

However, before she could speak, Timothy Greene looked up at Li Baiqing. "If I remember correctly, Miss Li is also a guest, isn't she?"

Li Baiqing's face was white.

She didn't expect Timothy Greene to speak in person to tear her down.

Father Gu looked at the two men and then looked at Li Baiqing: "Qingqing, I am fine, you should go back, your grandfather will worry about you."

This is to let Li Baiqing go back.

Mrs. Gu did not do it. She quickly said, "Dad, she is my guest and will stay here for a few days."

The old man is dying and will not live long.

Mrs. Gu also thought of Li Baiqing to brush her face, and then when Gu's father was going to die, she made her last words and let Timothy Greene marry Li Baiqing.

Timothy Greene didn't listen to her.

Chapter 1383 The Mocking--

When Mrs. Gu saw Hou Chaosi take out her mobile phone, she immediately smiled, laughing mockingly.

"Miss Hou really dares to make this call, and I don't know if she has a face."

Timothy Greene frowned. "Mother, you have no way. Don't laugh at Sisi."

Hou Chaosi, who was calling Zach Harding, trembled when he heard this sound.

She looked up helplessly at the landing wine again.

Juliana Lewis just nodded lightly.

Hou Chaosi shouted: "Zach Harding."

Zach Harding's eyes want to be turned upside down: "Hou Chaosi, no big or small, called brother."

Hou Chaosi looked at a circle of people and shouted in a low voice: "Brother."

Zach Harding, who can't wait for a brother for 800 years?

Li Baiqing is still very cultured, and he can't help laughing out loud at the moment. Although he is very light, he quickly converges.

But she just smiled.

Hou Chaosi is just a small medical family, and he is just a person who enters the entertainment industry by virtue of his beauty.

People who return to ancient medicine want to marry her?

This is ridiculous.

Mrs. Gu not only laughed, but also said mockingly: "I finally understand why Miss Hou can talk so much and has such courage. It turned out to be an ancestral bragging cheats."

Hou Chaosi's angry lungs finally couldn't help but say, "Mrs. Gu, I respect you as an elder and have been patient with you for a long time."

"You said I was, and you brought all my ancestors."

"What's the matter? Your ancestors are good. Your ancestors taught you such a smelly mouth, and they are not afraid to fumigate your ancestors' coffin cover and cheat corpses to teach you unfilial children and grandchildren?"

"When others respect you and respect you, do you really think you are high?"

"I don't want it."

Mrs. Gu didn't expect Hou Chaosi to swear so much. She trembled with anger: "You, you..."

She quickly said, "Yes, isn't Miss Hou going to marry an ancient doctor? Is your boyfriend?"

Hou Chaosi paused and said dryly, "No."

Mrs. Gu laughed again and said, "Miss Hou is really interesting. She said that people from the ancient medical school want to marry you, but her boyfriend is not you."

"Miss Hou, you won't step on two boats, will you?"

Hou Chaosi said angrily: "It is your son who wants to step on two boats. What does it have to do with me?"

Juliana Lewis said, "Sisi, you'd better put it out first and say a few words to Sebastian Yates."

Hou Chaosi still listens to Juliana Lewis. Although she was beaten in the face just now, she won't blame Juliana Lewis.

"Sister Wine has something to say to you."

Hou Chaosi ordered the speaker.

At one o'clock, the whole living room can hear Sebastian Yates shouting: "Master, you are looking for me."

Sebastian Yates would call Juliana Lewis Master's father only when he was one of his own.

That face, really can't wait to drill out of the screen, severely hit Mrs. Gu's face.

Mrs. Gu was stunned and said, "This, is the website fake?"

Li Baiqing couldn't help pulling the corners of his mouth: "Really."

"That, that is the hacked website." Mrs. Gu still has a glimmer of hope.

Timothy Greene couldn't listen: "Mother, that's the official website of the ancient medical door. Do you think it's a junk website that can be hacked at any time?"

"When Wendy Johnson said that he was a hacker, he said that he could hack the official website of the ancient medical door. Did you see her succeed?"

This matter was also searched hot at that time.

It is impossible for Mrs. Gu not to know.

Mrs. Gu was very depressed: "Is Sebastian Yates really an ancient doctor?"

Sebastian Yates's very proud voice came from his mobile phone: "Of course, I am not only a person of ancient medicine, but also a closed disciple and the only apprentice of leisurely medicine."

"I am a man who wants to surpass my master."

Juliana Lewis couldn't help laughing: "Sebastian Yates, converge, you will be beaten if you are too arrogant."

"Why should I apologize, why should I apologize? She bragged herself and didn't allow me to question it?"

Timothy Greene looked at her coldly: "Is mother questioning like that?"

His voice cooled down: "Besides, I mentioned it myself. She knew people from ancient medicine. She denied it from the beginning. It was your repeated cynicism and wanted to prove it."

"Mother, you should apologize to her."

Mrs. Gu: "I..."

Timothy Greene's voice cooled. "Mother!"

When Mrs. Gu heard this cry, she looked up at Timothy Greene fiercely and looked at his gradually cold and gentle eyes.

Mrs. Gu had a tingle in her heart.

It's like that night, she almost got beaten by Timothy Greene.

His eyes, when so fierce, really hit people.

To this, Mrs. Gu's heart gave birth to some fears.

Li Baiqing stood up and smiled at Hou Chaosi: "Auntie is an elder, so there is no reason to apologize to the younger generation."

This thing is over.

A group of people sat down in the living room.

Old Mr. Leach looked up and asked, "Timothy Greene, have you got a girlfriend?"

Old Mr. Leach didn't mention it for no reason.

But just now, from Hou Chaosi's words, I heard that he has a girlfriend, and he is still outside.

Timothy Greene is a man who can't provoke others. It must have provoked Hou Chaosi who spoke.

Moreover, old Mr. Leach also knows that Li Baiqing had a blind date with him before and liked him very much.

Otherwise, I wouldn't have apologized for Bai Chunhua just now.

As Miss Li's family, old Mr. Leach felt blushing and ashamed to be in such a hurry.

Hou Chaosi is fidgeting.

She seems to have said something she shouldn't have said just now.

Mrs. Gu did not dare to offend old Mr. Leach. She was angry now and could only smile: "old Mr. Leach..."

"You also swore that you would no longer like other women except Miranda Sanchez, including..."

Bai Chunhua looked at Juliana Lewis at a glance and wanted to say her name, but when she saw old Mr. Leach's eyes, she abruptly suppressed it back.

"Including Hou Chaosi."

"You won't like anyone anyway. What's the matter with marrying a suitable person?"

"Qingqing doesn't care about this?"

"Which giant is like you, loving and loving all day."

Old Mr. Leach's face went black with anger as he listened to these words.

Because of these words, Bai Chunhua didn't take a high look at Li Baiqing.

Just because Li Baiqing posted it upside down.
