Chapter 1401 Companion-

Juliana Lewis raised his eyebrows and looked at Hou Chaosi: "What is your expression? I am unhappy to see me today?"

Hou Chaosi blinked: "No."

Juliana Lewis looked at her suspiciously: "I think you smile very falsely."

Hou Chaosi took the hand of landing wine: "Sister, I am very busy and tired recently, and I can't laugh a little."

Juliana Lewis asked her, "What have you been busy with recently? Didn't the company give you a vacation?"

Because Hou Chaosi has the Spring Festival Evening program, other announcements have been pushed, and only the Spring Festival Evening is arranged.

Hou Chaosi looked resentful: "You don't know, I met a capitalist who ate blood and chewed bones, and I knew exploitation."

"Just now, I finished it, and he scolded me."

"The most important thing is that I didn't give me a penny and scolded me."

"Say, how can there be such a person in this world?"

Juliana Lewis was held by Hou Chaosi's arm and listened to her angry words.

Juliana Lewis frowned. "What do you do, work for people, don't give a penny, and scold you?"

If only one or two people look at Juliana Lewis like this, forget it.

But what Juliana Lewis saw was a little strange.

It seems that passers-by will take a look at Juliana Lewis. If their companions don't see it, they will pull their companions to see Juliana Lewis together.

But also talking in a low voice.

Juliana Lewis looked at this and felt very strange.

She turned her head and asked Hou Chaosi: "Sisi, do you think the people in the shopping mall today are very strange?"

"Huh?" Hou Chaosi looked at the landing wine with a puzzled face: "What do you mean?"

Juliana Lewis looked at the people who were looking at her and then said, "Do you think they are looking at me?"

Hou Chaosi said with a smile: "The wine sister looks so good, but I will take a look at it more."

"Besides, I am at least a big star, in case people look at me."

Juliana Lewis smiled at her. "Yes, it's getting narcissistic."

When the little girl finished, her little face was still very upset: "In short, my sister will live for a hundred years, and there will be many, many noble children. Goodbye, my sister."

The little girl waved her little hand at Juliana Lewis, then spread her short legs and ran towards her mother.

Juliana Lewis asked Hou Chaosi a little confused: "Do you understand what she wants to express?"

Hou Chaosi: "I don't know, children's thoughts are strange."

Probably just want to wish Sister Wine a good marriage with Benson Leach for a hundred years, grow old together, and give birth to your son early.

The little girl is too young to say these four words, so in words she understands.

Juliana Lewis watched the little girl holding her mother's hand, shaking her head happily and jumping.

She smiled and said, "But cute love."

Hou Chaosi raised his eyebrows: "So cute, then give birth to one."

Juliana Lewis glanced at her: "My birthday, you gave birth?"

Hou Chaosi said it was for Juliana Lewis's birthday, but in fact he was shopping in the mall.

Chapter 1404 Romance-

Juliana Lewis looked up and said, "It's okay. It's romantic to cheat a little girl. For me, it's just so-so. It doesn't feel anything."

Hou Chaosi asked her: "Are you sure it is so-so, not romantic, not beautiful?"

Juliana Lewis: "For me, it is, and it is a waste of money."

Hou Chaosi gave a long oh: "Well, I think you will be beaten in the face, sister wine."

Juliana Lewis was leaving, and Hou Chaosi grabbed her: "Sister Wine continues to look at the results, in case girls like it very much."

Juliana Lewis just wanted to say no, and Hou Chaosi around her excitedly pulled her: "Sister wine, look."

Juliana Lewis looked up again, and in just a moment, he saw the remaining flying clouds, which had formed a name: Juliana Lewis!

When Juliana Lewis saw this, his bright eyes tightened fiercely, and his eyes couldn't help overflowing with brilliance.

It was full of surprises and surprises.

Benson Leach proposed successfully and looked down at the landing wine: "Happy birthday, wine, and blessings for being late."

Juliana Lewis nestled in his arms: "It's quite romantic."

Hou Chaosi, who is a light bulb next to her, quickly said: "Sister Wine, I also have my credit."

"I also participated, I don't care, which means that I proposed to my wine sister."

Benson Leach turned his head and gave her a cold glance.

Hou Chaosi was a little scared, or said: "It is my credit."

Juliana Lewis chuckled: "Don't think hard."

Benson Leach said, "Go in."

Juliana Lewis followed Benson Leach into the mall again.

Turned around and saw Grandma, who smiled kindly and comfortably at the landing wine.

"Grandma."

Juliana Lewis threw himself into Grandma's arms like a baby swallow.

In the old house.

Li Baiqing and Xia Yunzhu are at home.

Two people sat on the rooftop, watching fireworks blooming in many places and the sky.

Two people have seen the hot search.

Xia Yunzhu: "I thought it was true."

Li Baiqing didn't speak, just looked at it like that.

Xia Yunzhu was very upset: "Isn't it a family? They went out to celebrate Juliana Lewis's birthday and left us at home?"

Li Baiqing bowed his head and played with his mobile phone: "Do you want to add to Juliana Lewis?"

Why didn't old Mr. Leach call them? It's not afraid that Xia Yunzhu's speech will add to Juliana Lewis's difficulties.

As for not calling her?

Who knows why.

Li Baiqing doesn't seem to be interested either.

Xia Yunzhu glanced at her, as if there were strangeness in her eyes.

Li Baiqing looked up at her: "It's almost New Year, it's still fine."

"Ting Shen, I tell you..."

Timothy Greene was already impatient and said coldly, "Go out, I have to work."

"Hou Chaosi she..."

Before Bai Chunhua finished speaking, he heard Timothy Greene yell: "Get out!"

This tone is very cold.

Bai Chunhua pulled the corners of his mouth, and finally did not dare to disobey Timothy Greene.

Bai Chunhua went out and closed the door conveniently.

After half an hour, Bai Chunhua came again.

She stood in the doorway, unconsciously trying to push the door in, but she knocked again at the thought of Timothy Greene, who was going to be angry.

On one occasion, they just saw the proposal.

Benson Leach clearly had an idea in his heart, but he didn't find it, and even didn't care.

At that time, Juliana Lewis was a little lost in his heart.

Now, after thinking about some details, Juliana Lewis laughed out loud.

Benson Leach asked her curiously, "What is wine laughing at?"

Juliana Lewis smiled at him. "I won't tell you."

"Really don't say?"

Benson Leach raised his eyebrows at her.

"Don't say."

"Then I'm welcome."

Benson Leach said, and extended his claws to Juliana Lewis.

Juliana Lewis dodged quickly, but Benson Leach had long hands and quickly fished her into her arms.

"Say it quickly."

"Don't."

Chapter 1409 A few days-

After the reunion dinner, the family sat watching the Spring Festival Evening, fighting landlords and playing mahjong, waiting for the New Year's Eve.

Juliana Lewis still likes this superficial harmony.

No one, who wants to celebrate the New Year, is unhappy.

Li Baiqing also made a video call with her little boyfriend.

He also took his mobile phone and turned it around to show Juliana Lewis and his wife how this little boyfriend was doing.

The little boyfriend is handsome, white and tender, and his mouth is sweet, which makes everyone happy.

While looking at Juliana Lewis, he also called out the third sister-in-law.

Li Baiqing saw the little boyfriend at a glance. When she saw Juliana Lewis, her eyes were amazing. She didn't matter.

Chinese New Year is like this, playing cards for entertainment, and then calling to say blessings.

Juliana Lewis didn't know how long it was, after eleven o'clock.

Li Baiqing suddenly stood up: "Grandpa, I have something urgent, go out."

Old Mr. Leach asked her, "It's almost twelve o'clock. You still go out. What's the matter?"

Li Baiqing was in a hurry: "I don't know, anyway, let me go and estimate what happened."

Benson Leach said: "Things are impermanent."

Juliana Lewis: "Yeah."

Gu's old man's time is approaching, and his spirit is so good recently, that is, he is shining back.

But Juliana Lewis felt that Gu's father could survive Carl.

As a result, Ada died in the early morning.

Things are impermanent.

Juliana Lewis said: "He really loves me."

"I have no grandfather since I was a child. Grandpa Gu loves me as a granddaughter."

It is completely different from Bai Chunhua's snobbish love.

Now Gu's death is tantamount to losing a relative to Juliana Lewis.

Benson Leach quietly accompanied the landing wine, listening to her saying Gu old man and her childhood.

Her voice was calm, and she didn't cry, but it just made people feel sad.
