Chapter 1431 Hand-

Juliana Lewis looked at Li Songjin: "The second brother won't go to the company today?"

Li relaxed and lazy: "Don't go, sweet ability is very strong, which saves me a lot of heart."

"It is worthy of being three younger siblings, surrounded by powerful people."

Juliana Lewis smiled. "That's my brother who has a good eye."

Li relaxed: "It's not that a family doesn't enter a house."

Juliana Lewis slightly raised his eyebrows: "Second brother, is this praising Acheng, or is it praising yourself?"

Li relaxed and laughed loudly: "Praise our whole family."

Juliana Lewis also drooped his eyes and chuckled.

Li Baiqing saw Timothy Greene's eyes and always fell on Hou Chaosi.

She quietly took Timothy Greene's arm and asked Hou Chaosi, "Where has Miss Hou gone? Let's go shopping together?"

She looked up and asked Timothy Greene: "Ting Shen should not mind Miss Hou with us?"

Timothy Greene doesn't like to be held by Li Baiqing's arm, and instinctively wants to pull it out.

Li Baiqing quickly pulled Timothy Greene and advised him: "Ting Shen, don't embarrass Miss Hou. She is also a darling daughter. Where did she wash clothes? It is very humiliating."

Hou Chaosi looked at Li Baiqing's little move.

Look at Timothy Greene, who is calm and angry.

She doesn't understand. What's wrong with her? He has to embarrass her.

Timothy Greene did not listen: "This is not a dilemma, this is basic, just trouble Miss Hou to help me wash my clothes and return them to me."

Hou Chaosi pulled the corners of his mouth and couldn't refute it.

But she felt that washing clothes for Hou Chaosi in front of him was not a thing at all.

Hou Chaosi smiled at Timothy Greene: "Thank you for Mr. Gu's coat today, but I'm sorry, I don't have the habit of washing clothes for irrelevant men."

"I can't do this kind of white lotus thing."

"I accidentally dirty Mr. Gu's clothes, then I will pay Mr. Gu one."

Timothy Greene looked at her and was exceptionally easy to talk to: "Then Miss Hou will buy me another one."

Hou Chaosi smiled: "Sorry, I don't have the habit of buying clothes for foreign men. How much do you say, I will give you money."

Li relaxed with a glass, leisurely looking at the sea.

Li Baiqing sat beside him: "The second brother was in a trance just now."

Li relaxed and didn't bother to talk to her. He only said: "You talk less about some and no, I don't have such a firm position as you."

Li Baiqing smiled: "My position is very firm and I always know what I want."

"I also know very well that if I want it, I must strive for it."

"Instead of watching the loss and then regretting it for life."

Li Baiqing's voice sank slightly: "Even if, at all costs."

Li relaxed his head and looked at Li Baiqing: "So?"

Li Baiqing smiled: "You are my second brother. Isn't it a good thing for us to work together?"

"Is Father awake?"

Chapter 1434 Servants-

Hou Chaosi looked sideways at her: "Miss Li, why do you always mention me and the servant together?"

No matter how dull she was, after such a long time, she understood.

Li Baiqing opened his mouth and said that the servant was just like taking her as a servant.

She was asked to wash clothes like a servant, and now she said that her kebabs were no different from servants and could be baked together.

Isn't this treating her as a servant?

Li Baiqing gave a cry: "What's the matter?"

Hou Chaosi was blocked by this sentence and couldn't speak.

Li Baiqing didn't say anything about her, and even praised her every word.

And very polite.

But Hou Chaosi was uncomfortable, and compared her with servants again and again.

Li Baiqing smiled hard: "How come? You think too much."

Timothy Greene didn't look at her again: "I just came to stay, and I was also a guest. I just promised to cultivate my feelings, but we didn't have a definite relationship, so you can't make a decision for me yet."

"If Miss Li makes her own decisions in the future, I can only move out."

With that, Timothy Greene looked up at her again. "I think Miss Li knows very well why I promised to come and stay."

Li Baiqing's eyes flashed and a standard smile hung on his face: "Sorry, I didn't pay attention to the wording, there will be no next time."

Before coming, Timothy Greene actually told her.

He wants her to help, help with a play.

If she doesn't want to help, he won't move in and keep more distance from her.

Li Baiqing accepted it.

She needs every chance to get away from Timothy Greene.

Li relaxed and looked at them: "Give me a bunch. I haven't eaten these things for a long time."

Juliana Lewis looked up at Li Baiqing: "What's the matter? Am I burnt?"

"No." Li Baiqing pulled the corners of his mouth and said: "The string of Sansao looks a bit spicy. I have been getting angry recently and can't eat spicy food."

Juliana Lewis said, "Well, it's a pity."

She didn't force Li Baiqing, just took back her hand and ate it herself.

Li Baiqing looked up at the landing wine and felt that her eyes made her very flustered.

Li Baiqing lowered his head and didn't dare to think much.

Li relaxed his side head to look at Juliana Lewis and picked his eyebrows.

After eating well, several people walk on the beach, take a walk, help digestion, and then go back.

On the way back, Juliana Lewis said to Hou Chaosi: "I said, you are my person, don't be wronged because of me."

Hou Chaosi smiled at her: "I am not wronged, I am very happy."

That is not a grievance.

She doesn't want to embarrass Sister Wine either.

Timothy Greene stood up: "Miss Hou dirty my coat, help me wash, then I dirty your skirt, I help you wash, reciprocity."

Hou Chaosi looked at him speechless.

Is this how reciprocity is used?

However, Hou Chaosi saw Timothy Greene naturally pick up the skirt she changed, and immediately panicked.

"No, I'll wash my own clothes. I won't bother you."

Timothy Greene: "Don't bother. I'll do the laundry first."

Hou Chaosi saw that since he was leaving, he was in a hurry and rushed forward to stop him: "No, I wash my own clothes."

Timothy Greene behaved very gentlemanly: "This is what I should do, after all, I dirty your clothes."

Hou Chaosi reached out to get the skirt: "Then it's even, no one needs to help anyone wash clothes."

In the evening.

There is a car engine outside.

Juliana Lewis had just finished her work and looked at the woman getting off the car, raising her eyebrows slightly.

She hurried downstairs.

Sure enough, Juliana Lewis saw Hou Chaosi carrying his suitcase.

When Timothy Greene heard the noise, he came out and saw Hou Chaosi coming out with his suitcase.

"You're leaving?"

Hou Chaosi looked light: "Yes."

Say that finish, also ignored Timothy Greene, pulled his suitcase, and left.

Timothy Greene was black and calm, and then reached for Hou Chaosi's suitcase.

Timothy Greene's face was as black as ink, and he let go with cold face.

Season Xiangyang smiled gently, pulled the suitcase and walked out.

Juliana Lewis sent them to the car. She watched Ji Xiangyang put the suitcase in the trunk, and opened the door very gentlemanly, covering the roof with her hand.

The whole person is personable and gentle.

This is a very cultured gentleman, and he is still very handsome.

The point is that it is similar to Timothy Greene's temperament, not Sebastian Yates's playboy.

Hou Chaosi got on the bus, didn't see Timothy Greene come out, his eyes were deep, and then waved goodbye to Juliana Lewis.

Juliana Lewis waved and watched the car leave before turning into the living room.

"I really didn't do anything else, just say these words."

Juliana Lewis stared at Hou Chaosi for a while and smiled: "It'd better be so."

Li Baiqing turned around, looked at the back of landing wine upstairs, and lowered his eyes.

This Juliana Lewis.

In the evening, old Mr. Leach came back for dinner and watched Hou Chaosi leave.

"Why did you come for more than half a day and leave? Is it wronged here?"

Li Baiqing bowed his head and said apologetically, "I'm sorry grandpa, I said something bad, which made Miss Hou wronged, and she moved away."

"I have apologized to Miss Hou."

Old Mr. Leach frowned at her: "These two days, you don't go out, I call a etiquette teacher, Si Pin teacher, and give you a lesson again."

Li Baiqing's face turned white, but he didn't refuse: "Yes, I listen to Grandpa."
