Chapter 1461 The Enemy-

Su Han cited ah, looking at Juliana Lewis in doubt: "Is it the one who carries the pot?"

Juliana Lewis gave a cry.

Su Hanyin scratched his head impassably: "How can it be the back pot? The evidence we found all points to her."

Su Ran is not a smart person, so it is easy to find it along IP.

Juliana Lewis smiled: "Su Guochang and Su Ran haven't died so much, and there is no private detective, so they don't want to take pictures of Ah Cheng."

"So, there is a greater temptation."

Su Hanyin still couldn't figure it out: "Is that person Bai Chunhua?"

Juliana Lewis looked up and looked at the blue sky with white clouds floating. "I don't know."

But she doesn't feel Bai Chunhua.

Who is it?

Su Guochang and Su Ran didn't know at all. Is it true that they said Bai Chunhua?

In those days, did Aaron family really not participate in the death of her parents and her death at all?

Before Juliana Lewis figured it out, he saw Timothy Greene at his doorstep.

Timothy Greene's voice was pale and weak. "Manman, I'm afraid."

He has given up, and it is good to be friends.

But the enemy, he can't accept it.

It's cruel to him.

Juliana Lewis said to him: "Brother Ting Shen, face up to your heart. Sisi is a good girl. Don't live up to her."

She doesn't want to say much about Bai Chunhua.

How can I put it? She thinks Bai Chunhua may also be a back pot.

Someone wants to provoke her and Timothy Greene?

Timothy Greene nodded. "Okay."

Hou Chaosi is her friend, and he will be kind to Hou Chaosi.

Timothy Greene didn't know what to say, so he didn't sit down.

As he was leaving, he said to Juliana Lewis, "Don't worry, I won't cover for my mother."

He won't bail his mother. All he can do is wait.

Li Baiqing's voice was anxious: "But, Sansao, think about Timothy Greene, your relationship..."

Juliana Lewis interrupted, her voice colder. "Timothy Greene and I are friends. It's as simple as that."

"Besides, he doesn't ask me for help, and he doesn't want to cover up. What do you do?"

Li Baiqing's voice is low and seems to be shy: "Because I am Ting Shen's fiancée."

"If I don't help, what should he do? It will be very sad."

Juliana Lewis frowned.

Suddenly, I just don't like Li Baiqing's tone.

Like showing off with her, show off that Li Baiqing is Timothy Greene's fiancée.

This tone of declaring war and showing off like a rival in love is not suitable for her.

"I don't even give face to Timothy Greene's own mother. I will give the face of his fiancée?"

Juliana Lewis sneered: "Also, Qingqing, you haven't married yet. As you said, we are a family now."

"But now, do you want me to spare a suspect who is likely to kill my parents?"

Hou Chaosi was amazed: "I went to bail?"

She still remembers Bai Chunhua's attitude towards her.

However, Bai Chunhua is Timothy Greene's mother after all.

Li Baiqing said, "You are a victim in this matter. If you don't pursue it, you can be released on bail."

Hou Chaosi frowned: "I don't seem to have any position to bail, do I?"

Li Baiqing said with a smile: "Aren't you and Ting Shen good friends?"

"I think Miss Li, as Mr. Gu's fiancée, has this position, so I will not get involved."

"If Miss Li is all right, then I will hang up."

Hou Chaosi said, and he was about to hang up the phone.

Li Baiqing quickly said: "Sisi, do you want to be deeply sad?"

Hou Chaosi frowned: "How he is, it has nothing to do with me. Miss Li doesn't have to think much."

Juliana Lewis saw the message from Hou Chaosi and bowed his head and chuckled.

"Hou Chaosi: Wine sister, the law is not allowed."

I didn't say much else, but this sentence shows Hou Chaosi's attitude towards Bai Chunhua's arrest.

Very good, not bad.

This silly girl is not a love brain.

Who would have thought that the person who once regarded her as a rival in love is now her number one fan.

But soon.

The next day.

Juliana Lewis saw Bai Chunhua, dressed in gorgeous and expensive clothes, if not pale and tired.

With that graceful posture, I can see that she is a rich wife with a moist life.

Bai Chunhua specially waited for landing wine and came to her house specially.

Timothy Greene was silent for a moment and said, "I see."

It's not that he can't let go.

But felt that he owed her too much.

If it weren't for him, she wouldn't have died.

Even if she lives as another person now, Miranda Sanchez is dead.

Juliana Lewis hangs up the phone and calls her three brothers.

The third brother answered her phone, and his voice was exaggerated: "It's Younger. Why are you always free today? Call me?"

Generally, Juliana Lewis doesn't call him casually.

Juliana Lewis asked him: "How is Bai Chunhua's investigation? Is there no suspicion released, or is someone released on bail?"

The third brother said, "Everything she can find out is clear. Except for some dirty things in previous years, other things have nothing to do with the Simmons family."

"But it was supposed to be detained for 48 hours. Li Baiqing didn't know what contacts he had left. Anyway, he came to bail people out in the morning."

Li Shilong, he's awake!

Wake up without warning, that is, wake up.

All the people in Li's family appeared in the hospital.

When Juliana Lewis heard Li Shilong wake up, he paused and thought he had misheard him.

Again and again, Li Shilong is really awake.

Although Li Shilong is awake, it seems that no one in Li's family has been happy about it, but each has his own ideas.

Juliana Lewis stood by and observed everyone's expressions.

Old Mr. Leach was leaning on crutches, and his face was gloomy. He really didn't hide any of his unhappy emotions.

For this son, he didn't expect to wake up at all.

I even think that it is best to be a vegetative person and sleep forever.

Li relaxed expression some strange, full of inquiry doubt, even disgusted looking at Li Shilong.

Well, I can see that there are still some regrets.

As if regretting, I didn't hear the news of Li Shilong's death, but heard about his Allen Su.

Juliana Lewis hasn't gone far, just to see Li relaxed.

She frowned, looked up and asked Benson Leach, "What's wrong with him, second brother?"

Benson Leach: "I think of my ex-girlfriend."

"Ex-girlfriend?"

Juliana Lewis was puzzled.

In fact, Li Songjin is an impenetrable person, and he doesn't look like a deep feeling person.

Benson Leach: "I don't know much about his ex-girlfriend. After all, I didn't grow up in F City."

"It's just that there was a reunion dinner for one year. I accidentally heard the corner and said that the woman was a gold worshipper, what bad goods, and she could sleep when she gave money."

Benson Leach is several years behind Li Songjin.

At that time, when he heard this, he was not yet eighteen years old.

Li relaxed his voice was cold: "Li Baiqing, once again, she is not! She doesn't look like it!"

"Let me hear it again, believe me, I won't let you do whatever you want in this home."

Li Baiqing shrugged and turned and left.

...

After reading Li Shilong.

The next day, Juliana Lewis took Benson Leach to see Yang Laotou.

Yang Laotou looked at Benson Leach, not with his nose or eyes, and he didn't like it anywhere.

Then he told Benson Leach to do things, cook, wash dishes and mop the floor.

Uh, he even cleaned the toilet.

Benson Leach smiled and asked her, "Are you distressed by the sunburn?"

"It can't be?" Juliana Lewis shook his head with wide eyes and said, "If I get ugly in the sun, I want to change my old age... Hmm."

Before the words were finished, Juliana Lewis's lips were blocked.

Just a moment, a little touch.

Because of Benson Leach's straw hat, it blocked some distance.

Benson Leach looked at her calmly. "Don't talk nonsense."

"I..."

Benson Leach glared at her. "You can't joke."

Juliana Lewis listened to the heart sweet: "Overbearing ghost."

Juliana Lewis put sunscreen on Benson Leach and was hastened into the house by him.

The sun was shining outside, and he couldn't bear her coming out to bask in it.
