Chapter 1471 Where-

Jiang Lisha's death and Jiang Lisha's confession are just for Li Shilong.

Li Shilong has done too much, and she doesn't want him to get away with it.

Yang Laotou: "If there is evidence, you can let it go."

Juliana Lewis looked up at Old Man Yang.

Yang Laotou couldn't help rolling his eyes, and knocked on the desktop with his hand, which was quite hard.

"You girl, if it weren't for the only female apprentice I brought with my own hands, you would have been expelled from your master and cleaned up your door."

Juliana Lewis smiled coquetry and flattery: "Master is the best."

Old Yang shook his head helplessly.

Juliana Lewis accompanied Yang Laotou to play chess, and they talked casually, talking about Benson Leach and Sebastian Yates.

Juliana Lewis hasn't had time to teach Sebastian Yates recently.

Yang Laotou, the master, took on the responsibility of Juliana Lewis, the master, and taught him a lot.

Yang Laotou said that Sebastian Yates was coquetry to Juliana Lewis alone and manly to others.

Juliana Lewis wanted to roll her eyes when she thought of a big man in Sebastian Yates and called her master and father.

After Li Shilong woke up, he was discharged from hospital within a few days.

The whole family eats in the old house again.

Xia Yunzhu poured the wine and said with a smile: "The wedding between Beicheng and Xiaojiu is coming soon. When Shilong wakes up at this time, it is also a double happiness."

"I propose a toast to everyone."

Xia Yunzhu said, and drank himself.

Juliana Lewis looked pale.

Benson Leach didn't give any good face and sneered: "Don't wake up before my uncle, and there was an accident at my wedding."

Juliana Lewis looked up at Benson Leach.

Old Mr. Leach stared at Benson Leach: "Every day, don't crow mouth, your wedding with Xiaojiu must be grand and smooth."

"Whoever dares to make trouble at your wedding, I will definitely let them get out of the house."

This, old Mr. Leach is warning.

Li Shilong was still sitting in a wheelchair, smiling and changing the subject: "I heard that Qingqing is engaged to Timothy Greene? Is this a triple joy?"

If old Mr. Leach can't walk fast, Juliana Lewis will keep up with it in three steps and two steps.

She helped old Mr. Leach: "Grandpa is angry. It's no big deal. Don't be angry with your body."

Old Mr. Leach's face was black. "Don't talk to me now."

"Grandpa."

Old Mr. Leach was still angry: "Don't talk, try to swear."

Juliana Lewis was helpless: "All right."

She could tell that old Mr. Leach was really grumpy and wanted to swear.

Because it was her, the old man put up with it.

Juliana Lewis helped old Mr. Leach to walk slowly and walk.

Old Mr. Leach was silent, always breathing deeply and then exhaling deeply.

It is obvious that old Mr. Leach is adjusting his emotions.

Raising children, like opening a blind box, may be full of surprises or fears.

Old Mr. Leach sighed long.

Juliana Lewis and old Mr. Leach have gone away.

In the corner, a servant came out.

She has a mobile phone in her hand, and the picture is in the video.

The servant was very flustered: "Did I just hear some secret that I couldn't listen to?"

This is a little servant who is video chatting with her boyfriend.

Her boyfriend comforted her: "It's okay, it's just a small topic. It's good that you didn't hear it."

Benson Leach frowned at her and asked worriedly, "What happened to Grandpa?"

Juliana Lewis looked at him gravely and said, "Grandpa, it seems that he has been given the same neurotoxin as you, and he is easy to be irritable."

Benson Leach was shocked and angry.

"You said Grandpa was given this neurotoxin?"

Looking at the landing wine and nodding, Benson Leach was very worried: "Is it serious? Will it be like me?"

No wonder Grandpa loves to lose his temper recently, even when he is facing him, he loses his temper inexplicably.

Although there has not been a beating, Juliana Lewis has noticed it, which can only be said to be really serious.

Wrong.

Benson Leach asked Juliana Lewis, "You mean as if? Not sure?"

With Juliana Lewis's ability, she didn't say what she was sure of, but just now she said it was like.

Juliana Lewis nodded gently: "Well, because I'm not sure if it was by poisoning or by some other means."

"If Grandpa hadn't become more and more serious, I wouldn't have noticed it."

But if she cares about someone, she will really give her life to protect her.

This is Juliana Lewis, his favorite Juliana Lewis!

The next day.

Old Mr. Leach was very happy to hear that Juliana Lewis was going to stay.

"Xiaojiu, if you are willing to stay, you can accompany me as a Charlie."

Juliana Lewis held old Mr. Leach's arm: "Grandpa doesn't dislike it, so I will stay. Besides, I don't like the old house so much."

"There is a Cheng and a grandfather, this is the home."

Old Mr. Leach was coaxed very happy, and today's mood is much better.

Benson Leach was once again ignored, but he saw that the old man was in a good mood, happy and worried at the same time.

Bai Chunhua can't answer the words. Fortunately, Li Shilong can bring topics, and Li Baiqing is there, which doesn't embarrass the scene.

After almost ten minutes, Bai Chunhua still didn't see Timothy Greene coming down.

She smiled and said to Li Shilong: "Sorry, Ting Shen is having an emergency meeting and can't come down for the time being."

Li Shilong: "It doesn't matter, men's career is the most important."

Bai Chunhua sat for another two minutes, then deliberately wet his clothes with tea, said excuse me, and went upstairs.

Li Shilong looked at Li Baiqing sideways: "He didn't take you to heart. What do you see in him?"

Li Baiqing: "There are so many reasons to like it. Anyway, my father thinks it is good, doesn't he?"

Li Shilong: "Then you have to hurry, there is not much time."

Upstairs.

Bai Chunhua angrily went directly to open Timothy Greene's door.

Before Bai Chunhua could slow down, he saw Timothy Greene holding his fist and calling down her forehead combatively.

This fist, she felt, would be killed!

Bai Chunhua's frightened eyes widened, and the feeling of death came.

However.

Timothy Greene's fist, at the moment when it was about to hit her, turned sideways and hit the easel.

Bai Chunhua can smell a trace of blood.

"Get out of here!"

Bai Chunhua didn't dare to think much about it. He rolled and climbed up and rolled out of Timothy Greene's room.

At this moment, Timothy Greene really wants to kill people, want to kill her mother!

Timothy Greene stood there with his hands hanging down on his sides.

He hit the easel, hurt his fist, and fell to the ground with blood ticking.

He was silent, trying to bear the urge to kill.

Bai Chunhua played a round field: "It's not what you think."

"Yan Shen feels that his grandfather didn't die long ago, and he is engaged now. It is too early and will be discussed before he says this."

Timothy Greene only said his own: "Li Baiqing and I will not be engaged, let alone married."

Bai Chunhua's angry voice rose: "Timothy Greene, that's your grandfather's last wish. Do you want to go against it?"

Timothy Greene said: "There is nothing against it. At that time, Grandpa was confused. He just grabbed Li Baiqing's hand and said that he was married, but he did not name Li Baiqing."

"I think, at this time, as long as a woman stands in front of Grandpa, Grandpa will let me marry that woman."

"Li Baiqing just took the lead."

Bai Chunhua heard this, and some guilty eyes Li Baiqing.

Timothy Greene's hand, already on the door, saw this and took it back.

Hou Chaosi smiled and said to the men around him: "Teacher Lu, thank you for sending me home. Just send me here. I will go up myself."

Lu Yao is the best actor, with top traffic, good-looking and handsome.

Is called a national boyfriend.

Lu Yao sent her home, but she was still under great pressure, so she was afraid of being photographed by paparazzi, and then she rubbed it tomorrow and went on a hot search.

Lu Yao said with a smile: "Sisi, you don't have to be so polite to me. It is a great honor to send girls home."

Hou Chaosi: "That's not polite. We are all people in the circle. If this is photographed by paparazzi, we will be bad. I don't want to have gossip."
