

Got Busted 1481

Chapter 1481 is about-

Timothy Greene stopped and looked up at Bai Chunhua coldly. "So? What do you want to say? Or do you want me to do something?"

His tone is very gentle.

But this time, Bai Chunhua saw the coldness from his eyes.

Bai Chunhua felt that he was not really obedient, and he was probably breaking out.

In the end, Bai Chunhua said: "Nothing, I just care about you, and you can't sleep well recently."

"Call a doctor to see you tomorrow?"

This time, don't mention the engagement with Li Baiqing.

Timothy Greene didn't resist, and then went upstairs.

Bai Chunhua heard the sound of closing the door and breathed a sigh of relief.

That's horrible.

Benson Leach saw that Juliana Lewis was still thinking deeply, put her hands on her temples, and pressed her gently.

"It's late, don't think about it, go to bed early."

Juliana Lewis said, "Go to sleep."

The next day.

Juliana Lewis doesn't go to work, so he has to accompany old Mr. Leach out.

Recently, I have eaten a lot of medicated diet, and Juliana Lewis often accompanies me. old Mr. Leach's spirit is much better.

Today, at Juliana Lewis's insistence, he walked slowly with crutches instead of wheelchairs.

Old Mr. Leach smiled and pleaded his face: "Little wine, you don't have to accompany me at home specially. You should go to the company if you want to go to the company."

Juliana Lewis helped old Mr. Leach: "Grandpa, I was tired. In your name, I was lazy at home."

When several old people saw it, they laughed at old Mr. Leach: "Lao Li, you can, you can't fight yourself, you can't bully us."

"I called my grandson's wife who can't do anything. We are going to release water."

One of the old people smiled and said, "In the words of young people now, it is to put Pacific water."

Old Mr. Leach looked at Juliana Lewis, but he didn't like being laughed at by a group of old men.

He snorted proudly: "Don't be too proud, my grandson's daughter-in-law is fierce, so I don't want you to release water."

"Come on, stop talking nonsense and fight."

Old Mr. Leach also said to Juliana Lewis: "Little wine, don't look at my face, let go of playing."

Juliana Lewis smiled. "Okay."

Several old people originally wanted to release water to Juliana Lewis, but after a while, they began to take it seriously.

Soon, I began to get nervous.

In the end, I couldn't do it.

Juliana Lewis really can't play table tennis, but she is very fast and serves quickly and accurately.

Juliana Lewis accompanied old Mr. Leach and played around these Charlie, playing whatever he could.

Once in a while, put water and chat.

It was not until it was time to go home for dinner that it was over, and old Mr. Leach was repeatedly told to take Juliana Lewis with him tomorrow.

Old Mr. Leach is beaming and full of vigor today.

"Xiaojiu, you are really amazing. The former Charlie were not convinced of me."

"Today, when you shoot, you are all convinced, and you are envious and jealous of me."

"Fortunately, I was superstitious and asked Beicheng to marry you home."

Juliana Lewis smiled: "Grandpa, don't exaggerate, how embarrassed."

Old Mr. Leach: "Don't be embarrassed, you are so powerful that you just want to say it and let everyone know."

Juliana Lewis smiled and asked, "Have Grandpa been friends with them for decades?"

Although Juliana Lewis just played with them today, she observed a lot when chatting.

Seeing old Mr. Leach's white face, Juliana Lewis quickly asked him, "What happened to Grandpa?"

Old Mr. Leach slowly looked up at Juliana Lewis. "Wine, tell me the truth."

"Huh?"

Juliana Lewis was stunned at old Mr. Leach's serious face.

"What's the matter, Grandpa?"

Old Mr. Leach stared at the landing wine and asked her, "Am I terminally ill?"

Juliana Lewis pulled the corners of his mouth speechlessly: ...

Old Mr. Leach asked her pale, "Is there no cure?"

Juliana Lewis: "No, Grandpa..."

Old Mr. Leach stared at the landing wine. "Just tell me how many lives I have left, so that I can prepare for the aftermath."

Juliana Lewis is really in distress situation: "Grandpa, you are not terminally ill, really."

Old Mr. Leach broke his face. "I must be dying soon, otherwise why do you suddenly obey me so much and accompany me?"

Old Mr. Leach said: "I didn't think about it, but I was tired. I want to sleep."

Say that finish, old Mr. Leach lay down with his back to the landing wine, and said nothing.

Juliana Lewis: ...

Sure enough, Charlie is also stubborn.

Juliana Lewis said, "Then take the medicine first."

Old Mr. Leach didn't talk to Juliana Lewis, but she listened to her and sat up to take her medicine.

He looked at the extra pill in his hand.

Juliana Lewis looked at him: "Calcium tablets."

Old Mr. Leach tugged at the corners of his mouth. "Wine, are you deceiving me as a three-year-old child or as an old man with Alzheimer's disease?"

Juliana Lewis was in distress situation: "I really keep fit, you are fine, don't you think you are more energetic these days?"

Benson Leach said: "Look at Li Baiqing's information abroad."

Juliana Lewis took out the contents of the folder, which was marked with some important things of Li Baiqing, such as which school he studied in and what he got.

There are also photos of Li Baiqing before.

It is a photo of a period of time, green and immature, and then, almost completely changed a person.

Juliana Lewis looked at it over and over again. "Do you see anything?"

This includes photos of Li Baiqing's injury and cosmetic surgery.

Benson Leach: "No, from these investigations, they are all normal."

Juliana Lewis can't see anything. She doesn't know Li Baiqing well and doesn't know as well as Benson Leach.

But if Benson Leach can't see it, is there really no problem?

Benson Leach looked at the time, took the document from Juliana Lewis's hand, and said gently, "Well, it's late, go to bed."

Juliana Lewis is a little tired.

She nodded: "OK, go to sleep."

She suspected that Li Baiqing had changed himself.

Benson Leach has been holding the landing wine, and his movements are careful.

He could feel that she was still awake, quiet, breathing softly, as if she didn't exist.

At this moment, Benson Leach was in panic.

Benson Leach bowed his head and kissed Juliana Lewis's forehead. He asked her carefully, "Wine, talk, huh?"

If you can't sleep, just talk.

Such silence made him very uneasy.

For a long time.

Benson Leach thought Juliana Lewis couldn't speak, but she spoke.

She asked, "Do you think she will blame me?"

"Hmm?" Benson Leach was stunned. She didn't know who he was.

Juliana Lewis looked at the ceiling with his eyes open.

It was already dawn, and the room was dimly lit.

Juliana Lewis spoke slowly: "Juliana Lewis."

When Benson Leach saw Juliana Lewis open his eyes, he looked out of the window in a daze and stood in front of her.

With the shadow of Benson Leach, Juliana Lewis narrowed his eyes slightly, and his eyes slowly rose from his abdomen to his face.

At the moment, come to my senses.

"Mr. Li."

Benson Leach bent down and looked Juliana Lewis in the eye. "Wine, don't scare me."

Juliana Lewis sat up and looked up at Benson Leach. "Afraid the real Juliana Lewis is back?"

Benson Leach finally breathed a sigh of relief when she heard this. "Well, neither."

Juliana Lewis's abnormality last night made Libei bear the heart.

She used to be very restrained, but last night she was frantically begging, and he was almost exhausted.

The first time I know, I feel powerless.

Juliana Lewis smiled, put his arm around Benson Leach's neck and rubbed his face. "Don't worry, it won't."

Last night, her mood was affected by that dream.

Juliana Lewis thought of coaxing Charlie today, but he was helpless.

Benson Leach said to old Mr. Leach, "Grandpa, it's almost enough. I haven't been so coaxed by wine yet."

Old Mr. Leach turned his back again: "Hum."

Benson Leach said: "Then you are angry by yourself. Wine and wine have no strength to coax you today, and they don't have the spirit."

"..."

Benson Leach put Juliana Lewis down and said to her, "Wait here while I cook noodles in the kitchen and go back to my room to rest after eating."

It's three o'clock in the afternoon, and Juliana Lewis won't go out again.

Benson Leach didn't go out during the day, but he still had to go out after Juliana Lewis finished eating noodles.

He still has a lot of work today, and he wants to meet his partners.

Old Mr. Leach sat on the sofa, looking at TV, but didn't look in at all.

He waited and waited, and didn't wait for Juliana Lewis to come to him.
