Chapter 1511 Code-

Juliana Lewis, with a cry, took the runaway Hou Chaosi away.

Hou Chaosi really wanted to go up and beat him up.

Juliana Lewis almost missed her.

Lin Yin looked up at Cao Xi and smiled and asked him, "Mr. Cao, can I go in?"

She asked calmly, and the smile on her face was also so gentle.

Cao Xi didn't see resentment or missing from her face, just like at the beginning.

He is just Mr. Cao and she is Miss Lin.

They are so strange.

Cao Xi stepped aside and let Lin Yin in.

The door is not closed.

Juliana Lewis and Hou Chaosi are sitting on stools in the yard outside, and can see the house.

Cao Xi went to the kitchen, poured out a glass of water and put it in front of Lin Yin.

It's a glass of lemonade.

Lin Yin looked at the lemon floating in the cup and trembled her eyelashes.

She likes lemonade very much. It is sour and sweet, and it will be bitter if the seeds are not removed.

After being with Cao Xi, he made her lemonade with his own hands.

Cao Xi explained: "The day before yesterday, my wife just bought it and said lemon awakens me."

Lin Yin closed her eyes and didn't go to drink the lemonade.

In the yard.

Hou Chaosi sat for a while, then he couldn't sit still. He stood up and walked back and forth in front of Juliana Lewis.

She looked inside: "Wine sister, what do you think they are talking about?"

Juliana Lewis grabbed her: "Don't sway in front of me, I'm stunned by you."

Hou Chaosi gave a cry: "All right."

Chapter 1512 Love-

"Lin Yin is too poor. She just wants to be an artist, but she was cheated by Palm Treasure Company to be a prostitute on the screen."

"When Cao Xi broke the news, it was introduced by Juliana Lewis, not a simple introduction."

"Lin Yin was forced by Zhangbao Company, right?"

"Lin Yin's apartment downstairs, there are a lot of security guards, and you have to swipe your card to get to her floor. Is this imprisoned? Help, what age is it, and there is such a dark place."

"..."

Most people on the Internet began to attack Zhang Bao and Juliana Lewis.

Lin Yin stood up at the first time.

"Lin Yin: Juliana Lewis is a very good boss. She accompanied me out of the trough of my life. Even after this incident, I still believe in me.

If my life is dark, Juliana Lewis is the beacon that illuminates my life.

My good fortune in life is to enter Zhangbao Company and become an artist in Juliana Lewis. At the beginning of Cao Xi and I, there was no money transaction. "

Hou Chaosi finished filming and didn't get his mobile phone until almost twelve o'clock in the evening.

When I saw that the painting style on the Internet had changed, I really couldn't wait to incarnate into the computer and beat these people up.

"Hou Chaosi: Please, don't grow a head, just use it to hold bean curd residue, okay?

Think about Juliana Lewis's identity, the richest wife! Can you count the property of Li's family?

She doesn't pay attention to the money in the entertainment industry, okay?

As long as she wants to, there has always been only such people as Cao Xi, who are rushing to ask her to invest, okay?

Please, go out without your brain, and don't put your brain in your belt at home, just surf on the Internet! "

Hou Chaosi is really angry.

One after another, all kinds of throwing out her family background, throwing out her current social status.

Don't say it's Juliana Lewis, it's Hou Chaosi's own family background, which is enough for Cao Xi to hold her smelly feet.

"You have all deviated from the focus. This chat record is true. The chat record exposed by Cao Xi before is fake."

"Cao Xi forged fake chat records? Still started so early?"

"The truth is that Cao Xi took the initiative to hook up with Lin Yin. He did not say that he had a wife and children from beginning to end. Lin Yin was cheated."

"Even if you were cheated at first, then Lin Yin is Mistress, is there nothing wrong?"

"Later, Lin Yin also knew that Cao Xi had a wife and children, and in order to be superior, he harassed the original match several times, and the original match was harmful to abortion. Is it not fake?"

"It was pitiful that Lin Yin was cheated at the beginning. Later, I knew that it was Mistress and I had to be in the upper position. That is hateful."

In response to these problems, Juliana Lewis quickly issued a second evidence.

That is, Lin Yin and Cao Xi were together, and the selfie was sent, that is, the family photo hanging on the bedside, which was taken by P.

"Juliana Lewis: The family photo of P is very good. No P will be allowed next time."

Netizens are crazy with joy.

Is this okay?

But according to Juliana Lewis's release, the photo of the family photo was indeed taken by P.

"In fact, P's technology is very good. If it weren't for Juliana Lewis's little analysis and comparison, I didn't find that P went up."

"P's technology is so good that it can be discovered by Juliana Lewis. It's amazing, my Boss Wolfgang."

"This Cao Xi is simply seeking a hammer. What does he want to do? Is it because he wants to evade responsibility to frame Lin Yin again and again?"

"Look, Juliana Lewis has released evidence again."

Juliana Lewis released new evidence without too long interval.

"Juliana Lewis: Information harasses the original match? I don't know how to harass her existence. The voice is dubbed by someone, the information is false, and there is abortion. Hehe, Lin Yin wants to leave some face for Cao Xi, then I will not say it."

The evidence released by Juliana Lewis is the real voice of the dubbing person. After identification and comparison, the person who called the original match is not Lin Yin at all.

"Cao Xi didn't come out. Juliana Lewis didn't even turn over the hammer."

Of course, Juliana Lewis is also worried that Lin Yin will easily forgive Cao Xi, and he is unwilling to see such a situation.

But just because she doesn't like it, Lin Yin must be forced to listen to her and follow her thinking.

Hou Chaosi thought, too, and didn't say much.

Juliana Lewis asked her, "What about you?"

"Huh?" Hou Chaosi is a little embarrassed: "What do you mean by me? Didn't I film well recently?"

Juliana Lewis chuckled: "You know Timothy Greene and Li Baiqing broke off their engagement, right?"

Hou Chaosi sipped his lips: "It has nothing to do with me."

Is this the dissolution of the engagement?

Clearly, a few days ago, Li Baiqing was still with Timothy Greene, and they also...

Thinking of these, Hou Chaosi laughed jokingly: "Sister Wine, I don't like him. I see more handsome beautiful men. I want to like others."

Juliana Lewis raised his eyebrows: "Is it Lu Yuan?"

Hou Chaosi said, and she began to think: "Sister Wine, what did I have with Lu's predecessors, which led you to misunderstand our simple relationship?"

Juliana Lewis: "That's not true. It's just that Lu Yuan is in a community with you, and listening to the people in the crew, he takes good care of you."

"The paparazzi are also trying their best to dig up your materials, and the company doesn't know how much it bought."

Hou Chaosi stared wide-eyed: "Have you been photographed? No, is it? I have always kept a distance from my predecessors Lu."

That's Lu Yuan, who is super handsome and a national boyfriend.

That is, if you send a selfie casually, there will be hundreds of thousands of people who can hang on the hot search for three days.

Hou Chaosi felt that how hard she was to provoke Lu Yuan.

Lu Yuan's girlfriend powder and wife powder will really drown her.

For these fans, Hou Chaosi still has the feeling of cult powder. Anyway, she doesn't like Lu Yuan's fans.

Juliana Lewis raised eyebrows: "You don't know, I have seen a photo, that is, you and Lu Yuan, kissing photos."

However, it soon passed.

Cao Xi came out and made a statement.

First, I apologized to Lin Yin, and then I said the whole thing again.

Didn't say anything else, just said the truth of his relationship with Lin Yin, and then expressed his apology to Lin Yin.

As to why he did this, he never said it.

...

Juliana Lewis went to Zhangbao Company. After several days of fermentation, Lin Yin also came to the company.

Juliana Lewis drove into the company garage.

At the gate, I saw Cao Xi.

Juliana Lewis asked the security guard, "How long has he been standing here?"

"Come very early."

Juliana Lewis said, as if he hadn't seen it.

She went upstairs to see Lin Yin, who was looking at the recent variety invitation and some screenplays.

Lin Yin is discussing with Logan what she wants to pick up and which is suitable.

Logan shouted, "Boss Wolfgang."

Lin Yincai found her and smiled at the landing wine: "Boss Wolfgang."

Juliana Lewis nodded lightly and looked outside.

Lin Yin said with a smile: "I know Cao Xi is waiting below. I didn't want to see him."

Juliana Lewis smiled: "Well, take care of your private affairs and make yourself happy. There are many choices in life."

"Thank you, Boss Wolfgang."

Lin Yin heard this and laughed: "That is really my fault."

She was fragile. She had witnessed Mrs. Mu's death, so they chose her.

In this way, she is really too good to attack.

Cao Xi looked at Lin Yin apologetically: "Sorry, Yinyin, can you forgive me?"

Lin Yin looked up and asked him, "Do you think I can forgive you?"

"Cao Xi, do you think it's ok?"

Cao Xi really wants to say, try again.

But for Shang Linyin's tearful eyes, he always lowered his head: "I'm sorry."

He approached her with a purposeful mind, but fell in love with her, but finally hurt her.

It shouldn't be, he should be ashamed.

Lin Yin said to Cao Xi: "You give me the phone number of that person and I will contact him."

Cao Xi looked at her puzzled: "What?"

Lin Yin said, "I want that person's phone number."

Cao Xi frowned and asked her, "Yinyin, what do you want his phone for?"

"Such a person, even Juliana Lewis, dares to calculate, obviously not afraid of the power of the Li family."

"Knowing such people will not lead to good results."

He was forced when his child was taken care of and forced.

Cao Xi doesn't want Lin Yin to be involved with such people.

Lin Yin sneered and looked at Cao Xi straight: "Do you think I won't hate?"

"Why was I chosen? I was brought into trouble by Juliana Lewis."

"If it weren't for Juliana Lewis, I wouldn't be elected. I wouldn't be reviled by everyone and exposed to those dirty things."

Juliana Lewis looked at Lin Yin, who was startled, and asked her worriedly: "What are you thinking? You are so absorbed."

Lin Yin smiled, pointed to the ground and said, "Think about it, because of that incident, the friendship with Boss Wolfgang was a little better."

"At that time, I felt that Boss Wolfgang was not so inhuman."

Before witnessing Mrs. Mu jump off the building.

Lin Yin has always held the idea that she is the boss, can't befriend, and should respect and alienate Juliana Lewis.

But after that, Juliana Lewis came to her house worried and accompanied her.

Although she still regards Juliana Lewis as her boss, in her heart, Juliana Lewis is already her friend.

But she is not Hou Chaosi after all, and she dare not show it on the bright side.

It's good to keep the distance between the boss and employees rationally.

Juliana Lewis chuckled: "I don't look so difficult to get along with, do I?"

Lin Yin smiled and waved his hand: "No, no, it is my own reason and has nothing to do with you."

The employees of the company are very good with Juliana Lewis, but she is afraid of herself.

People like her are lucky to join the company.

Juliana Lewis and Lin Yin entered the company.

Juliana Lewis asked her, "Have you gone to see Cao Xi?"

Lin Yin told her when she was going to see Cao Xi.

Lin Yin nodded: "Well, yes, he doesn't know who it is. If he doesn't ask, I will forget it."

"He also said that in his ex-wife's place, he will not just forget it and will give me an explanation."

Juliana Lewis raised his eyebrows slightly, but he didn't answer this sentence.

Lin Yin said: "Cao Xi also begged me to give him a chance."

She asked Juliana Lewis, "Does Boss Wolfgang think I can give him another chance?"

Juliana Lewis thought about it and said, "Personal opinions should not be given opportunities. After all, no matter what the reason, harm always exists."

"However, everyone's character is different and love is different, so it depends on personal choice."

Because the next day is the wedding.

Even if Benson Leach loathe to give up, he still hangs up early and lets Juliana Lewis go to bed early.

"Looking forward to tomorrow, good night."

Juliana Lewis raised his lips and chuckled, "Good night."

...

After hanging up the phone, Juliana Lewis thought she would take a bath and sleep calmly.

But after taking a bath, Juliana Lewis was sweet in his heart, giving birth to the feeling of expectation, and then a little excited.

She began to be unable to sleep.

At this time, Juliana Lewis had a strange feeling.

She's getting married tomorrow.

Clearly, Benson Leach and me are also old wives, and they all got marriage certificates.

However, for the wedding, I am really looking forward to it.

Every girl wants a wedding of her own.

It's the wedding of the one she loves and the one who loves her.

After losing sleep for a while, Juliana Lewis felt sleepy and sent a message to Benson Leach.

"Good night."

Benson Leach was too excited to sleep. He read the message from Landing Wine and understood that she was in the same mood as him.

Benson Leach replied to her: Good night, see you tomorrow.

See you at the wedding tomorrow.

Benson Leach, who finally calmed down, got excited again.

Juliana Lewis felt that he squinted and fell asleep, and was woken up by Hou Chaosi again.

"Wine sister, get up."

Juliana Lewis was confused, saw Hou Chaosi, and buried his face in the pillow: "I am so sleepy, I have to sleep."

Hou Chaosi smiled: "Get up, the makeup artist is here, get up and eat a little first, and after putting on makeup for a while, it will be difficult to eat."

Su Hanyin didn't really embarrass Benson Leach.

With such a big red envelope and Benson Leach's answer, it was impeccable for him.

"My question has been finished, you can help stop it."

The group of relatives and friends here in the Simmons family is also for the sake of excitement. If there is a little problem, it will not go too far.

On the contrary, it makes the atmosphere lively and joyful.

Timothy Greene watched Benson Leach wearing a straight suit and a groom on his chest, and smiled and answered the questions with ease.

Sometimes, I can say something, which makes people laugh on purpose.

Soon, everyone's mentality of fearing Benson Leach changed, and they felt that he was not as terrible as the legend.

Of course, all this is Benson Leach's concession and attitude for Juliana Lewis.

He loves me, loves my dog.

Timothy Greene couldn't help thinking about himself. If he were himself, could he do what Benson Leach did?

He thought about his mother and what Landing Wine had said to him.

He knows, he won't.

Unless, he gets rid of his indecisive temper.

"If you want to go to the second floor, you must drink 99 glasses of wine and wish the bride and groom a long time."

Timothy Greene, who thought deeply, looked up when he heard this voice.

Then I saw the steps from the first floor to the second floor, filled with cups of transparent wine, which should be white wine.

There is also a red envelope under the glass. Obviously, after drinking a glass, you can get a red envelope.

This kind of atmosphere is enough. D

"Once selected, you can't change people."

At this time, Benson Leach said, "It won't take a minute, it can be done now."

Su Hanyin applauded: "Brother-in-law is good, then it won't take a minute. I will start counting down. You make a good choice and hurry up."

"Ten, nine, eight..."

Benson Leach has looked to the left.

The best men stared at the identical bride, and then looked at one, as long as they didn't compete with Benson Leach.

"Three, two, one, grab!"

As Suhan's voice fell, Benson Leach and the best man group began to move towards their goals.

Because of the need to rush for time, Benson Leach is very fast and rushes to the man in the far corner on the left.

Timothy Greene and Sebastian Yates, both rushed to the first one on the right at the first time, and both of them held out their hands to the bride at the same time.

Juliana Lewis sat on the bed, covered with a red hijab, so that with his head down, he could see Benson Leach's hand.

Although there was only one hand, Juliana Lewis recognized that it was Benson Leach's hand.

Without hesitation, she put her hand on Benson Leach's.

At this moment, her heart was pounding.

Originally nervous mood, now, all down-to-earth.

With Benson Leach around, it's really down-to-earth.

Benson Leach held Juliana Lewis's hand tightly.

Two people's palms are a little wet.

It's a rare tension between two people.

Su Hanyin shouted: "You can't lift the hijab yet, and other brides are still holding hands."

He looked up and asked Benson Leach, "Brother-in-law, are you sure you are holding the bride right?"

Benson Leach nodded solemnly and affirmatively: "Sure, I won't mistake wine."

Right.
