

Got Busted 1541

Chapter 1541 Scary--

Juliana Lewis asked Benson Leach, "How are the others?"

Benson Leach said: "It's all right, because the poison is separated in the food, so everyone's situation is different."

"The second brother is young and in good health and eats less, so the situation is almost the same."

"Li Shilong will be heavier, and then Xia Yunzhu's words are just so-so."

Benson Leach said happily: "Fortunately, Grandpa was busy playing with his mobile phone at that time, so he didn't eat much, otherwise it would be too late."

Speaking of this, old Mr. Leach is also very glad.

He reacted and stared at Benson Leach: "What is playing with mobile phones? I am doing business."

Juliana Lewis asked curiously: "Grandpa has always paid attention to the rules of the table, and even played with his mobile phone while eating?"

The rule in old Mr. Leach is that there is nothing important at the dinner table, and you can't talk or play.

Not to mention the impolite thing of playing with mobile phones while eating.

Old Mr. Leach blushed, then glared at Benson Leach and said, "It's not playing with mobile phones and doing business."

"What business?"

Juliana Lewis is still curious. old Mr. Leach has something important and answers the phone. It is impossible to play with his mobile phone all the way.

Old Mr. Leach put aside his face uncomfortably. "Well, it's no big deal."

Benson Leach looked at Juliana Lewis's curious face and said with a smile: "He is scolding netizens. Who said that you are not good, he is like this..."

Old Mr. Leach shouted with a black face, "Benson Leach, I'm your own grandfather."

Benson Leach left him alone, just learning from old Mr. Leach wearing reading glasses and then flicking his fingers to write comments.

Even, I learned from him and helped the picture of reading glasses.

Juliana Lewis saw Benson Leach learn well and laughed out loud: "Grandpa is so cute."

Old Mr. Leach's face was really red, so he simply lay down with his back to the landing wine.

He is an old man, and like a little angry youth, he scolds people he doesn't know on the Internet.

It's really disgraced him.

Lewis smiled happily. This grandfather was

Old Yang glared at Juliana Lewis: "With your body like this, am I scaring you?"

At this time, Juliana Lewis should shut up.

Yang Laotou didn't stay too long. Juliana Lewis just got pregnant and was tired. She needed a rest.

Stay for a while, make sure Juliana Lewis is all right, and then leave.

Benson Leach sent old man Yang outside.

Old Yang looked at Benson Leach, some awkward.

Benson Leach thought of Yang Laotou's pulse reaction before, and his heart thumped and he was a little uneasy: "Master, you have something to say. At this time, it is good to hide wine and wine, and you don't need to hide it from me."

In this way, he will pay more attention.

If anything goes wrong with Juliana Lewis, he is also prepared.

Yang Laotou looked at him and said with great enthusiasm: "Be prepared psychologically. This child may not be born."

Li Bei asked with a heart: "What about wine? Will she be all right?"

Yang Laotou didn't ask about the children when he saw him. He was only worried about Juliana Lewis's health, and his face was slightly better.

Yang Laotou paused, didn't speak, and sighed for a long time.

Bao Jianguo understood it and asked him, "Master, but it has something to do with that?"

Yang Laotou only said: "It depends on the nature of small wine. Maybe it is a good one."

Listening like this, Bao Jianguo couldn't help sighing.

Juliana Lewis has no big problem, just fainted from hypoglycemia, and can be discharged from hospital after intravenous drip.

Benson Leach was not at ease: "Wine, stay for a few more days."

Juliana Lewis looked at him and was somewhat funny: "The hospital is not a good place. I am really fine. Just go back and live."

Benson Leach couldn't beat Juliana Lewis and could only nod in agreement.

Old Mr. Leach can't leave the hospital yet, but he also wants Juliana Lewis to leave the hospital, which is more comfortable than staying in the hospital.

He said to Benson Leach: "Xiaojiu is pregnant now, and her body is definitely different from before. Don't let her get tired, and you should spend more time with her."

After watching old Mr. Leach, Juliana Lewis went to the next door to see Li Songjin.

Li relaxed and young, and looked a little more energetic than old Mr. Leach, but he sat down with some listlessness and didn't know what he was thinking.

Seeing Juliana Lewis come in, he also faintly shouted: "Third brother, third brother and sister."

Benson Leach asked him, "How do you feel?"

Li relaxed and said, "Not bad, where is Grandpa?"

There is nothing serious about his health.

Benson Leach: "Grandpa saved it in time, but he is old. After such a toss, there is still some damage to his body, and he is not as energetic as before."

Li relaxed his strength and said, "It's good to be fine, and the body can be well raised."

He looked up at Juliana Lewis: "I heard that it was you who rescued us in time, so we were fine. Thank you."

Juliana Lewis looked at Li's relaxed look and picked his eyebrows: "How can I look at it? Are you a little disappointed?"

Li relaxed and chuckled: "How can you be disappointed when you save a life?"

Juliana Lewis didn't believe it: "Really?"

His expression doesn't look like that.

Li relaxed and changed the subject, looked at her stomach and asked, "I heard that you are pregnant?"

Li Bei contracted the waist of landing wine: "Just found out, it is not very stable."

Li relaxed and smiled: "You two are really interesting. You were exposed to infertility before and after, and you were pregnant with a child in an instant. This face was really caught off guard."

Juliana Lewis has a happy and gentle smile on his face: "Well, the child is here to repay the kindness."

Benson Leach asked him, "Does the second brother have any doubts about this poisoning incident?"

Li relaxed and replied: "No."

Juliana Lewis whispered: "At least the dosage of your poisoning will not die at all, and there will be time to rescue you."

Xia Yunzhu was guilty and did not dare to look at her: "Your grandfather is all right, and they have all been rescued."

Benson Leach's voice was heavy and cold. "That's because we came back in time, and the wine was detoxified in time. If we come back late, we will see the body."

Xia Yunzhu mocked the landing wine: "Is she detoxified? That is impossible."

"Anyway, it is impossible for me to poison, and I am not poisoned lightly."

Juliana Lewis was in no hurry: "You can not admit it now, but you will soon admit it."

Xia Yunzhu thought of Xie Xuyan, and she stared angrily at Lu Jiu: "Do you threaten me with Ah Yan?"

Juliana Lewis: "It's not a threat. You know that there are conditions for leisurely doctors to save people. Aunt Xia might as well talk about the past and your son who has been lying for 30 years?"

Xia Yunzhu put aside his face: "There is nothing to say, I didn't poison, and Ayan is not my son."

"You can't use this method, let me carry the pot for you."

Xia Yunzhu's attitude is very tough. No matter what Juliana Lewis said, she resolutely refused to admit that Xie Xuanyan was her son, let alone that she poisoned her.

Benson Leach said, "Wine, don't waste your rest time with her nonsense."

Now the sky is big, and Juliana Lewis has the biggest health.

Juliana Lewis stood up. "Pull out her hair."

Benson Leach: "OK."

Xia Yunzhu saw that Benson Leach really reached out to her and dodged: "Benson Leach, what do you want? I am your mother. Do you want to go against it?"

"Benson Leach..."

Benson Leach is not polite to her, pressing Xia Yunzhu's shoulder, that is, pulling a handful of hair down.

Juliana Lewis took out the bag, and he put his hair in.

Xia Yunzhu shouted angrily: "Benson Leach, you evil son, you want to slander me, I will not admit paternity test."

"Who knows, will you take you and me for paternity test and want to slander me?"

Leach was going to leave. When he heard this, he stopped and looked up at Xia Yunzhu.

Chapter 1546 Bastards--

There sounded a sound like metal friction: "Hello, Miss Lin."

Lin Yin frowned and thought it was a fraud, but such a voice was not like it.

She asked, "Who are you?"

"Don't you want to cooperate with me and take revenge on Juliana Lewis?"

Lin Yin looked up and looked around. She was the only one in the lounge.

She got up, opened the window, and looked outside, but she didn't see any strange and suspicious people.

She asked, "Who are you?"

"You don't care who I am. I only ask you, do you really want to take revenge on Juliana Lewis?"

Lin Yin closed the window and sat back: "Of course, I hate her. I hate her for harming my past, and all of them were stripped out."

"Although it is washed white now, my black history is also known. When someone brings it up, they will talk about my black history."

The voice on the other side of the mobile phone, with a low smile: "However, how can I believe you? You really hate her and want revenge?"

Lin Yin asked: "What do you want to do before you believe it?"

There a low smile: "Well, you do one thing, do it well, and I will believe you."

Lin Yin sipped her lips: "Can't you do it well?"

There was no answer from the mobile phone, just a low smile, which made people feel creepy.

It seems that there is nothing bad to do. If there is, the consequences will be at your own risk.

Lin Yin said, "If I do it well, can I meet you? After all, I don't know if you can help me."

"Wait till you do it."

Say that finish this sentence, there hung up the phone.

Lin Yin was very upset because she couldn't record it.

But what the man said, she had to do, she had to do.

Juliana Lewis felt angry and rushed to his heart: "Xia Yunzhu, what are you talking about?"

Benson Leach came to his senses and grabbed Lu Jiu's hand. "Jiu Jiu, what are you angry with strangers?"

Juliana Lewis looked up at Benson Leach worried.

Benson Leach chuckled: "Nothing, facing a living dead, really nothing."

Yeah.

His mother was long dead.

At present, the man is just wearing the appearance of his mother, that is, a living dead man.

Such a person, there is no need to be angry, there is no need to be sad.

Old Mr. Leach's face, dark and terrible: "Xia Yunzhu, you can really be a good mother."

Everyone looked at each other.

In the past few months, the harmony in Li's family has all been shattered because of a thank you.

Xia Yunzhu can't disguise anymore.

Juliana Lewis looked at Xia Yunzhu coldly: "Be polite to Ah Cheng, or thank you for never waking up."

She's not a good person.

Our own people have been hurt, and we still keep that share of passers-by innocent.

For her, everything related to Xia Yunzhu is not innocent.

Now, Xia Yunzhu is no longer afraid. She looked up and smiled at her: "Juliana Lewis, you can't threaten me."

"Some people can treat my son, there are leisurely doctors, and others."

Juliana Lewis sniffed lightly: "Xia Yunzhu, you don't know, I am the leisurely doctor in your mouth."

Xia Yunzhu laughed and only thought it was ridiculous: "Juliana Lewis, you are just a fake. Are you still addicted to fake?"

"You are still a leisurely doctor. You don't think that you will see two diseases and give first aid. Is it a doctor?"

It's ridiculous.

This is definitely the funniest joke she has ever heard.

Chapter 1548 Handicap-

Xia Yunzhu looked at the documents that fell to the ground, and a lot of evidence can point to where the blood drawn by Benson Leach went in addition to testing over the years.

These, originally, are very hidden.

But with the appearance of Xie's rumors, it is simple to investigate these again.

Li Baiqing squatted down and picked up the document. After reading it, he looked at Xia Yunzhu with disappointment: "Big aunt, how can you do this to the third brother?"

"Lijia, I have never been sorry for you."

"Why do you want to do this?"

Xia Yunzhu looked up at her eyes Li Baiqing, and then laughed out loud, laughing mockingly.

"The Li family didn't apologize to me?"

"Ha ha ha."

Xia Yunzhu looked upwards and smiled: "The person who is most sorry for me is Lijia."

Old Mr. Leach was very angry and asked her, "Where is Li's family sorry for you?"

At the beginning, Xia Yunzhu's marriage with his eldest son was facilitated by him.

He thinks that his eldest son is not a man of great wisdom and skill, but at least he is honest.

After being married to Xia Yunzhu for so many years, the eldest son dotes on Xia Yunzhu, and there is no messy relationship between Mistress's fourth grade.

He was still in charge at that time.

Xia Yunzhu also has no mother-in-law. As a father-in-law, he is relatively open-minded and never embarrasses his daughter-in-law.

Later, something happened at home, so he had to go to F City.

Since Xia Yunzhu married Li's family, he thinks he has never abused Xia Yunzhu.

Xia Yunzhu laughed out loud: "Your Li family wants to marry me, which is the biggest sorry."

"If there is no Li family, I will not break up with my boyfriend."

Old Mr. Leach angrily knocked on the floor with crutches: "Xia Yunzhu, that is your own son. How can you be willing to start?"

Benson Leach at that time was so cute.

Xia Yunzhu sneered, and his loving eyes only fell on Xie Xuyan: "My son has always had only one, and that is Ayan."

"As for Benson Leach, as I said, he is a disgrace to me, and when I see him, I think only of disgrace, only of the scourge he has caused me this miserable life."

"Who will love a scourge?"

Old Mr. Leach heard bursts of chilling: "Xia Yunzhu, you are too cruel."

Juliana Lewis didn't know what to say, so he could only take Benson Leach's hand and comfort him silently.

Juliana Lewis asked her, "So, you poisoned all the Li family?"

"For revenge?"

Xia Yunzhu paused and subconsciously looked up to see Li Baiqing.

Juliana Lewis saw this action in his eyes and frowned deeply.

Poisoning has something to do with Li Baiqing?

Xia Yunzhu was silent for a moment, nodded and admitted.

"Yes, this time I poisoned it, and I want revenge."

Xia Yunzhu looked up at Juliana Lewis: "I didn't want to die with Li's family, but you refused to see a doctor again."

"Doctors want to save lives. Why do you refuse to see a doctor? Why do you refuse to see a doctor?"

"If you had cured Ayan in those days, there would be no present thing."

"Anyway, Ayan has no hope, then I will pull everyone to die. Unfortunately, you are not there, or you will be poisoned together."

Juliana Lewis snapped coldly. "If I were here, you wouldn't have a chance to poison."

Juliana Lewis lifted his chin and looked at Li Shilong coldly. "I won't be provoked by you. My master and brothers are very good."

Li Shilong shrugged indifferently: "Up to now, you still don't know, why did Sasha hack the ancient medical door website?"

"Because of the website, there is a big secret hidden."

"And this secret has something to do with you Juliana Lewis."

Juliana Lewis sank his face, ignored Li Shilong, and lifted his feet upstairs.

Behind him, Li Shilong's voice came: "Juliana Lewis, if you want to know, you can cooperate with me, at least I can ensure that you give birth safely."

Juliana Lewis paused and didn't look back. His voice was a little cold. "That won't be necessary, my own child. I will protect myself."

When Benson Leach came back, he only saw Juliana Lewis going upstairs and Li Shilong standing there.

Benson Leach frowned and asked him, "What did uncle say to Jiujiu?"

Li Shilong looked at Benson Leach with more eyes, and his guard was a little heavier. He smiled: "Nothing, care about the body of his niece."

Benson Leach looked at him coldly: "Uncle still cherish it, after all, luck does not come to you every time."

Originally, Li Shilong could have been sent to prison last time.

But Li Shilong used his scheming to make Jiang Lisha take the blame, and he himself played a bitter plan to block bullets for him.

It's really lucky, not dead, and the vegetative person has only been in a coma for a few months.

Li Shilong: "So do you."

Two people virtually, tense.

Benson Leach went upstairs, and Juliana Lewis sat by the bed with his little hand on his lower abdomen and his head down, not knowing what he was thinking.

Juliana Lewis heard the voice and looked up at Benson Leach. "It's back."

Benson Leach said, went over and sat beside her. "What are you thinking?"

Juliana Lewis touched his stomach: "Thinking about the baby, what do you think now?"

When Benson Leach heard this, he couldn't help laughing: "The baby is still just a small embryo, and it hasn't developed into a human form yet. It may not even have a fetal heart bud, so what will you think?"

Juliana Lewis was embarrassed: "Well, I'm a little anxious."
