

Miss Mystery Got Busted Novel

Chapter 20: Substitution

Benson's voice was not cold but even much gentler than it had been earlier.

But such a voice made Juliana feel cold all over and scared inside.

She felt that if she said the word "yes", he would break her neck and probably pull out her tongue.

Juliana thought about the wording carefully before she explained, "I didn't agree. But Suzanne and Selene were crying and begging to replace me, so I have to let them do it."

"It's also a good opportunity to see if they genuinely love me and want to help me; or if they want to smear me in front of you and get a reputation as a good stepmother and a good sister in the process."

Benson: "So, did you agree?"

Juliana frowned. Why was this man fixated on the answer?

"If they sincerely..."

Benson interrupted her in an indefinite voice, "Then let's change."

Juliana: "Okay."

Suzanne and Selene, however, stared at each other anxiously with wide eyes as they listened.

They were just talking because they knew the Leach family wouldn't agree! How could they really let Selene get

married instead?

Benson's voice was even colder: "I'll send someone to pick up Selene from your home right away!"

These words sounded murderous.

Benson agreed, which made Suzanne and the others panic even more.

Jermaine came back to his senses and hurriedly said, "Mr. Leach, this is a joke from Jill. We're not really going to do it."

Benson: "Mr. Lewis, do you think I, a dying man, am a joke to you?"

The cold voice made Jermaine feel murderous and the fear covered his forehead with fine sweat, "Mr. Leach, it was Jill's joke, not ours."

The cold voice made Jermaine feel murderous and the fear covered his forehead with fine sweat, "Mr. Leach, it was Jill's joke, not ours."

"Besides, only Jill's eight characters are compatible with yours, not Selene's."

Selene was the apple of his eye and the brilliant person he had raised.

Although the Leach family was rich and powerful, he could not really let his beloved daughter marry into the Leach family. Even if she would not be killed, she would be a widow next year, which would bury Selene's talent.

Juliana slightly raised her eyebrows: "Good stepmother, good sister, Benson has agreed. Are you still willing to replace me?"

Her words were so sarcastic that Suzanne and Selene had no way to back down.

If they agreed, Selene would really have to marry Benson Leach.

If not, they would be hypocrites.

Holding back her fears, Suzanne said, "If old Mr. Leach agrees, Selene must say yes."

Juliana said, "Why don't I call Grandpa and ask him?"

Selene panicked and waved her hands, "No, no, no."

Everyone knew that old Mr. Leach loved his grandson more than anything else and was willing to do whatever Benson wanted.

When the time came, it would be even harder for her to refuse, and she would have to marry Benson.

Jayden pulled Selene into his arms and yelled at Juliana: "You are jealous of Selene because she has both talent and beauty and that she has me as her fiancé, so you want to ruin her by making her marry Benson Leach instead of you. Juliana, you are evil!"

Juliana asked rhetorically, "So, you guys don't think Benson is good enough for Selene but only for me, a good-for-nothing?"

Benson's low and cold voice came out of the quiet phone this time: "Hmm."

Jermaine, Suzanne, and Selene broke out in a cold sweat of fear at his voice.

Benson didn't hang up yet. He's a conceited and proud man. If they said he wasn't good enough for Selene, he

could get mad and kill someone.

It wasn't illegal for a madman to kill someone.

Even more, if the Leach family suppressed the Lewis family, they would have no way to live.

Even though Benson was not present, Jermaine subconsciously bowed to the phone as he explained, "Mr. Leach, we are not..."

Not waiting for him to finish, Benson interrupted him coldly.

Chapter 21: Beat Him Up

Benson said, "Juliana has a point."

Jermaine's eyes widened in shock and felt more like death was coming instead of a sigh of relief.

Benson went on saying, "Selene is not even qualified to carry my shoes. The trash is matched with the trash can, after all. As for me and Juliana... are a madman and a lunatic, perfect match."

Juliana was speechless.

How could he say that?

Although his daughter was insulted, Jermaine was relieved and said hurriedly, "Mr. Leach, you are right. So, Selene..."

Benson said in a colder voice, "The people I sent will be there in twenty minutes. Tell Miss Selene Lewis to get ready."

Benson said in a colder voice, "The people I sent will be there in twenty minutes. Tell Miss Selene Lewis to get ready."

Jermaine was anxious, "Mr. Leach..."

Benson hung up the phone and the call ended.

This thing was not negotiable.

Selene looked at Suzanne in shock and panic and stomped her feet in anxiety when Suzanne didn't say anything.

Juliana, playing with her phone, looked at them with a smile, "Congratulations, Selene has her wish fulfilled to be the first lady in F City."

Selene bit her lip: "Jill, I could marry Benson for you, but Jayden and I are already engaged, so...wouldn't Mr. Leach be the third man? It's not good for his reputation, right?"

Suzanne also said hurriedly, "Yes, Besides, Jill, you have already been together with Benson last night. How can a man be together with two sisters one after the other?"

Juliana: "What is wrong with your brains to talk about reputation with a crazy person?"

After that, she looked at Jayden: "Mr. Hodges, it was proposed by Selene. If you are capable of taking her away from the Leach family, you can go to them, not to me."

Jayden gave her a sullen glare, "If you hadn't forced Selene, how could she have agreed?"

He did not dare to confront the Leach family, so he could only blame Juliana.

Jermaine's face was even more gloomy as he ordered Juliana directly, "Tell Benson that you love him so much that you don't want Selene to take your place and that what you just said was all a joke."

Only if Juliana said it was a joke would there be room for negotiation.

He would never let Selene, his baby girl, marry that crazy Benson and send her to her death.

Juliana said, her face grim, "I'll say it, only if you post a tweet about at least three dirty things you've done to me, or else it's off the table."

Suzanne and Selene were hypocrites. The old Juliana was foolishly deceived, but she would not be fooled now and would tear off their hypocritical masks little by little.

Jermaine shouted in anger, "If you don't want to say it, then get out of here! I don't have a daughter like you!"

Juliana said indifferently, "I don't want a father like you, either."

When she had been Miranda, she had been the little princess of the family and her father had treated her like a treasure.

If she hadn't been reborn as Juliana, she wouldn't have known that there were such unloving fathers in the world.

It was because she had had the best father that she disdained, loathed, and despised Jermaine.

Seeing Juliana turn to go upstairs, Jermaine was furious and lost his mind, "How dare you send your sister to her death? I'll beat you to death today, you vicious woman!"

After saying that, he grabbed the glass jug on the coffee table and smashed it towards the back of Juliana's head.

Although Juliana had her back to it, she felt that momentary change in the air, turned around quickly, and kicked out viciously with her long leg.

Jermaine was kicked out...
