

Chapter 22: Scary

The glass jug in Jermaine's hand dropped to the ground with a loud bang and shattered into pieces.

A piece of broken glass bounced up and cut a small wound in Juliana's calf, which then bled.

"Jermaine!"

"Dad!"

Suzanne and Selene were both shocked by this scene and rushed back to help Jermaine after they came to their senses.

Juliana looked down at the blood seeping out of her calf, narrowed her eyes slightly, and her eyes even turned slightly red.

Suzanne looked up at Juliana and said, "Jill, just say it if you have any complaints. How can you hit your father? You're so unfilial."

Selene even cried out, "Jill, I will take your place. Don't hurt daddy, don't hurt daddy..."

Juliana didn't say anything but calmly bent down and picked up a sharp glass shard from the ground, then slowly walked towards Jermaine.

She walked step by step with an icy aura emanating from her.

The blood seeping out of the wound ran a bloody trail down her calf.

There was no smell of blood in the air, but Juliana looked like a bloodthirsty devil at this moment.

Seeing Juliana like this, they couldn't help but shiver because they smelled the death and felt the fear.

Looking at Juliana, who had already arrived in front of them with a murderous look, they were even more scared.

Suzanne and Selene could not help but let go of their hands holding Jermaine, which caused him to fall to the ground at once.

Jermaine was terrified too, "Juliana, what do you want? I am your father... ah!"

Before he could finish his words, he screamed miserably.

Because Juliana stuck the sharp glass shard on the back of his hand.

Juliana lowered her head to glance at his injured hand and said coldly, "You should be glad that you are Juliana's father, or else..."

She would have killed him!

Jermaine's hand was in so much pain that his face turned pale and his body was trembling.

The others did not dare to make a sound when they saw Juliana like this. She was so scary.

They believed that if they annoyed Juliana at this moment, she would really kill someone.

Juliana raised her head and looked coldly at Suzann and Selene, "If you want me to say it was a joke instead,

post a tweet as I asked you to, or you can wait for the Leach's to pick Selene up."

They watched Juliana go upstairs and no one dared to make a sound to stop her.

Juliana was so terrifying in this way.

When Juliana's figure could not be seen, the four of them breathed a huge sigh of relief.

They believed that Juliana would have killed them all like that just now.

Selene looked at Suzanne anxiously, "Mom, do I really have to marry that crazy Benson? I don't want to. I only love Jayden and I'll only marry Jayden."

The Leach family was powerful, but Benson was a mad, ugly, and short-lived man, who could accidentally kill someone.

Selene wouldn't be able to enjoy the life as a young lady.

Suzanne got no ideas. She said, "Let's talk about it later. The Leach family might just be scaring us."

If it was in the past, Juliana would have listened to her and married Benson.

But Juliana was now so strange and out of her control that she couldn't do anything about it.

Now they had to find another way.

But twenty minutes passed quickly.

Jermaine had just finished bandaging his hand and hadn't figured out a solution when the sound of a car engine sounded outside.

Selene stood up in shock.

Suzanne tried to comfort her but was so scared that she turned pale when she saw the scene outside.
