

## Got Busted 56

### Chapter 56: Furious

After reading the tweets, Grandma got even more furious. She took Juliana's phone and smashed it straight into Suzanne's face.

Suzanne didn't dodge the phone that suddenly fell on her and was hit in the face. Covering her head, she cried out in pain.

Grandma was shaking with anger, pointing at Suzanne and questioning angrily, "Is this the kind stepmother you said you would be and how you would teach your daughter to love Jill?"

Grandma had asked to raise Juliana herself, but she had seen that Suzanne truly loved Juliana and Juliana did not want to follow her, so she had not insisted.

Who would have known that all of Suzanne's good deeds would lead to a useless, troublemaking, and promiscuous Juliana!

Grandma was extremely remorseful now!

Selene looked up, saw the blood flowing down from Suzanne's fingers, and shouted anxiously, "Mom, doctor, doctor."

Juliana looked at the phone that had fallen to the floor with a cracked screen...

That was her phone!

Grandma yelled at them, "None of you are going to get Jill's twenty percent of the shares! Jill, let's go home!"
