

Got Busted 77

Chapter 77 Here it comes

A roar went through old Mr. Leach's ears as he heard these words and he didn't hear anything old Mr. Yates said after that.

He could only look up at Zach in a daze, "Is there another way?"

Zach shook his head, "Benson can only get through it by himself."

The onset of Benson's illness was so rapid and it had changed faster than he had expected.

Old Mr. Leach could only put his hope in Juliana's hands, "Jill, is Sebastian really going to send you the medicine?"

Juliana was just about to nod when Zach sneered, "The specific medicine has been stolen. Who's going to send it to her? Sebastian is probably busy catching the thief."

Juliana simply stopped talking.

Zach said, "Grandpa Leach, Juliana has been courting Sebastian. If it wasn't for Sebastian not hitting women, Juliana would be dead already."

Old Mr. Leach said, "Trust Jill for once... If it doesn't work, we'll find another way."

Zach smiled mockingly, "If she could be trusted, a pig could climb a tree."

Juliana only found him noisy and replied coldly, "When Sebastian comes, you will climb the tree."

only climb the tree but also bark
