

Got Busted 79

Chapter 79: Kissed

At this point, Old Mr. Leach stopped being insistent and simply said, "You're going to get beaten up."

Sebastian shrugged indifferently. As a disciple of his master, he had to take the beatings!

Zach looked at him curiously, "Don't you hate Juliana the most?"

He had heard that Juliana had drugged him and almost raped him after she had failed to get him.

Juliana had been almost beaten to death that time and had since been honest. And Sebastian had been hiding from her.

Sebastian retorted relentlessly, "I heard that you like guys, too."

Juliana saw that they were going to argue and looked up at them, "Sebastian, please go home first. Grandpa, you guys go get some rest too. I'll be here."

Old Mr. Leach looked at Juliana and decided not to stay and bother them. He said, "Call out if something happens. Zach will be waiting outside too. Don't tough it out alone."

Sebastian smiled fawningly, "Well... I'll go home now. Call me if you need anything and I will come over here immediately."

Juliana smiled stiffly and waved her hand to drive him away.
