

Got Busted 92

Chapter 92: Ridiculous

Grandma looked over at Jayden with a frown.

Jayden covered his crotch, holding back the pain, and explained, "Everyone knows that I hate you. How could I make such a request?"

He looked at Juliana with a sullen face, "It was you who wanted to hold my hand. I hid from you so you got angry and kicked me!"

Juliana coldly looked at Jayden.

Jayden was terrified by the look but still stubbornly said, "Just because you can't have me, you kicked me in the crotch and tried to ruin me so that Selene can't get happiness either!"

Selene got up from the ground, tugged on Jayden's shirt, and said in a weak voice, "Jayden, you must have misunderstood Jill. Please forgive her, or Mr. Leach will misunderstand Jill and treat her badly."

Jayden was still in pain, but in the end, he didn't have the courage, so he nodded his head, "Since Selene puts in a good word for you, I will forget it."

Juliana found the generosity they showed ridiculous.

Grandma looked sullen and did not take a stand.
