

Got Busted 93

Chapter 93: Cheeky

As soon as these words were out of Selene's mouth, all of them looked at her in surprise.

Everyone knew Benson's invitation was just a polite formula, but she actually accepted it!

Selene did not wait for Grandma to reprimand her but looked at Juliana with an innocent look, "Jill, am I taking Mr. Leach's polite formula for real?"

Her delicate look as if she was saying "Was I wrong?" and "I am innocent" really made Juliana want to punch her in the face!

If she admitted that Benson was only being polite, the Leach family would be embarrassed.

Benson did not care about Selene, but he had to show Grandma some respect.

Grandma felt that Selene had disgraced her name. They were all going back and then they stayed for lunch.

She decided to let Selene kneel for a few hours when they got home!
