

Got Busted 995

Chapter 995 Trampling

Wendy Johnson was questioned by Yeyi.

This makes Li Shilong, who is listening beside her, look at Wendy Johnson sharply. She is not a ink night, and her use value is over.

Wendy Johnson asked Yeyi in a heavy voice: "I showed you IP a long time ago. The first time I used the IP of this account, it was in Zhong's home, that is, my computer. Is this wrong?"

Afraid that they would not believe it, Wendy Johnson was even more calm: "Do you think that the ability of computers is fraudulently used by others if they want to use them? Can this be faked?"

Night one is still a little unbelieving: "Since you are the real boss, why don't you shoot and want us to do it?"

Wendy Johnson: "Because I have more important things to do, and you can't do it, I don't have time."

Night asked her, "What is it?"

Wendy Johnson: "I want to hack into the ancient medical system, can you?"

They were silent at night, because they all knew the system of ancient medicine.

of the ancient medical door, and once wanted to invade and

even have the qualification

medicine door is so good

result, there was no problem at night: "We believe in the boss, does the boss just

want you to change

gave them all

Li group is illegal, but now have to do these things,

just hobbies, do not want to harm the interests

other people's systems, and then tell the BUG to that company, which is

them to use this hobby

chasing seems to be a little disgusting, which makes people like it

asked them, "How is it, can it be done? Four tasks, are they simple for the four

intentions, and ordered them so confidently, as if they were really

is different from the boss

Finally, Yeyi promised: "OK."
