

### Chapter 2734 Submission

Huh? Dooragan and his brothers became anxious again. “What do you mean, Scar Face? Are you saying you want to give all our Heavenly Spirit Stones to Commander Williams? You're betraying Theos. Aren't you afraid of Theos' Mark?”

“Shut up! Who are you calling a betrayer?” Scar Face thundered. “By doing that, I'm being even more loyal to Theos!”

Boolagan, who had been keeping mum before this, started sniggering. “Ha! You're giving Theos' Heavenly Spirit Stones to someone else. How could you say you're being loyal?”

“You guys don't believe me, right? Fine! Let me explain it to you! How did you give the Heavenly Spirit Stones you collected to Theos?” Scar Face asked.

“We can make Theos appear in our dreams as long as we keep the Heavenly Spirit Stones on us when we pray before going to sleep. Once Theos has entered our dreams, he'll take the Heavenly Spirit Stones,” Boolagan answered.

“That's bullshit! What a load of crap!” Scar Face bellowed. “Let me tell you the truth. I think someone has been stealing our Heavenly Spirit Stones. In other words, those stones never reached Theos!”

Dooragan was taken aback. “Scar Face, you shouldn't talk nonsense. Theos would always praise me in my dreams, and I was told that I would get rewarded. Why would I get praised if Theos didn't get those Heavenly Spirit Stones?”

Scar Face chuckled coldly in response. “In that case, let me ask you something. Has Theos given you any rewards?”

Uh... Dooragan and his brothers were rendered speechless. Until today, Theos still hasn't given us any rewards. In fact, we received a lot of empty promises.

Scar Face continued, “It's easy to enter someone's dream. As a matter of fact, our previous Centurion could easily do that. I've been wondering if someone has been entering our dreams and stealing our Heavenly Spirit Stones. The Heavenly Spirit Stones we've collected thus far have never arrived in Theos' possession. Now, that's not going to happen anymore because Commander Williams said he would meet Theos personally and give Theos the Heavenly Spirit Stones. That's the only way we can make sure that Theos gets the Heavenly Spirit Stones we collected. So, don't you guys think we can serve Theos better by giving our Heavenly Spirit Stones to Commander Williams?”

Dooragan and his brothers found it hard to believe Scar Face's words because they sounded childish.

In a cold tone, Dooragan said, “That's enough. Keep those lies to yourself. We're not getting tricked by you!” With that, Dooragan said to his brothers, “Let's leave and stop talking nonsense to him. He betrayed Theos, so Theos will come for him soon.”

Hearing that, Scar Face heaved a heavy sigh. “You guys are free to leave, but I can guarantee you won't survive the day.”

“Scar Face, we know you're strong! However, we can still put up a fight against you!” Dooragan shouted.

“Don't worry. I'm not going to harm you guys because that's something someone else is going to do. That person is Mr. Williams!” Scar Face responded. “Mr. Williams said if you guys don't give him your Heavenly Spirit Stones and let him pass to Theos, he's going to kill all of you. That's because Mr. Williams is worried that you guys are keeping the Heavenly Spirit Stones for yourselves.”

The brothers were terrified. If Scar Face is telling the truth, we're in danger!

The brothers knew what Zeke was capable of. If Zeke were to go after them, there was no way they could escape.

The brothers began to tremble in the face of Scar Face's threat.

In order to keep their lives, they had no choice but to submit to Scar Face.

“Are you telling the truth, Scar Face?” Dooragan asked.

With a scowl on his face, Scar Face replied, “Of course! Mr. Williams is a man of his word. If he says he's going to kill all of you, he's definitely going to do it!”

Dooragan immediately shook his head. “No! I'm asking you if we were to give Mr. Williams our Heavenly Spirit Stones, would he really help us pass the stones to Theos?”
