

Chapter 2735 Winner And Loser

“That's for sure! I have better things to do than lie to you guys,” Scar Face answered.

“Okay. As long as the stones are to be given to Theos, we promise to give Mr. Williams the Heavenly Spirit Stones we collect.”

“Great! That's more like it.” Scar Face smiled.

Obviously, the brothers didn't believe a word Scar Face said. They only said they believed him because they were deceiving themselves.

They had no choice but to do so because if they didn't, they would be betraying Theos and get punished by Theos' Mark.

“From now on, we're colleagues! I'm looking forward to working with you guys.” Scar Face beamed.

“Likewise.” The brothers bowed. “Now please excuse us.”

“Take care!”

The brothers then walked toward the exit.

As soon as they arrived at the door, they suddenly halted in their tracks and turned toward their seven o'clock.

At the same time, Scar Face's expression also tensed up, and he was also looking in the same direction.

“Scar Face, I just sensed a wave of the aura of Heavenly Spirit Stones emerging five kilometers away in our seven o'clock direction!” Dooragan exclaimed.

“Yes. I sensed it too.” Scar Face nodded.

“Besides, the wave of aura feels a lot more intense than before. I think this is a huge batch of Heavenly Spirit Stones!” Yulagan uttered.

While rushing out, Scar Face urged, “Quick! Let's check it out before someone else gets there!”

The four of them ran in their seven o'clock direction.

Somewhere in that direction, Sunshade of Camp South had dropped the Heavenly Spirit Stones and ran off.

Sunshade was a cautious person, and he was afraid that Zeke would track him down. That was why Sunshade didn't dare to stay there a second longer than needed after completing his mission.

A while after he left, Scar Face and the other three showed up at the scene.

The four of them didn't know Sunshade was just there.

As they approached the Heavenly Spirit Stones, the wave of aura grew intense.

Yulagan wanted to walk straight toward the stones, but Scar Face stopped him. “Wait! Don't go!”

“Why?” Yulagan asked curiously.

“There are surely other spies like us who are working for Theos. Let's just wait and see what happens next! This is also one of Mr. Williams' orders. He wants all of Theos' spies to unite,” Scar Face revealed.

Since it was an order from Zeke, none of them dared to act otherwise.

As it turned out, Scar Face was right. Someone appeared at the scene moments later.

The man was a Centurion of Centuria, and he was known as Alp. He was a big and strong man who had won a wrestling competition.

Alp was approaching the Heavenly Spirit Stones sneakily and warily.

Scar Face and the triplets assumed that Alp was one of them, as only Theos' spies could sense the aura of Heavenly Spirit Stones!

Yulagan panicked when he saw Alp getting nearer to the Heavenly Spirit Stones. “Scar Face, are we not making our move yet? If we wait any longer, Alp is going to grab those stones!”

“Alp is a senior Centurion, and he's very strong. We may not be able to fight him off together,” Scar Face said.

“Didn't you say we're uniting all of Theos' spies? Why can't we just convince him to join us?” Yulagan asked.

“It's not that simple. There's no way Alp is going to believe us. If I hadn't threatened you guys just now, you guys wouldn't have joined me either,” Scar Face replied.

“What should we do, then?” Boolagan asked. “We can't possibly sit and watch Alp take all the Heavenly Spirit Stones away, can we? That's a lot of Heavenly Spirit Stones!”

“Let's set up an ambush!” Scar Face suggested. “We should knock him out first and deal with the rest later!”

Dooragan and his brothers nodded. “Agreed!”

Alp was a Centurion and an Archduke warrior, while Scar Face and the triplets were also strong individuals within Centuria. If they were to fight Alp head-on, they could end up losing.
