

## **Guardian 848**

### Chapter 848 You Must Be New

“Argh! That hurts!” Taz cried in agony with his hand over his face.

The turn of events caught everybody off guard.

What was going on? What happened to Taz?

They looked at Taz in confusion, assuming he was just having a manic episode.

Taz looked down and found a dying ember on the ground.

He grimaced.

“W-Who fucking burned me with a cigarette?”

Taz’s outraged voice ripped through the crowd as he sought the culprit.

It dawned on the people that Taz was burnt in the face with a cigarette. It explained his earlier agony.

They looked up, eager to find the audacious individual who charred Taz’s face.

Narrowly escaping Taz’s kiss attempt, Rose fled to a safe distance and lifted her head to find a familiar face.

“Kaze!” she exclaimed.

Rose pouted and said tearfully, “Taz tried to take advantage of me, Kaze!”

Approaching the center of the crowd, Kaze shuffled her hair and said in a calm voice, "I saw everything. Don't worry. I won't let anything happen to you."

Kaze? Taz was dumbfounded for a moment before realization hit him.

He narrowed his eyes dangerously at Kaze and hissed through clenched, "You're the bastard. who burnt my face with the cigarette."

Kaze just returned from the loo, unaware of what had transpired.

He flicked the ember at Taz's face when he caught Taz attempting to take Rose's lips by force from a distance. Kaze's indifferent gaze fell on the adults, especially the uniformed staff of Mountain Dew Estate.

"Why are you even here? No one stepped forward to stop the bully from behaving

Inappropriately with a girl."

Kaze said curtly, "Are you blind?"

The employees hung their heads low in shame, not even refuting.

Kefir was irked. In fact, the employees wanted to stand up against Taz, but Kefir stopped them.

He scoffed and uttered angrily, "Who are you? Who do you think you are to reprimand us?"

Kaze cut him off with a slap.

"Ah!"

Kefier covered his face and moved back before shooting Kaze an angry look.

Kaze glanced at his pinned badge and said indifferently, "You must be new."

It had only been a few days since Kaze was at Mountain Dew Estate to bid for Sky Ocean Corporation with Darcy. The management from mid to high of Mountain Dew Estate had met him.

"Who are you?" Kefier asked in bewilderment.

It was true that Kefier was new to this job.

Wendell, the former general manager, was arrested for colluding with Deborah to drug Darcy. Kaze appointed Nancy as the general manager and replaced the corrupt management with new hires.

Kefier had experience working as a manager at another hotel. Upon learning that Mountain Dew Estate would file on brand building, Kefier applied for a managerial job two days ago.

Kaze uttered callously, "It doesn't matter who I am. It's your job."

He did not want to waste another breath on Kefier. Kefier was dead to him. "Hmph! Don't act like you're the owner."

Kefier was not having it.

"Get lost!"

Taz pushed Kefier out of the way, put

his finger up

Care who you'll pay for giving me a burn!"
