Chapter 852 Shifted Perception In Kefier's opinion, the way Kaze looked and carried himself did not scream wealth.

A member of the management team behind Nancy said, "You're not the first snob, Kefier. Wendell, the previous general manager, did not believe Kaze was the owner and even tried to harm him. Wendell is now rotting in jail."

The other executives chimed in and stood up for Kaze. "Wp Stunned, Kefier turned ashen.

The owner, whom Kefier wanted to get in good graces with, was right under his nose the whole time. Yet, he screwed the owner over to suck up to Taz.

Kefier had no more tears to cry.

Suddenly, he shuddered at a realization. He had upset the owner,

owner, and his actions may come

back to bite him.

With that in mind, Kefier turned around to face Kaze and slapped himself.

"I'm sorry, Sir. | was a blind snob. | didn't know it was you. Please see it in your heart to forgive me." Kefier, who was arrogant before, now wailed before Kaze.

Kaze did not have time for someone like Kefier. He said indifferently, "Give him his last. paycheck." Nancy nodded.

Kefier walked off without a word of complaint.

“How did you end up the owner of Mountain Dew Estate, Kaze?”

Rose looked blankly at Kaze with her jaw dropped.

Bronya, Mei, and the others were in disbelief.

Awave of emotions washed over them.

Before their trip to Mountain Dew Estate, they took pity on Kaze and held him in contempt. Sometimes, they would send him to run errands.

Kaze would always smile without a word. To their surprise, Kaze, humbled by life and living cautiously, turned out to be the owner of Mountain Dew Estate. Kaze brushed his finger against Rose’s nose. “Technically, Mountain Dew Estate belongs to Darcy.”

“So, you’re the man who bought Mountain Dew Resort for two billion dollars to give to your wife,” Julius, who called Kaze out for his ignorance, said with a complicated look.

Kaze nodded indifferently.

Julius felt awkward and shocked.

Not many men would spend two billion dollars on their partners.

If only Julius knew that Kaze also bought Sky Ocean Corporation at five billion dollars for Darcy. “I’m sorry if I have come off rude, Mr. Lee.”

Julius apologized to Kaze, his eyes dreading.

The young man, a shroud of mystery, was difficult not to revere.

Rose's friends stared at Kaze in awe. "If only my crush could do that for me too."

"Yeah, Kaze is rich, but he happily takes his wife's family name (HGT Cece) what people think of him! Now, that's what I call true strength."

Bronya's and Mei's eyes sparkled with admiration. Welt did not say a word. Kaze's wealth made him feel small in Rose's presence.

Soon, the group was checked in. Nancy walked with Kaze and Rose's friends to the booked chalet.

"Has Lil Dee arrived?" while on the way, Kaze asked Nancy.

Darcy informed Nancy in advance that Kaze would be attending to Lil Dee. Nancy replied "Lil Dee—and is on their way from the airport. I'll let you know once he gets here."
