Chapter 866 Kneel, Apologize Ash might be a manager from the Queens but she had no idea about Mathias serving Kaze.

She thought Mathias made Darcy chairwoman because of her capabilities. Therefore, Ash only had basic respect for Kaze because he was Darcy's husband.

Now that Kaze had caused problems for the company, it irritated her as well.

Kaze scoffed. He did not expect Ash to side with the executives.

Before he could say a word, Darcy slammed the table.

"Enough! Kaze, stop this nonsense right now!"

She glared at Kaze and then said to Ash, "Ash, contact Lil Dee and his team and find out what we can do to solve this problem."

She then left the meeting room and dragged Kaze to her office.

"Leave Lilyrose tonight. I'm afraid that they will call the police on you. Lil Dee will surely make a big deal out of you hitting him. He's already threatening us with lawsuits," Darcy said after she closed the door.

Kaze thought Darcy would scold him but she wanted him to run instead.

He smiled and said, "Where could I go? This is my home. Besides, what about you?"

"We'll pay if he wants money and we'll try to answer his requests," Darcy said as she rubbed her swollen temples. Kaze sat her down and massaged her temples. "I'm not running. Lil Dee is just scaring you. They won't call the cops on me."

He then told her about the recording last night.

If Lil Dee wanted Kaze arrested, he would have called the police already.

Lil Dee frightened Darcy because he hoped she would make Kaze turn himself in.

If Kaze released the recording, even if it could not pull Lil Dee down from his throne, he would no longer be famous or relevant.

Lil Dee was also surprised that Kaze did not resolve in dirty tricks and deleted the recording.

Darcy breathed a sigh of relief but she was still worried because Lil Dee would surely come after Kaze.

On the other hand, Ash did what she could and went to visit Lil Dee at the hospital after work.

Lil Dee's manager, Alyssa, was also there..

Ash asked, "Alyssa, we are all adults, so let me skip to the point. What can we do so that you will agree to continue working with us?"

"Lil Dee wants Kaze to kneel and apologize. Then we'll talk about cooperation. Otherwise, don't even mention it in our face. We'll make sure Sky Ocean Corporation will suffer from the Mountain Dew Estate project.

+15 BONUS Alyssa voiced her demands condescendingly.

She and her team analyzed the situation and decided to use Sky Ocean Corporation's weaknesses to their advantage.

Ash was disheartened. She did not expect Lil Dee to be this greedy.

Kaze kneeling and apologizing was just the prerequisite to return to the negotiating table. Then, Lil Dee and Alyssa would surely make more demands.

She said, "Kaze Lee is the one who hit Lil Dee, he's not one of our employees. You can call the police on him.

"I know Lil Dee and his bodyguards have their injuries checked and they were just mere bruises. Though you still can put Kaze behind bars for at least three years for intentional harm."

Ash believed that sacrificing Kaze to avoid further loss was an acceptable term.

However, Lil Dee might not want to call the police on Kaze.

Once it entered legal procedures, Lil Dee asking Kaze to pimp him and coercing Nancy to sleep with him would be exposed.

Until then, his image would be ruined and he would lose popularity.

Therefore, it must be settled under the table.

Even if Kaze revealed the recording, without going through legal com procedures, Lil Dee and his team could continue to argue and do proper PR to save his image.

As long as it was not verified by the police or the court, he should be fine.

He could also use it to make more demands at Sky Ocean Corporation.
