#### Chapter 3111

Xynthia knew that if she signed the papers, both her mother and sister would have no way out of the situation.

After meeting with Dylan, she knew she had to show her resolve and not give in.

“My God! Even if you don’t sign the damn papers, do you think you can stop all this from happening?”

“This isn’t Mordu!”

“You’re not the young master of Longmen or the Golden Palace! You don’t even belong to the Bauer family!”

“Let me tell you something! Other than these people, nobody else has the power to stop all this from happening!”

“Right! I heard a young man was appointed as the head of Longmen’s Law Enforcement. He should be able to deal with this! He sounds pretty capable!”  
“But a small fry like you surely isn’t acquainted with a man like that!”

The assistant glared at Xynthia with a disdainful look.

“I’ll be frank, Xynthia.”

“So-called celebrities like you are just toys for the major figures.”

“You don’t actually think you’re on the same level as them, do you?” “Manager Bowie’s pretty generous to keep you safe in exchange for those conditions!”

“He’s asking you nicely!”

“Don’t you know what’s best for you?”

“Besides, do you even know his true identity?!”

“Other than being Film City’s general manager, he’s also a disciple of Longmen and a distant relative of the Bauer family.”

“He’s the backbone of the Hatchet Gang, too!”

“Do you know who they are?!”

“Flutwell is governed by Longmen during the day, but the Gang of Six owns the place at night. That said, Flutwell will always belong to the Golden Palace.”

“The Hatchet Gang is the worst out of the Gang of Six!”

“Even if that’s the case, ordinary people wouldn’t be able to lay a finger on them!” “You’ll only enrage Manager Bowie by rejecting his offer!”

“He’ll definitely get his men to end your life!” “Or rather, he’s going to make your life a living hell!”

“Listen to me, Ms. Zimmer! Call Manager Bowie yourself and tell him that you were just shy, and that you weren’t ready!”

“Treat him to dinner and make yourself his dessert, then sign the damn contract tomorrow!” “You can only get away with the situation this way! He won’t let you off the hook if you don’t do this!”

“If it weren’t for my distant aunt, I would’ve just let you fend for yourself,” the assistant said.

The assistant’s name was Riley Yates. She was a distant relative of the Yates family who had been living in Flutwell many years ago.

Judging from Lilian’s bossy attitude and her love for vanity, she would probably contact her family to welcome her.

Lilian was kind enough to let Riley be Xynthia’s assistant and pay Riley for it upon arriving at the airport. The rest was history.

That said, Riley had no affection toward Xynthia either. Her words sounded like helpful advice, but she was secretly scoffing at Xynthia’s current misery.

Initially, she wanted to look like she was on good terms with Lilian's family so she could leech off them.

After all, it was only natural to find joy in other people's misery. Riley was such a person.

Chapter 3112 "Where's the law to you, Riley?"

Xynthia frowned.

"I only worked together with Dylan for a commercial ."

"Besides, my mother and sister were screwed over by that b\*stard Joseph!"

"I don't care if Dylan doesn't want to uphold justice, but he even asked me to sleep with him and sign the contract to prove my mother and sister are involved in the fraud!"

"That's just disgusting, don't you think?"

"Don't you understand? They won't be able to survive if I sign the contract!"

Riley laughed coldly.

"Don't say I didn't warn you, Xynthia."

"Law? Justice?"

"In this day in age, the devil takes all the spoils!"

"You think you can get out of the situation alive after going against the Golden Palace and the Bauer family?"

“Don’t be naive! Think about how to save your skin!”

“Sign the contract and spread your legs, and you’ll get out of the mess scot-free!”

“If you keep insisting on your so-called morals, don’t blame me for what happens next!”

“I didn’t hire you for a high price just for you to say things like that, Riley!” Xynthia snarled.

“I won’t sleep with Dylan, nor will I sign the contract!” “I’ll go to Flutwell Police Station tomorrow to protest! I’ll get my mother and sister out of there!”

Xynthia knew she was her mother and sister’s last hope. That was why she didn’t give up.

“How are you this stupid, Xynthia?!”

Riley was boiling with anger.

“I told you already!”

“This is Flutwell! Not Mordu!”

“Skill and power are the laws of this place!”

“Even if you’re a little capable back in Mordu...”

“You don’t have a chance to go against Manager Bowie!”

“He’s supported by the Hatchet Gang, Longmen and the Bauer family...” Xynthia took a deep breath. Harvey’s face flashed before her eyes.

“Maybe not. Dylan might be the one regretting his decision in the end...” she said before chuckling lightly.

“What did you say?”

“Manager Bowie might regret his decision? Ha!”

“Do you really think you’re a big shot just because your family has some money?!”

“You don’t have connections , power, or even allies in a place like this!”

“You want Manager Bowie to regret his decision?”

“With what exactly?”

“Your slender legs? Or your pretty little face?”

Riley was seething

“Corpses will pile up like mountains if Manager Bowie gets pissed!” “He’ll strangle you dead with just one hand!”

Xynthia wanted to say something, but was interrupted by a loud rewing from behind.

The people inside the car instinctively looked back, and saw three Toyota Prados coming straight at them.

A bright red symbol of a hatchet could be seen on the hoods of the cars.

The other cars on the road swerved out of the way in an instant. They were clearly terrified of the situation.

“The Hatchet Gang?!”

Riley’s face lost all color when she saw the cars.

“We’re screwed! Manager Bowie sent his men! He’s furious!”

“What now? What now?!”

Several bodyguards in black were at a complete loss.

In a place like Flutwell, the Hatchet Gang were living nightmares!

## Chapter 3113

Riley changed her expression and gnashed her teeth.

"There's no other way now, Xynthia!"

"Do everything Manager Bowie wants you to!"

"That way, we'll be able to keep our lives!"

"Things won't go well if you don't!"

Xynthia ignored Riley, who was making a big fuss out of the situation, and narrowed her eyes as she looked in front of her.

"Drive to the nearest police station!"

Under such circumstances, this was the best way to go about it.

"Right!"

The driver picked up the pace and drove to the nearest police station.

When they almost arrived, several cars from the Hatchet Gang were already waiting on the side of the road.

A man was leaning by the window while smoking a cigarette with a playful look. The Hatchet Gang had blocked off every single one of Xynthia's routes.

She wanted to go to the police station?

Impossible!

Cold sweats drenched the driver's back.

“We can’t get in! The Hatchet Gang’s here!”

The driver was sweating profusely.

He was also from Flutwell. Because of Xynthia’s high pay, he could still be considered as loyal.

But since he lived here, he knew that the Hatchet Gang was just too powerful. Not only did they have strength in numbers, but they were also very bold.

2

In a place where everyone trained in martial arts, the Hatchet Gang dominated the streets and was one of the Gang of Six with true power.

Simply put, anyone who dared to go against them would end up badly.

Unfortunately , the driver was hired by the same people who were opposing the gang.

The driver, who was into reading novels, only hated himself for not being a God of War.

If he was one, he would’ve fought off the Hatchet Gang and stepped into the limelight. Maybe he would’ve gotten a beautiful lady as his girlfriend in the process.

Creak!

In the single moment the driver was distracted, the cars from behind instantly closed the distance. Some assistants screamed in fear. They knew full well what would happen to them if they ended up with the Hatchet Gang.

11

Riley gritted her teeth. “Give up, Xynthia!”

“It’s not shameful to do that to the Hatchet Gang! Really!”

“When everything’s all set and done, who’d even know about what you did after you leave Flutwell?”

“Just start over in Mordu!”

"It's your life we're talking about here!"

Xynthia shook her head.

"Things don't work like that in this world, Riley."

"The law is made for a reason!"

"Power isn't everything!"

"Don't talk to me about that!"

Riley was utterly infuriated. She pointed at the cars trailing behind.

"Tell them about it!"

"See if they'll stop following us!"

"Tell them to let us go!"

"There's no damn point!"

"If there was, there wouldn't be so much unfairness in this world!"

"Let me tell you something! The strong will always prey on the weak! Power is everything!" "You have to stop being so naive!"

Xynthia sighed.

"I'd really prefer if we just talk it out..."

"I won't be the one doing the fighting, anyway."

"We're going to Flutwell International Airport."

Xynthia felt at ease when she remembered that Harvey was waiting for her at the airport.

## Chapter 3114

Vroooom!

The revving of the car engines could be heard. Under such dire circumstances, the driver was barely conscious. He carried out Xynthia's commands as if he was a robot.

The car entered a small road and went into an expressway leading straight to the airport.

The Toyota Prados froze, shocked. Then, they hurriedly trailed Xynthia's car.

When the car arrived at the airport, the driver sped right toward the bustling internet hotspot.

A lot of people looked over, trying to see what happened.

This was a dead end, though; the car had to stop after arriving near a cafe.

"What did you come here for, Xynthia?"

"You don't think that you can just fly away now, right?"

Riley was so angry that she was laughing.

"I won't say anything if you try to escape through the highway."

"But you got yourself caught in a dead end! What's the point of struggling in the first place?!"

"You did nothing besides make the Hatchet Gang's lives better!"

"Listen to me! Do everything as they say!"

"There are many women that do this! It isn't shameful at

all!”

Riley showed a bitter look, as if she was actually worried about Xynthia. In truth, she was scared she’d get caught in the crossfire.

As long as she was safe, why would she care about Xynthia?

Before Xynthia could respond, the three Toyota Prados from before surrounded the car in an instant.

The bystanders stepped aside in fear as soon as they saw the hatchet symbol on the hood of the cars.

The tourists who didn’t understand the situation stumbled out of the place as well after hearing about the gang from the locals.

Nobody would try to risk their lives in a place like Flutwell.

The security guards at the airport lowered their heads and swiftly rushed to a corner before intentionally closing their eyes, pretending to be asleep.

“Run!”

“Run faster!” “You came here of all places?!”

A wretched laugh rang from inside one of the parked Toyota Prados.

His laugh alone was enough to show just how perverted and terrifying the man actually was. A dozen men in white t-shirts walked out of the cars soon after.

A man in a white suit was standing at the very front.

He pinched a cigar between his fingers and lit it up as soon as he got out of the car. There was an extremely arrogant look on his face then.

The men in t-shirts carried hatchets on their waists. Their eyes were cold. 1

It was quite the numbing sight; everyone’s eyes were twitching frantically, terrified that they would somehow end up provoking these men.

Riley’s gaze shifted toward the man standing in front. Her expression changed in an instant. “Boss Dart?!”

“He’s Boss Dart!”

Riley recognized that man.

Boss Dart was one of the well-known Four Goliaths from the Hatchet Gang.

TIL

Not only was he ruthless, but he was also a deranged pervert. It was said that his favorite thing to do was to break every single bone of a beautiful woman’s body. Simply put, dying would be better than ending up with him.

Read Harvey York's Rise to Power Harvey York’s Rise To Power Chapter 3114 - the best manga of 2020

Of the A Potato-Loving Wolf stories I have ever read, perhaps the most impressive thing is Harvey York's Rise to Power. The story is too good, leaving me with many doubts. Currently the manga has

been translated to Harvey York’s Rise To Power Chapter 3114. Let’s read now the author’s Harvey York's Rise to Power A Potato-Loving Wolf story right here

Chapter 3115 Boss Dart and Dylan were part of the Four Goliaths.

Since Dylan was a distant relative of the Bauer family, he cared about his family’s reputation. Thus, it was rare for him to do anything that would incriminate his name. However, Boss Dart was a real troublemaker. He wouldn’t care about useless things like his dignity. Every time he took action, he would never hold anything back.

After seeing Boss Dart calmly smoking his cigar, Riley couldn’t help but stomp her feet. “What now? What now?!”

“That’s Boss Dart, Xynthia!” “They’ll torture every single one of us before killing us!” “At least keep my body intact when I die...”

Riley wasn’t the only one. The other two assistants went pale when they saw the man.

They were going mad just thinking about getting tainted before being killed.

Following the driver's lead, the bodyguards locked the doors. Their faces were horrible.

Even so, they were still shaking in their boots.

Xynthia ignored them. Instead, she looked at the cafe not far behind, worry coloring her face.

"Run, b\*tch!"

"Why aren't you running?!"

"It'll be boring if you give up now!"

Boss Dart blew a huff of smoke while pointing at the car.

"I'll give you three seconds. Get your \*ss out of here and strip, and then let me and my boys have a taste of you!"

"If you make us do it, we won't just be playing with you!"

The men chuckled cruelly at their superior's words.

They stepped forward swiftly and started kicking Xynthia's car.

In just a single moment, the doors began caving and the glass started to shatter.

The assistants' faces were stark white from fear; they were on the verge of passing out.

Riley had no intention to watch. She hurriedly jumped to hide behind the car seat, trembling in fear all the way.

"You did this, Xynthia!"

"If I can't get married because of this, I'll get back at you!"

"Get your \*ss out already!"

Boss Dart walked forward and took a hatchet from one of his men before swinging it at the car window.

“Are you trying to piss me off, you b\*tch?!”

“It’ll be really bad for you if Boss Dart gets angry!”

“Swish!”

Xynthia took a deep breath and mustered up her courage to pull the car door. She knew there was no point staying inside the car.

“What are you trying to do?”

“You chased us down.”

“Smashed our car!”

“And even threatened us!”

“Do you people not care about the law?!”

“How arrogant can you get?”

“The law?”

Boss Dart was surprised to see Xynthia stand up for herself even under such pressing circumstances. ‘No wonder Dylan wanted me to save this girl for him first!

‘She’s quite the treat!’

Boss Dart licked his lips before letting out a cold chuckle.

“To you small fries...”

“The Hatchet Gang surpasses the law!”

“What?”

“You don’t like that?”

“I’ll give you a chance to call the cops. See if they care!”

RA

Boss Dart threw his phone in front of Xynthia, a heinous grin on his lips.

Chapter 3116

Perhaps Xynthia's actions gave the bodyguards some courage.

Before, they were trembling in fear inside the car. Then, they gritted their teeth in determination and stepped in front of Xynthia.

At this, Boss Dart and his goons guffawed mockingly. They looked at the guards with a spiteful glare.

In their eyes, the beautiful-looking Xynthia and the fierce -looking bodyguards were all just lambs to be slaughtered.

=

If the Hatchet Gang willed it, these people would've been ground to dust.

Seeing the Hatchet Gang looking at Xynthia in such a way, and Boss Dart blowing a puff of smoke with an arrogant look...

The driver couldn't hold back his feelings any longer. He mustered the courage to step outside and held the firearm on his waist.

"Show us some respect, Boss Dart! Xynthia's a celebrity! She's a top talent! She..."

Slap!

Before the driver could finish, he was slapped to the ground by one of the Hatchet Gang's men.

A hatchet was then placed right on top of his head before he could fight back.

The driver could only keep still at that point.

The Hatchet Gang laughed. They surrounded the poor driver and threw punches and kicks at him.

In mere minutes, the driver's body was covered in red.

ILUL

"Stop!"

"Stop it!"

Xynthia pushed the crowd aside and stepped in front of the driver to protect him.

I

"You're going to do such a thing in front of a crowd?!" Boss Dart blew another puff of smoke, a wretched smile on his lips.

"Do you still not get it, you b\*tch?!"

"You dare talk to us about the law when you went against the Hatchet Gang?!"

"There are people that could speak reason with us: the Gang of Six and Flutwell's top-rated families, for example!"

"Small fries like you don't mean sh\*t to us!"

"People who dare disobey us will be executed!"

"How can you not understand this even until now?"

H

Riley was in utter despair upon seeing the terrible turn of events. She was trembling uncontrollably at that moment.

LL

“Just do as they say, Xynthia! Sign the contract!”

“Even if you don’t care about your own life, at least think about us!”

“You can’t drag us down with you!”

“We want to live too!”

The other two assistants stumbled out of the car with pleading looks.

“We’re scared, Miss Zimmer!”

“Please! Just accept their conditions!”

“We don’t want to die here!”

The assistants weren’t that desperate to keep their bodies pure. They would probably just let it slide if they were only cast aside after being taken advantage of.

However, things wouldn’t just end there if it was the Hatchet Gang

One wrong step, and their lives would be lost.

The bodyguards were trembling in their boots as well.

“It’s not that we didn’t try to protect you, Miss Zimmer!”

“The Hatchet Gang’s just too strong!”

“We have families too!”

“They’ll kill our families if we go against them!”

The tall and strong-looking bodyguards were on the verge of crying. The people of Flutwell knew to not go against the Gang of Six, even if it meant offending Longmen. At most, Longmen would only embarrass those who cross them by demanding them to grovel in public to atone for their mistakes.

But if someone from the Gang of Six were to take action, they would go for entire families!

Even if the Hatchet Gang wasn't the worst out of the Gang of Six, they were still utterly terrifying! Xynthia was filled with disappointment when she heard their words.

That said, she could understand what these people were going through. 4

Chapter 3117 Xynthia didn't blame them, as they were just hired to do their jobs. She took a step forward and glared coldly at Boss Dart and his goons.

"The Hatchet Gang, right?"

"You think you're strong?" "Then you better kill me right now!"

"If not, you won't have a chance to grovel when my brother-in-law's here!"

Riley and the others were completely shocked when they heard Xynthia's words.

They didn't think that Xynthia would act this way, even under these pressing circumstances.

Boss Dart and the others froze.

They knew Xynthia was quite hard to deal with...

But they didn't think that she still dared to talk big.

"Kill you?"

A heinous look flashed across Boss Dart's face.

“Of course we’ll do that!”

“We’ll do that in my bed later!”

“I’ll guarantee you’ll beg for me to kill you when that happens!” “You want to die, don’t you?!”

“Your wish is my command!”

Boss Dart clapped and exclaimed, “Strip her and find the closest hotel! I’ll deal with her!”

“I’d like to see if she’ll still run her mouth when that happens!”

“But Boss Dart , Young Master Bowie said...” one of his goons mumbled after hesitating for a moment.

Slap!

Boss Dart slapped the goon to the ground and snarled,“ You think I can only have his sloppy seconds?!”

“You think I can’t play with her first?!”

“Enough talk!”

“Get to it already!” Boss Dart’s goons charged forward and reached for Xynthia’s limbs. Xynthia’s face lost all color. However, she quickly pulled out an exquisite firearm from her bag. She got this a few days ago to keep herself safe. She aimed the gun at Boss Dart.

“We’ll die together if that’s what it takes!”

“Die together?!”

Boss Dart scoffed.

“You have no right to die with me, you little b\*tch!”

He craned his neck before moving forward.

“Aaaaah!”

Screams of fear echoed in the crowd. Everyone looked at the end of the road with shock.

Boss Dart and his goons looked over as well, curious.

All of a sudden, a parked Land Cruiser started its engine.

After grinding its tires against the ground a few times, the car rushed right toward Boss Dart and his goons at lightning speed.

‘Someone’s trying to kill me!’

“That b\*stard!”

Boss Dart and his men were scared witless . Nobody had the guts to crash into them like this before!

Before they could come to their senses, the Land Cruiser was already right in front of them.

“Move!”

“Get out of the way!”

Boss Dart stumbled back after snapping back to his senses.

He managed to gain some distance, but his subordinates weren’t that lucky.

Several loud bangs followed, and many goons were sent rolling on the ground. Boss Dart was sent flying as well. Blood spurted out of his mouth when he landed on the ground again.

Riley and the others were completely shocked speechless.

They couldn’t believe someone would dare go against the Hatchet Gang!

Chapter 3118 The bystanders were completely shocked , so much that they stumbled backward.

They were terrified; they knew that something terrible was about to happen that day.

"It's hard to drive around the highlands. I didn't think that I'd miss one."

Right then, the Land Cruiser's door was kicked open.

Aiden jumped out of the car with an annoyed scowl.

Since the main culprit was still alive, his achievement was robbed of him.

At the sight of Aiden's arrogant look and dominant tone, an unspeakable wave of fear occupied Boss Dart's heart.

He stumbled off the ground and wiped the blood off his face, and glared at Aiden.

"Who the hell are you, you b\*stard?!"

"How dare you crash into us! We're from the Hatchet Gang!"

"Do you not care about your superiors?"

"You're completely lawless!"

"How dare you challenge the Hatchet Gang?!"

"Your fate's already sealed!"

Boss Dart gritted his teeth.

Power has an important place in modern society.

People like Boss Dart only dared to act pompously because of his strong background and the immense

support he received within Flutwell.

The person who drove the Land Cruiser was clearly an outsider.

How dare an outsider crash into Boss Dart!

Even if he was a powerful man...

Boss Dart could definitely take him down after figuring out his identity!

“You use power when confronted by reason...” “And when you get overwhelmed, you start to speak reason again.”

A calm voice could be heard from the cafe at this moment.

“You can just take advantage of whatever you want, I suppose.”

“I hate people who do this the most.”

“Break his limbs and take him away. We’re dealing with the Hatchet Gang.”

Upon hearing the familiar voice, Xynthia instinctively

raised her head and saw a man with his arms crossed.

“Brother-In-Law...” Xynthia’s anxious heart was finally relieved when she saw Harvey’s face. She pounced at Harvey, full of excitement, before she started wiggling his arm around like a small child.

Riley and the others looked at the scene before them, their expressions changed. After that, they quickly stumbled out of the place.

They didn’t know who Harvey was, or where he came from...

However, they knew it was an extremely bad idea to go against the Hatchet Gang in Flutwell.

Besides, they couldn’t tell what was so impressive about Harvey.

“Brother-In-Law...”

Xynthia finally regained her calm after a long while. “I’m sorry! I didn’t stop Mother and Sister from coming here!”

“I got tricked here by a contract, too...”

“It’s my fault Mother and sister got into this situation...”

After finally meeting with her brother-in-law, Xynthia let go of her brave front and showed him a helpless look.

“It’s fine. I’m here now.”

Harvey poked Xynthia’s nose affectionately. “They’ll be fine. I’ll make sure of it.” “Those pay for taking advantage of you!”

“I guarantee it!”

Xynthia felt warmth in her heart; she felt like she was finally able to rest soundly after hearing those reassuring words.

What a pity! Her brother-in-law wasn’t single!

But wait! Didn’t he divorce her sister already? Was Harvey still her brother-in-law?

Chapter 3119 While Xynthia was still caught up in her thoughts, Harvey calmly glanced at Boss Dart and dragged his thumb across his neck.

Riley, who was hiding on the side of the street, saw Harvey’s gesture and her eyes twitched. She felt that something big was about to happen.

Clack!

Aiden’s lips curved into a wretched grin when he saw Harvey’s gesture, and then brought out a hunting rifle. He casually aimed it right on Boss Dart’s leg.

Bang!

Without any hesitation, he pulled the trigger.

In the next second , Boss Dart stumbled backward while clutching his leg.

The crowd screamed in fear before running away, frightened they would get themselves involved with the mess.

“Aaaaagh!”

Wails of pain broke the air. Soon enough, only Boss Dart was standing in the middle of the place.

“You...”

“You people...” “You’re lawless!”

“Do you not care about the law?!”

“I’m Boss Dart! I’m one of the Four Goliaths of the Hatchet Gang!”

Boss Dart was trembling uncontrollably. The confidence he barely mustered collapsed in an instant.

He wanted to run, but the immense fear in his heart forced him to remain still.

“Sir York told me to break your limbs.”

Aiden sauntered forward with a smug look, and tapped Boss Dart’s face arrogantly. “Don’t you worry. I won’t kill you since Sir York ordered me to keep you alive.”

“I’ll make it quick. I have experience, after all.”

Boss Dart shivered after hearing those words.

“I—I’m from the Hatchet Gang! I’ll kill you if you even touch me...”

He instinctively reached for the hatchet that was on his waist.

However, a loud bang was heard before he could even pull the hatchet out. He lay on the ground, paralyzed, when a

sharp pain struck his left leg.

A single shot had completely crippled his leg. The pain was unspeakably overwhelming to the point he started to shiver uncontrollably.

“Boss Dart!” Riley and the others screamed in disbelief to see their superior shot.

Nobody expected someone would actually dare to do something like this against one of the Hatchet Gang’s Four Goliaths.

Do they not fear the consequences?

Riley trembled uncontrollably as she screamed, “That’s Boss Dart! He’s from the Hatchet Gang!”

“There must be something wrong...”

“Something wrong?”

Harvey flashed her a warm smile.

“You must be Riley.”

“Don’t worry.”

“I came here to deal with the Hatchet Gang.”

“I have the information right here. Nothing’s wrong.”

Riley’s eyes twitched frantically. She was confused as to how Harvey knew her name, but she didn’t dare utter a single word.

“Hurry it up. Have you not eaten or something?” Harvey said calmly.

“Right!”

Aiden chuckled wretchedly before pulling the trigger.

Bang, bang!

Boss Dart screamed in pain after two more shots. He instantly passed out before snapping back to his senses again.

When he came to, all four of his limbs were crippled.

“Aaaaaaah!”

One of the Four Goliaths of the Hatchet Gang couldn't help but scream in fear. It was a miserable sight...

“At least hold back a little. We don't have anyone to lead the way if you kill him.” Rachel appeared from the back.

Chapter 3120 Rachel brought out a box of anesthetics and injected one in Boss Dart.

She stopped the bleeding from his body to save him from death.

Boss Dart's expression darkened upon seeing what Rachel did.

He knew a terrible fate awaited him.

Boss Dart, who had been extremely arrogant and had always taken advantage of the citizens, was currently filled with immense hatred and despair.

He was a ruthless man of the underworld, but when compared to these people, he felt he was nothing. 1 He was the one who would make the people's lives a living hell...

Now, he had gotten a taste of his own medicine.

“You’re still alive, right?”

Aiden poked Boss Dart’s head with the hunting rifle. “Lead the way.”

“We’re going to deal with the Hatchet Gang right now!”

Two Longmen disciples ran over and lifted Boss Dart on a wheelchair. Boss Dart’s fury intensified when he saw that a wheelchair was already prepared for him.

“You b\*stards! You crossed the damn line!”

Bang!

Aiden wasted no time pulling the trigger on Boss Dart’s inner thigh.

“Shut the hell up. If you speak again, I might just miss your leg...” Boss Dart shivered in fear when he noticed Aiden looking at his crotch. He went silent, not daring to say another word.

Ten minutes later, a Toyota Alphard and a Land Cruiser drove right toward Hatchet Gang’s base camp.

Boss Dart was strapped on top of the Land Cruiser’s hood. It was truly a magnificent sight.

Inside the van, Riley finally came to her senses.

She figured out who Harvey was –a live-in son-in-law. 1

She hesitated for a moment, and then glanced at Boss Dart’s miserable appearance. She mustered the courage to speak up.

“What are we going to do here, exactly?”. Naturally, she thought Harvey was only putting up a

show, saying that he was going to deal with the Hatchet Gang. After all, the Hatchet Gang had strength in numbers in terms of manpower and firepower.

Harvey and the others wouldn’t be able to do anything.

But judging from where the cars were headed, it seemed like they were doing just that.

Harvey looked at Riley with a warm smile. "You were taken advantage of by those people today. As your brother-in-law, of course I'd bring you the justice you deserve."

"Are you really going to the Hatchet Gang's camp?"

Riley panicked after hearing Harvey's words.

"I know who you are, Harvey! Auntie Yates told me about you! You're just a live-in son-in-law!"

"You met a bunch of hooligans on the street, and now, you won't even listen to anything she says!"

"So what if you met a few rich playboys in Mordu? You can't do anything in Flutwell!"

"Do you even understand who you're dealing with here?"

"You'll die if you go against them!"

"They won't reason with you!"

"Even if you didn't hurt Boss Dart, they'll kill you for making a mess in their territory!" "We should leave right now!"

"Listen to me! You're no match against the Hatchet Gang!"

"This world is way bigger than you can ever imagine! Flutwell is a lot more terrifying than you think!"

"There's no need to die like this!"
