Chapter 3121-3130

Chapter 3121 Harvey casually picked up a bottle of soda and took a sip out of it, smiling

"A lot of people have already died. We've also crippled one of the Four Goliaths."

"If we don't destroy the Hatchet Gang once and for all, we'll have a hard time staying in Flutwell in the future."

"Don't worry. When we're done, I'll treat you to a barbeque."

A strong sense of confidence was radiating from Harvey's body.

"Is your brother-in-law really that impressive, Xynthia?" Riley was shocked to hear Harvey's words. Soon after, she tried to figure out his identity.

'If this man belongs to a rich family, I'll have to cling onto him with all my might...'

"Brother-In-Law's a live-in son-in-law! Just like what Mother said, he only got this far because he's my sister's kept man," Xynthia said quietly.

Harvey had a lot of identities, but in Xynthia's eyes, him being her brother -in-law was the most important one.

Riley froze at that.

"Is he really just a live-in son-in-law?"

"Yeah! The kind that does nothing other than being kept."

Harvey looked back with a smile on his face, saying nothing

"Live-in son-in-law..."

“Live-in son-in-law...”

Riley repeated herself a few times before exploding in anger.

“You b*stard!”

“Why are you showing off in front of me when you’re just a stupid live-in son-in-law?!”

“You killed people, crippled Boss Dart, and now, you’re going to the Hatchet Gang’s territory for trouble!”

“At this point, you should just kill your way to the Golden Palace!”

“And to think I thought you had a powerful background of some sort!”

“You’re just useless trash who’s being kept in by the Jean family!”

“You really think you can go against the Hatchet Gang with just two of your followers?!”

“Not only will you get yourself in deep trouble for doing this, but I’ll also die because of you!”

“You b*stard!”

“I’ll kill you!”

Riley was on the verge of insanity.

How did things turn out this way? At first, she thought Harvey had the capability to protect her...

Judging from the current situation, he was just showing off for his own ego.

Riley was speechless as she looked at the live-in son-in law pretending to be someone he wasn’t. She couldn’t help but scream. “Stop the car, you b*stard! Stop it right now!” “I don’t want to die with you!”

“Don’t you know?!”

“Not only is the Hatchet Gang one of the Gang of Six, but they’re also filled with experts! The head of the gang, Kayden Balmer, is near invincible!”

“You’ll just cart yourself to your death if you go there now!”

“You’re going to look for them for trouble?”

“You might not even get past the front door! They’ll send you flying with a single slap to the face!”

Riley was boiling with anger as she demanded to get out of the car. There was a disdainful look on her face. She was confident there was no way Harvey could even get past the front door.

At this moment, the car arrived in front of the Hatchet Gang’s main camp.

The gang had been around Flutwell’s underworld for many years, and they were also one of the Gang of Six.

Clearly, their presence wasn’t just for show.

Hundreds of people rushed out of the camp after feeling hostility from the two cars.

They were dressed in black suits and wielded hatchets, their faces filled with arrogance.

Boom!

Someone casually threw a molotov cocktail to the ground, stopping the two cars in their tracks.

“Get your *ss out of here, you b*stards!”

A gangster with slicked back hair stomped forward with a cold gaze.

Chapter 3122 “I don’t care who you are!”

“I don’t care what background you have!”

“If you hurt Boss Dart, you go against us!”

“We’ll rip you to shreds!”

“Let him go right now!”

Under the gangster’s lead, his companions stepped forward with wretched looks.

The Hatchet Gang were the ones who took advantage of others for so many years, and not the other way around.

Boss Dart was currently strapped to the hood of the car after being completely crippled.

Boss Dart, who was on the verge of death, chuckled coldly after seeing his brothers standing up for him. He felt extremely confident in his chances to survive.

“You’re dead, you b*stards!”

“How dare you cripple me!” “You want to destroy the Hatchet Gang?!” “Ha! What a f*cking joke!”

“Just look at us! How are you supposed to get your way

in?!” “Are you gonna ram your heads at us?!” “You’re dead!”

“There’s no turning back!”

“I’ve seen a lot of people who have a death wish, but it’s my first time seeing someone this eager to die!”

Riley began shivering uncontrollably when she saw how brazen Boss Dart was.

“I’m dead because of you b*stards!”

“You asked for this!”

“How are you people this dumb?!”

Harvey ignored Riley, acting as if she didn't exist, and rolled down the car window.

“He's all yours. Send him back.”

At Harvey's command , Aiden kicked Boss Dart from the back.

Bam!

The sheer force sent Boss Dart flying in the air before crashing into the gangsters.

Instantly, all of them flew all over the place. It was a wretched sight.

At least a dozen people were lying on the ground in pain.

They didn't even have the strength to get back up.

Boss Dart was quite persistent, though; somehow, he was still alive.

The chaotic sight sent Riley shocked speechless.

Even the gangsters couldn't come to their senses.

They couldn't believe someone would dare to do something so bold to the Hatchet Gang.

Not just that...

They were completely looked down on!

“Go! Go together!”

“Kill them all!”

The man with slicked back hair shivered before giving the command.

He didn't believe that someone had the ability to harm the Hatchet Gang.

The gangsters came to their senses and pulled out their hatchets, ready to strike at any moment. Aiden only laughed coldly at their reactions. He stepped on the pedal of his car, charging at the people in front.

Bam!

How could humans possibly win against a speeding car? There was a loud bang, the gangsters who surrounded the

cars earlier were now a complete mess.

Some were lucky enough to dodge the car, but others were sent flying in an instant. The man with slicked back hair was coughing out blood after getting rammed violently by the car. He was at a loss; he stumbled backward and screamed furiously, "Kill him! Kill him right now!"

The elites of the Hatchet Gang frantically picked up their hatchets as they tried to think of a way to pry open the car doors.

Chapter 3123 Even so, surely Aiden wouldn't give them a chance to retaliate!

He burst out laughing and stepped on the pedal once more with a crazed look on his face. Without warning, the

Toyota Prado charged forward.

A few elites would be knocked into the air every time Aiden charged forward.

Aiden had no intention to hold back, regardless of whether the gangsters wielded hatchets or firearms.

This rich playboy was indeed quite ruthless. Ordinary people wouldn't be as well-prepared as him. 1

The wicked would always suffer more evil. This incident was the embodiment of that meaning.

In a blink of an eye, almost a hundred people from the camp fell to the ground screaming, without any strength left to fight back.

Only the man with slicked back hair was left standing. He trembled uncontrollably.

Seeing that Aiden was about to ram him with the car, he couldn't hold his feelings back any longer.

"You b*stard!"

"Get out of the f*cking car and fight me if you dare!"

Bang!

Before he was done talking, Aiden hopped out and raised his hunting rifle, and then pulled the trigger.

Cold sweat drenched the man's back as he was sent flying from the impact of the shot.

He only had one thought: Aiden was looking down on the rules of the underworld!

Aiden ignored the mess he made and swiftly loaded a few bullets into his rifle before trotting into the Hatchet Gang's base camp.

When he was in Mordru, he didn't slack off.

He didn't have too much progress in his martial arts training...

However, he soon found that he was good at using firearms.

With his arrogant attitude and firearm in hand, he had become a lot more ruthless than he was before.

Only a man like Harvey would be able to suppress him.

Aiden wouldn't bat an eye toward any other person.

Harvey took Xynthia out of the car after seeing that Aiden had entered the camp.

Rachel and a few Longmen disciples followed closely behind. Aside from keeping Xynthia safe, they were also pushing Boss Dart in a wheelchair. The man was on the verge of death.

“What are you trying to do, Harvey?”

“Don’t you know when to stop?” “Are you crazy?!” Riley couldn’t just sit back in the car. She trembled uncontrollably and poked her head out the window, and started screaming at Harvey.

Harvey, however, didn’t even look back.

“I told you.” “I’m destroying the Hatchet Gang.”

“If you’re scared, you should just head back first,” Xynthia told Riley after a moment’s hesitation.

“Head back?”

Riley’s eyes twitched frantically after seeing the terrible mess on the ground.

She wanted to run, but she didn’t dare leave the place.

“I’m your cousin! I can’t just run away!” she exclaimed through gritted teeth.

“What am I supposed to tell Auntie Yates if anything happens to you?!”

She swiftly ran behind Xynthia soon after.

It wasn’t that she was fearless enough to fight alongside Harvey.

She simply felt that she was safer if she stuck with him under such dire circumstances.

If the opportunity came knocking, she wouldn’t mind selling out Xynthia and Harvey for the sake of her own life.

Harvey ignored Riley and let her follow them, not saying anything.

He made a gesture to Rachel, telling her to keep an eye on Aiden.

Aiden was a ruthless man, but his skills were quite subpar. It was already good enough for Aiden to perform to this extent.

Harvey didn't want anything bad to befall his subordinates.

Chapter 3124 The Hatchet Gang fell into utter chaos when someone sounded the alarm.

Many elites of the gang rushed out as soon as they could.

Aiden didn't care about any of that. He simply dragged his hunting rifle and kept on walking forward.

Not any ordinary person was able to muster the same calmness he had.

Harvey had no intention to stop Aiden from occupying the center of the base.

Riley, on the other hand, felt her throat go dry from all the chaos.

The sight in front of her was just too ludicrous. Even the greatest Hollywood films weren't as intense.

None of this was realistic at all!

Riley couldn't help but rub her frozen face, shivering in fear.

"There are at least hundreds of people here, Harvey!"

"Your subordinate's good, but the Hatchet Gang has strength in numbers!"

"It's unrealistic to deal with all these people with just

one gun!”

“Everyone in Flutwell knows there are at least a hundred guards posted in every single courtyard of the Hatchet Gang! Each one of them is a lot stronger than the ones before!”

“Listen to me! Stop this right now!”

“Find a chance and apologize to Kayden after that!”

“We’ll all die if you don’t do that!”

“Your subordinate’s good, but what can a damn gun even do at this point?” Riley kept following Harvey and the others while desperately trying to stop them from attacking the base.

Soon after, hundreds of elites swarmed them from every single direction.

While Riley was still busy running her mouth off, Aiden had already kicked down the door in front of him.

At that instant, about a hundred elites from the Hatchet Gang swarmed him from all sides.

Rachel took a step forward, ready to lend him a hand.

Aiden let out a wicked chuckle before raising his hunting rifle. The moment the elites instinctively stepped back, he quickly took a step forward and swung his palm. Slap, slap, slap!

A string of slaps could be heard, and several elites were sent flying

Harvey was rendered speechless at the sight.

He couldn’t believe that Aiden had already learnt the essence of his slapping technique. Before Harvey could further dwell on that, many more people charged at Aiden, ready to cut him down. Aiden mercilessly swung his palm forward once again. Just like before, the elites were sent flying.

At the same time, Aiden swung his hunting rifle around and pulled the trigger, his face the epitome of wretched delight.

Bang, bang, bang! Bullets ricocheted all over the place. Aiden was basically unstoppable. He was brutal. Before Riley's disdainful look could disappear, Aiden had already shot down the entire courtyard of people.

It was a complete mess.

But this was to be expected. Steel blades are no match against firearms.

These so-called elites must've been used to taking advantage of other people, and had never met someone as insane as Aiden.

He was quite the prominent figure even in Mordu, after all.

Before Harvey took him under his wing, even Rachel was almost killed by him.

If a man like him were to use all his might, a bunch of nobodies wouldn't be able to stop him. "That... That..."

Riley's eyes twitched frantically; she was in utter disbelief.

After seeing Aiden clean out the courtyard on the second floor with ease, she gritted her teeth.

"I heard that the third floor is the one where all the strong men are!"

"Those people are all professionally trained! They all have eight packs! If we provoke them..."

Of the A Potato-Loving Wolf stories I have ever read, perhaps the most impressive thing is Harvey York's Rise to Power. The story is too good, leaving me with many doubts. Chapter 3125 Before Riley could even finish her sentence, her whole body froze and a horrible look appeared on her face. Aiden didn't give anybody a chance to react and kicked the door down before raising his hunting rifle, catching the men inside the room off guard.

Bam! "

A loud bang could be heard, and the man at the very front was sent flying before crashing into the people behind

him.

Aiden took a step forward and pulled the trigger at the confused goons who were lying on the ground.

None of them had any chance of even getting close to Aiden. In just a single moment, they were only left with the strength to wail in pain as they rolled on the ground.

“You b*stard!”

The man in front was boiling with anger at the sight. He was about to pull his gun out, but...

Aiden laughed again and took a step toward the man, and placed the barrel of his rifle right on the man’s head.

Bam!

Before the man could react, Aiden slammed his rifle

against the man’s head. The man saw darkness in front of his eyes before passing out.

The rest of the Hatchet Gang, who were used to their lavish lifestyle and constant arrogance, had no chance against Aiden. Riley froze again. She wanted to say something, but she wouldn’t dare utter a

single word. She couldn’t believe a single man was able to deal with so many people from the Hatchet Gang with just a single rifle. At this point, he was basically invincible! Harvey’s subordinate really was impressive...

Riley wanted to insult Aiden for having a rifle with him.

However, she couldn’t even make a sound after seeing such a merciless sight, courtesy of Aiden himself.

Under Aiden’s lead, corpses began piling up in every single courtyard they passed. Aiden had no mercy toward anyone who charged right at him, be it if they wielded hatchets, muscles, and even firearms.

All he did was daze the people with his slaps and deal the final blow with his rifle.

The lurking experts, on the other hand, were dealt with by Rachel. 1

Aiden had killed his way to the top.

Naturally, he had only been this dominant once his entire life.

Ten minutes later, Aiden kicked a bronze door open. His eyes lit up. This was a well-decorated Gangnam-style courtyard. This place was warm and cozy, especially since it was on a plateau. Plants were placed all over the place, giving the place quite an artistic mood to it.

When Harvey and the others stepped inside , murderous intent immediately filled the elegant-looking courtyard.

Hundreds of elites walked out from every single direction.

They all carried guns, and their faces were frosty.

Middle-aged men in black suits were standing in the forefront.

Their heads were raised up high, their gazes as cold as ice. Murderous intent could be felt seeping out from every single one of them, at the same time revealing their strength.

Naturally, the men in black suits were the higher-ups of the gang. The people surrounding them were the actual elites.

They were both enraged and terrified when they saw Harvey and his people barge in their camp without much effort.

Even as the worst of the Gang of Six, the Hatchet Gang had always been the ones taking advantage of other people and not the other way around. If this incident were to spread , the Hatchet Gang would turn into the biggest joke Flutwell.

If they couldn't even deal with an outsider on their own, they had no right to be in the Gang of Six. They might as well just die! What a joke! But after seeing Aiden and Harvey's wretched and calm appearances , these people knew they had to keep their guard up.

Chapter 3126

An elegant woman with short hair and a black rose tattooed on her chest strode forward, her face cold.

“How dare you cause such a mess in our base!”

“You have a death wish?!”

Aiden chuckled after hearing those words. Then, he pulled out a grenade.

Harvey froze; he didn't expect that Aiden would have such a thing with him.

Did he have a small arsenal with him?’

Harvey took a step forward to stop Aiden from pulling the pin of the grenade.

Then, he said to the woman, “Tell Kayden to get out of here!”

“I'll give him one minute.”

“If we don't see him after that...”

“I'll have every single one of you kneel at the city center to repent for your sins.”

Harvey's words were calm; not a trace of anger could be heard from him.

However, those words were enough to enrage the Hatchet

Gang completely. “You b*stard!”

“Who the hell are you?!”

“How dare you act so high and mighty in front of us!”

A young man with a buzz cut couldn't hold back his anger and screamed furiously at Harvey before charging forward.

He held a small hatchet, which he swung right at Harvey.

Swish!

It was a shame. Even though he was fast, Rachel was a lot faster.

TO

She waved her right hand, and then, a bright light flashed before the man's eyes. Harvey didn't even need to move a single inch.

The man knelt to the ground in an instant. Both of his legs were injured.

Two of the Hatchet Gang's higher-ups exchanged glances before pouncing forward, hatchets in hand. Rachel calmly swung her hands forward, and something flew out of her sleeves.

Swish!

The higher -ups trembled before falling to the ground, paralyzed, after seeing getting hit by the bright light.

No ordinary person would be able to hide their traces when faced with such an attack.

Rachel remained expressionless, as if she only took down a few measly gangsters rather than two powerful fighters. 1

She obediently stood next to Harvey, her face ice-cold, as if nothing had taken place.

The corner of the higher-ups' trembled, their eyes twitching frantically.

‘No ordinary person can do this!’

‘Only people from Longmen or the Bauer family can do such a thing!’

But they're outsiders! There's no way they're from Longmen!

Besides, they're trying to take down the Hatchet Gang even when they're not from this place!

'What a joke!'

"They think we don't care about respect?!"

'Sons of b*tches!

The Hatchet Gang gritted their teeth, preparing themselves to charge.

However, Aiden's rifle and Rachel's calmness were enough to instill fear in them.

Harvey's face was as expressionless as ever, as if nothing had ever happened in the first place.

"Thirty seconds."

"I'm a very impatient man. I hope you don't disappoint me."

"How dare you, young man!"

An elite's voice echoed from behind.

"The Hatchet Gang has no grudge against you, but you broke into this place and hurt so many of my brothers!"

"What exactly is your goal here?"

"You think you're invincible? Or do you think that we're just a bunch of nobodies?"

A tall man with well-kept hair walked out with a dozen experts of the gang trailing behind him.

Chapter 3127

A noble aura could be felt seeping out of the man's body. His face bore an unspeakable prestige.

The higher-ups of the gang all gave way as soon as they saw the man.

"Boss Balmer!"

Harvey narrowed his eyes; he immediately recognized the man. This man was the head of the Hatchet Gang and one of the six gang leaders of Flutwell—Kayden Balmer.

"No grudge against me, you say?"

Harvey calmly walked forward, leveling his narrowed eyes at Kayden.

"You people are impressive!"

"You kidnap my sister-in-law in the middle of broad daylight, and force her to sign the papers to throw my wife and mother-in-law under the bus!"

"And now, you tell me there's no grudge between us?"

"Is your brain working?" Harvey then kicked Boss Dart toward Kayden.

When Kayden saw this, he was on the verge of stomping Boss Dart to death.

Dart had been living such a lavish life in the base camp for the longest time...

And then what happened?

Because of him, the entire gang was on the verge of collapse!

Kayden wanted to kill him so badly!

The fool just had to go against someone as powerful as Harvey!

Boss Dart looked helpless; he only wanted to snatch a woman, but he didn't expect to provoke such a menacing person.

After hesitating for a moment, he muttered quietly, "Dylan asked me to do this, sir..."

Slap!

LI

Harvey calmly sent Boss Dart flying with a slap on the face.

"Who cares?"

"I'll settle scores with you and your gang first, and then I'll go for Dylan."

*B*stard!

"This useless f*ck!"

Kayden wanted to choke Boss Dart to death so badly.

Since he had already provoked the enemy, what was the point of confessing?

Dylan was the Bauer family's distant relative.

If the Hatchet Gang were to get the Bauer family into trouble because of this, Kayden would be dead without a burial spot.

Despite his anger, he was still putting up a brave front as expected of an elite.

He narrowed his eyes as he looked at Harvey seriously and replied calmly, "I don't know what sort of extraordinary background you have..." "But since things have escalated to this point..."

"And you've hurt so many of my brothers, what else do you want?"

Kayden was filled with unbridled rage.

However, he was clearly a smart man to be able to come this far.

His heart warned him not to take action recklessly. Even if he had hundreds of people supporting him, he still had no confidence in taking down the man in front of him.

Rachel and Aiden were nothing to him.

No matter how strong these two were, Kayden felt like he could stand a chance against them if he had no choice but

to fight.

On the other hand, Harvey bore the same calm look since the very beginning. Nobody could tell how capable he actually was.

Kayden was quite fearful; he was scared that he would be the one suffering terrible losses.

He was planning to swallow the resentment and wait for his reinforcements before going against Harvey.

A real man lacks not in venom, after all!

Kayden managed to survive in Flutwell for so long mainly because he always had his guard up.

Meanwhile , Harvey couldn't be bothered to guess what Kayden was thinking.

"I heard that the head of the Hatchet Gang is quite the prominent figure in Flutwell."

“You can go all out. Use whatever weapons you want. As long as you can block my slap...”

“I’ll let you handle things however you want.”

“But if you can’t even do that...”

“Then you’ll be my servant from now on.”

“Got it?”

Kayden froze. Immediately after, his expression changed; he was utterly enraged.

“You b*stard! I’m the head of the Hatchet Gang! How dare you try to humiliate me?!”

“I’ll kill you!”

Kayden took a step forward and shook his hands. In an instant, his clothes exploded and revealed his body. His body was fully tanned, and his muscles were quite apparent as well.

LIU

At first glance, Kayden seemed to have trained in a traditional martial art style like the Golden Shield or the Iron Skin

Kayden used all his might to scream his heart out.

“You little b*stard!”

“I’ll let you know...”

“What it means to challenge someone way out of your league!”

“I’ll kill you!”

He immediately threw a punch right toward Harvey.

Fwooosh!

Loud crackles could be heard in the air at that very moment. Everyone's ears couldn't bear to listen to that awful sound.

"There it is! Head Balmer's killer move—the Crimson Stream!"

"It's said even a buffalo could be killed after taking a punch!"

"The experts who try to challenge him would be crippled with the same punch!"

"That b*stard's dead for sure!"

The gang was exhilarated.

They had only heard of legends regarding their leader's experiences...

Surely Kayden was just as terrifying as the legends said!

Swish!

Just then, Kayden's fist was about to connect with Harvey's face...

Harvey, however, calmly took a step forward before swinging the back of his palm.

Slap!

It was just a simple slap...

Yet Kayden's expression kept changing when he received the impact of Harvey's slap. The entire world before him changed; the slap was infinitely expanding.

Before Kayden had any time to react, a sharp pain stung his face and he blacked out. His body was sent flying, and he smashed right into the wall behind him. He didn't even have the strength to stand back up.

The woman with a rose tattooed on her chest and the others were completely shocked. They couldn't believe what they had just seen.

Nobody thought that Kayden wouldn't be able to take a single hit from Harvey!

He was truly invincible!

“What did you just say?”

Harvey nonchalantly took out some tissues to wipe his hand.

“I couldn’t hear you clearly. Say that again?”

Harvey’s calm words were enough to make Kayden back grow wet with sweat. His eyes twitched frantically. After a long while, Kayden stumbled off the ground and quickly knelt before Harvey.

“My posture wasn’t that good, Master.”

“It’s much better now.”

“Please, slap me as you wish.”

He then glared at the subordinates around him and yelled, “What are you doing, you b*stards?!”

“Don’t you see that I’m greeting my master here?!”

“Kneel! Every single one of you! Do you have a death wish?!”

His subordinates were in complete shock, but they still knelt on the ground, albeit with wretched looks on their faces. All of them were trembling uncontrollably.

Kayden was an expert himself. As soon as he was slapped in the face, he understood it.

He couldn’t even take a single hit against Harvey...

He would die for sure if the fight kept going!

A smart man would always give in to the circumstances.

At the sight of his obedience, the crowd was at a complete loss.

Not only did the head of the Hatchet Gang kneel, but he also didn't even try to

Riley was utterly shocked.

Ordinary people who try to go against him would die without even knowing

He knelt in an instant!

Wasn't Harvey just a live-in son-in-law?

Because of the day's conflict, Riley thought both Harvey and Xynthia had their
fates sealed, and that they were going to die without a burial spot...

She never expected that Kayden would be the one to
kneel instead.

She couldn't believe everything she was seeing.

1

Only Xynthia looked completely calm. She knew everything would be solved if
her brother-in-law was present.

Harvey calmly walked to the middle of the courtyard and sat on a chair while Kayden was still kneeling.

“Kneeling alone isn’t enough for me.”

Slap, slap, slap, slap! In that instant, Kayden gave himself a dozen slaps across the face.

On top of that, he approached the elites of the gang and gave them the same amount of slaps as well. “From now on, you’ll be the new king of the Hatchet Gang!” he exclaimed after kneeling on the ground, his body trembling uncontrollably.

“You’ll call all the shots!”

Harvey’s narrowed eyes rested on Kayden for a moment. Then, he slowly walked forward and decisively stomped Kayden to the ground.

1

“Since you want to be my servant, you’ll have to make sure you’re prepared for it,” he said calmly. “I’m only telling you this once.”

“You can try to betray me.”

“But you’d have to pay the price for doing that.”

Bam!

Harvey took another step forward. Cracks formed all over the ground, looking just like spider webs.

1

A hint of murderous intent seeped out of his body, enough to completely scare off the merciless experts of the Hatchet Gang. They couldn’t even muster their strength to stand back up.

Harvey was just too strong!

After getting first-hand experience of Harvey’s power, all of them gave up on their thoughts of revenge completely.

11

Revenge was done among people of the same level...

How could they go against Harvey when he was clearly several leagues above them all?

Anyway, these gangsters were spineless from the beginning

Kayden's high and mighty attitude was long gone when he stood back up. He was only filled with unbridled fear.

In a place like Flutwell, power meant everything.

Since Harvey was a lot more powerful than him, he had no other choice other than to kneel.

Even though Harvey had the Hatchet Gang dealt with, he wasn't too happy about it either.

The Hatchet Gang was one of the Gang of Six in Flutwell, but they were the worst out of the six in terms of skill and power. Compared to the Golden Palace, Longmen, and the Bauer family, they were completely inferior.

11

That said, the Hatchet Gang's base camp wasn't bad at all. Harvey decided to stay here after getting someone to clean up the entire place.

"As expected from my brother-in-law! Not only did you deal with my problems, but you even took down the entire gang in under an hour!"

While Kayden and his subordinates were cleaning up the place, Xynthia had already made some Black Tea that Kayden treasured for Harvey.

Chapter 3130

Having experienced so much in the past few days, Xynthia understood that her troubles were too easy for Harvey to deal with.

Harvey smiled.

TV

“Mordu and Buckwood have laws.”

“But... This place is just too special.” “There are laws here, but because of the place’s history, everyone thinks that power means everything.”

“Since that’s the case, we’ll show our power.”

“If not, we wouldn’t even be able to find a place to stay, let alone save your sister and mother.”

“Right. Tell me what happened.”

“Didn’t you come to visit Flutwell’s gold mine? How did your mother and sister get tricked into jail?”

TL

At Harvey’s questioning , Xynthia sat down and poured herself a cup of tea before she tried to recall the situation.

“I remember now! Someone must’ve planned for all this.”

“After the thirteenth young master of the Bauer family came to Mordu, he kept trying to court Big Sister. He gave a lot of luxurious stuff to Mother as well. She was

completely dazed by all those gifts!” “Then, he invited Mother and sister to visit the gold mine. Sister kept rejecting the offer, but she couldn’t go against Mother. That was how it all started.”

“Since I had a contract with Film City in Flutwell, I came along as well.”

“Mother and Sister were invited to the gold mine the day before yesterday.”

"I heard Mother got a little crazy after heading inside, saying that the mine was all hers."

"A contract with a lot of signatures was brought out, saying that if Sister marries Joseph, the gold mine would be hers..."

"But I heard that a lot of forces in Flutwell were involved with the gold mine!"

"That was why. Right after she took the contract, she was charged with fraud!"

"They were thrown in jail instantly!"

"I tried looking for Joseph, but he wouldn't even see me."

"Dylan, on the other hand, kept coming to me a few times, telling me I can go back to Mordu unscathed if..."

"If I sign the contract saying that Mother and sister were involved in fraud."

Harvey froze. Then, he pondered over the situation.

"Where did your mother get that contract from?"

"I don't know."

Xynthia chuckled bitterly.

"If I knew that, I wouldn't have let her go crazy in the gold mine..."

"She doesn't know that Flutwell's an entirely different beast!"

"Nobody would care even if she tried something so shameless!"

Harvey frowned. "I'm sure Lilian isn't stupid either. There's no way she would do something like this..."

"She's a smart woman, more or less. She wouldn't make such a stupid mistake."

"I'm guessing that the contract's real."

"Even though that's the case, the terms of the contract are impossible to carry out. That was why everyone thought that it was fake..."

“Joseph was the one who prepared the contract, too...” “I see. He’s coming for me!” A profound look appeared on Harvey’s face.

He wasn’t familiar with the Bauer family, which was one of Country H’s top ten families. Logically speaking, Harvey and Joseph Bauer had nothing to do with each other.

Yet, Joseph came straight for Harvey without a single warning Harvey had to think hard about the situation...
