Harvey York's Rise To Power Chapter 3351

Chapter 3351

"Not bad. You're pretty interesting."

Dahlia showed a beautiful faint smile upon seeing Harvey's bossy look.

She squinted her long and narrow eyes as she sized up Harvey.

"So you're saying you're crossing me?"

"That you want to go against me?"

Naturally, the woman was quite arrogant, thinking that she had a higher status compared to everyone else in her family.

"Go against you?"

Harvey calmly picked up his teacup.

"You have no right to that."

"I have no right?"

Dahlia froze. Then, she burst into angry laughter.

"Impressive! Really impressive."

"It's been a while since I've seen someone like this!"

"How dare you act so high and mighty in front of me?"

"Have you thought about it?"

21

"Have you considered it?"

“Just how dire of a consequence it’d be if you say things like this?!”

“Right. Just so you know, the entire bar was cleared out.”

“There are a total of fifty experts from the John family and a hundred more from the Overlord Gang.”

“Of course, we have someone from the Celestial Temple as well.”

Dahlia looked at Harvey curiously, as if she was inspecting a broken toy.

“I really want to know how you’re going to get out of this place alive...”

“I’d like to see if I’m worthy of going against you, too!”

Hearing her words, her subordinates chuckled coldly before glaring at Harvey.

Some were even twirling their firearms around as they held the legal documents, their faces fierce.

Naturally, these people would not hesitate to pull the trigger if Dahlia gave the command.

“Do you really need me to spell that out for you?”

Harvey sipped his tea again.

“How do you not understand that already?”

“More importantly, you should be giving me a statement.”

“Kneel and apologize to my friend here. I’ll let you off the hook then.”

“If you don’t, I’ll make sure to settle scores with you.”

Dahlia scoffed as she sized up Harvey once more.

“Young Master Garcia is interested in that woman! You should be honored!” she said, all the while looking down at Harvey.

“You should be grateful! This is your lucky day!”

“You should kneel and thank Young Master Garcia for this, and not be this ignorant.”

Dahlia glanced at her surroundings calmly.

“Right. Where is that woman?”

“Bring her here.”

“When I’m done crippling you, I’ll have her serve Young Master García!”

Freddy’s breathing grew heavier when he heard those words; burning passion could be seen in his eyes as he looked all over the place.

He was naturally looking for Sienna as well.

He even pulled out a row of blue pills, a stern look on his face. After taking three whole pills, he let out a long breath, as if he was prepared for the occasion.

Harvey remained aloof when he looked at the pills.

“Hey, b*stard! You didn’t let that woman leave, did you?!”

Dahlia’s smile became colder when she couldn’t find Sienna.

“But it’s fine. That woman will come back sooner or later after I break every single one of your limbs!”

“Why don’t you serve Young Master Garcia yourself?”

“Who do you think you are?”

Just then, a cold voice could be heard from outside the box.

Chapter 3353

Dahlia knew Sienna had an extraordinary background...

But she had no intention of giving up.

After all, outsiders were no match against local powerhouses.

The Torres family seemed to have a strong background to the rest, but they were nothing to the John family.

After all, Colton lost against the head of the Golden Palace when they fought for the throne before. He was getting close to his death as well because of his past injury.

Dahlia wasn't about to be apologetic.

She only felt that she would gain nothing by escalating the situation further, just because of a woman with a bit of authority.

Freddy wasn't showing any fear either; all he did was look at Sienna perversely.

Naturally, he was still quite interested in her.

Harvey could see an elderly person in a black robe standing behind Freddy. The person seemed quite inconspicuous, but it was clear that this was no one ordinary. Most likely, it was a Yoga expert from India.

"I don't need your apology."

"Nor do I need your money."

"I don't need my godfather to fight you, either."

"I can deal with you myself."

Sienna was finally showing her authority as the princess of the Wright family.

"If it weren't for Harvey, I would've been taken advantage of by this shameless b*stard by now!"

"I want a fair statement!"

"I want his balls chopped off!"

Harvey couldn't help but give Sienna a thumbs-up after hearing those words.

To be this fierce and dominant; as expected from a princess!

Though she appeared frail, no ordinary person could match her mannerisms.

"You should stop this, Miss Wright."

“I’ve already made compromises for you...”

“Yet, you’re still trying to cross the line?”

“You think you’re impressive?”

Dahlia’s plastic smile was instantly replaced by a distant look.

“Let me warn you: don’t do it here.”

“No matter how powerful you are; no matter how strong of a background you have, you won’t get anything for going against the John family and our honored guests here!”

“You better stop right now! You can still get out of this unscathed if you do!”

“You might just turn into someone else’s plaything if you keep yapping.”

“Don’t say that I didn’t give you a chance when that happens.”

Sienna couldn’t be bothered to reply to Dahlia’s weak threats.

“If you’re not going to do anything, I’ll let my bodyguards do their job!”

Dahlia’s eyes twitched.

“Freddy’s one of the directors of the Bharata Business Council and the top talent of the Celestial Temple! Even then, are you really going to castrate him still?!”

“Aren’t you scared of diplomatic disputes?!”

“Can you even bear such consequences?!”

Sienna flashed Dahlia an icy expression.

“You have thirty seconds.”

Out of rage, Dahlia chuckled.

“You really think you’re that impressive, Sienna Wright?!”

“Let me tell you something! There are a lot of young masters and ladies who’d act all high and mighty in a place like this!”

“I’d trample all over them just for fun!”

“I gave you a chance since I was in a good mood today...”

“But you just don’t know when to stop!”

“I don’t care which wealthy family you came from!”

“Even if you’re from one of the five hidden families or one of the top ten families, you have no right to go against the John family in Flutwell!”

A young man then strutted forward with a faint smile.

“You’re playing with fire here, lady...”

Chapter 3354

“Young Master Garcia is the son of the Celestial Temple’s elder, a prominent figure who’s extremely close to being a God of War!”

“Young Master Garcia is showing you respect by pursuing you!”

“How dare you be this shameless...”

Sienna's bodyguard captain revealed a cold glare.

Never had the princess been talked down in such a way her entire life!

The captain couldn't be bothered to say another word; he walked forward and grabbed the young man's neck, and slammed the man against the table behind him.

Bam!

The table snapped in half, and the young man screamed in pain. His entire body was covered in glass shards and thorns, causing him to tremble uncontrollably.

The crowd was shocked to see what had just happened.

They couldn't believe that Sienna was this domineering, even though Dahlia had already made everything clear.

At this point, Sienna's bodyguards weren't just beating someone up at this point. They were completely disrespecting the John family and the Indians!

Things were not going to end well!

While everyone was still in shock, Harvey glanced at Freddy curiously.

Freddy was already holding his chest after that bit of commotion.

The blue pills were badly affecting his heart.

But it was normal, after all. The pills were originally used to combat heart diseases.

Then, someone found out that it was useful for enhancing male organs.

A lot of young masters would take a few in a single go if they couldn't go on. Since their bodies would become more and more resistant toward the pills, they would take more and more every single time.

Thus, their chances of getting a heart attack were much higher compared to an ordinary person.

Freddy would eventually die if he kept taking those pills.

Nobody noticed him grabbing his chest, though.

Meanwhile, Dahlia's face darkened in an instant.

"Are you really going to do this, Sienna?!" she exclaimed.

"Are you ready to fight till the bitter end?"

Sienna remained calm, unperturbed by Dahlia's screeching.

"Cripple that damn man!"

"Stop!"

Someone could be heard screaming outside the door just as both sides were about to go put up a fight.

"Stop right there!"

Gunshots could be heard as well.

The crowd froze instantly.

Inspectors in uniform filled the place soon after.

The man leading them was none other than the Flutwell Police Station's second-in-command, Logan Bowie.

Sienna was standing in front of Harvey, so Logan wasn't able to see Harvey.

Harvey, on the other hand, stared curiously at Logan.

The Bauer family, or rather, Joseph, was clearly involved in this.

"Inspector!"

"Mr. Bowie!"

"Director Bowie!"

The gunshots and the sudden appearance of the inspectors silenced the crowd immediately.

Bodyguards from both sides took a step back, while fighters who had been proudly showing off their firearms became a little more discreet.

Sienna's bodyguards stood in front of her to shield, completely blocking Harvey out of sight in the process.

The Wright family wasn't afraid of the police...

But as the head of the top ten families, they were one of the people responsible for making laws.

The family would always abide by the law under any circumstance.

Since the police were here, it would be better if they handled the situation.

Chapter 3355

Logan was clad in a brand new uniform as he fiercely stomped to the middle of the box.

He crossed his arms with a dignified look on his face.

Sienna frowned, but she didn't say a word.

Dahlia revealed a deep look and glanced meaningfully at Sienna.

"What's wrong?"

"You think there's no law in Flutwell?! Is that what you people think?!"

"You're disrespecting the entire police force for doing this!"

“You’re even pulling out weapons just to fight for such a small problem?!”

“Are you trying to murder everyone?!” Logan exclaimed, not even bothered to find out who was in the wrong.

However, someone with a good eye would be able to tell that he was screaming at Sienna. Moreover, he seemed quite respectful whenever he was facing Dahlia.

“It’s not that I’m trying to cause trouble here, Inspector! The Indians drugged me, and this lady here is trying to help them take advantage of me!” Sienna remarked coldly.

“It’s just a misunderstanding, Director Bowie!” Dahlia countered with a warm smile.

“We made a mistake on our side. We’re willing to apologize and compensate for it...”

“But Miss Wright wouldn’t accept the apology! She wanted to castrate Young Master Garcia!”

“Does she not know that this would turn into a diplomatic dispute?!”

“Not just us, even the government of Flutwell would have a hard time if this escalates!”

Dahlia kept pressuring Logan with a simpering smile on her face.

“Enough! That’s enough!”

“Someone already told me the entire thing!”

Logan immediately cut off the quarrel with a righteous look on his face.

“Both Dahlia and Freddy were in the wrong! It would be really bad if Sienna gets taken advantage of!” he added with a stern tone.

“The John family and the Indians will have to pay the price for this!”

“But! Based on the law, this was just an attempt!”

“Since that’s the case, I won’t be able to punish you in the highest order.”

“How about this?”

“Freddy will need to apologize to Sienna and give her 1.5 million dollars as compensation.”

“Dahlia will do the exact same.”

“Any objections?”

“Ms. Wright will let this go, and you can bring your subordinates with you. Do not look for Ms. Wright for trouble because of this!”

Dahlia and Freddy exchanged glances; they were filled with glee.

Dahlia didn't hesitate. Smiling, she slammed a check on the table.

“No problem! I'll do just that!”

Freddy chuckled as well.

“We're all good citizens here! We'll listen to whatever you have to say, Director Bowie!”

Giving out 1.5 million dollars and an apology was nothing to Freddy.

In fact, it was just as easy as drinking water.

“I don't agree with this!”

Sienna revealed a cold expression when she saw Logan undermine her situation without giving her justice.

Chapter 3356

Everyone looked back at Sienna after hearing her words.

“I will not accept this!” she exclaimed with a cold look on her face.

“You think this was an attempt?! How dare you use such a word!”

“If I didn’t bump into Harvey...”

“Do you know how I would’ve ended up?”

“If I didn’t have the power and background, what would’ve happened to me?!”

“I don’t need any apology! I don’t want your compensation, either!”

“I want payback!”

“I want Freddy castrated, or I won’t let this slide!”

Naturally, Sienna was looking at the situation from the perspective of an ordinary woman.

If scumbags like Freddy weren’t dealt with, those women would be the one to suffer in the future.

The trouble could only be avoided in the future if the root cause was solved.

“Shut up!”

Logan’s face darkened immediately.

“Miss Wright! I already gave you a lot of respect for Elder Torres’s sake!”

“Don’t let your emotions get ahead of you! We don’t know who’s in the wrong just yet!”

“Maybe you shamelessly seduced Young Master Garcia and pretended to be innocent!”

“He has already apologized to you! He even agreed to compensate you! A lot of people can’t even make all that money their entire lives!”

“What else do you want?!”

“Do you want to be locked up for forty–eight hours inside the police station instead?”

Logan couldn’t help but show his bias.

“How shameless!”

Sienna’s face grew ever more icy.

“As an enforcer of law, not only are you not bringing justice for the people, you’re even serving people from another country?”

“Did you forget where your ancestors were born?!”

“Or are you saying that you’re honored to be servants for the Indians?!”

Slap!

Logan took a step forward and slapped Sienna in the face.

He was sent here to deal with a wealthy outsider, yet his authority was challenged.

He was boiling with anger because of this.

Sienna stumbled back; her bodyguards were frothing with anger, ready to charge forward at any moment.

Sienna waved her hand to stop them as she covered her face.

“How dare you hit me?! I’m a victim!”

Logan’s expression worsened.

“So what?!”

“I’ll actually lock you up if you keep this up!”

“Not only are you obstructing my work...”

“You’re even planning to create a diplomatic dispute!”

“If you get charged for this, you’ll definitely stay behind bars for at least six months!”

“Nobody here would even say anything about that!”

Naturally, Logan was used to doing things like this.

Thus, he had no pressure whatsoever when he was threatening Sienna.

Sienna, on the other hand, was burning with fury.

She didn’t think that an enforcer of law in Country H would act in such a way.

Dahlia and the others were filled with glee upon seeing how things were turning out.

Who would dare go against the John family in the first place?

Even if the Bauer family knew about this, they’d still stand with them for the Golden Palace’s sake.

Chapter 3357

Just as Sienna was about to say something, Harvey let out a sigh and walked out.

“I have something to say,” he began calmly.

“Oh? We do have someone with a death wish here!”

Logan raised his head with rage in his eyes.

“What are you going to tell me, young man? Do you want me to...”

Before he was done talking, his body froze in disbelief the moment he saw Harvey's face.

His entire body began trembling uncontrollably.

"S... S... S..."

Logan couldn't even call out Harvey properly.

He instantly bent his body and stood in front of Harvey with an anxious look.

Dahlia froze at the sight.

"What's the matter, Director Bowie? Do you know this kid?"

She thought Logan got the wrong person.

In her mind, nobody would be able to make Logan this

frightful other than the Bauer family and the John family. Harvey ignored Dahlia completely and glanced at Logan calmly.

"Come over here," he said, hooking his finger.

Logan's head went numb; he had no choice but to do as Harvey said. Dahlia and Freddy stared at him with odd looks.

"I—I'm sorry, Sir York. I didn't know..." he said while shivering constantly.

Slap!

Harvey swung his palm across the left side of Logan's face.

A crisp sound rang out!

Logan covered his face as he stumbled backward. A bright red palm print could clearly be seen on his cheek.

His subordinates instinctively stepped forward with their hands on their firearms, but Logan stopped them from doing anything.

Harvey ignored the rest and kept hooking his finger.

“The other side.”

Logan then leaned in with the right side of his face toward Harvey.

Slap!

Harvey sent Logan flying with a single slap; the latter slammed into the ground immediately.

‘How is this possible?!’

The crowd was at a complete loss.

Even Dahlia couldn’t help but frown.

She knew that Logan would not hesitate to take advantage of every single person he saw, as long as they were weaker.

Judging from what had happened, Harvey’s identity must’ve been much more than what she imagined.

Even Sienna was confused when she looked at Harvey.

She didn’t think a so–called ruthless enforcer of the law would be so timid in front of Harvey, when she herself was being treated in a completely different fashion.

Slap, slap, slap!

Harvey kept hooking his finger for Logan to crawl back up, upon which he would get slapped around again and again. His entire face was covered in blood by the time Harvey was done.

“You dare enforce the law when you don’t even know how to serve justice?”

“As a man from Country H, you don’t even know how to protect your own people. Yet you serve the Indians and

talk about the law?”

“You’re willingly breaking the law, and then you ask if we have something to say about it?”

“Let me tell you something. I have quite the opinion about this.”

“What are you going to do about it? Lock me up in jail?”

“Come on! Do it, then!”

“I—I won’t...”

Logan bowed his head down like a scared pig.

Arrest Harvey?

He wouldn’t dare!

“What? Are you scared?”

Harvey reached out and tapped Logan’s face.

“You’re pretty disappointing.”

“If you’re not going to do it, then tell your master to do it himself!”

“Or did you already realize that he can’t do anything to me either?”

“Was the lesson not enough for you?”

“Do you have a death wish? Why are you standing up for the perpetrators again?”

“Looks like I’ll have to strip you of your position this time. You’ll have a lot of time thinking about your

mistakes when you’re locked behind bars!”

Bam!

“I’m sorry, Sir York!”

Logan couldn’t help but grovel on the floor.

“I promise I won’t do it again! Please! Give me a chance!”

“This is all my fault, Miss Wright!”

“But I really can’t do anything about it, either!”

Logan was showing a miserable look.

He now understood what it meant to be dragged into a fight between powerful people.

34.

Both sides had powerful backgrounds and deep histories...

However, he was just a mere second-in-command of the Flutwell Police Station. He had nobody supporting him, either.

He was powerless in a situation like this!

Harvey kicked Logan to the ground before glancing at Sienna.

“There are some things you can’t do considering your identity, Miss Wright.”

“Let me do it for you.”

Sienna was struggling; because of her heritage, she was forced to abide by the law. After all, without rules,

nothing could be done.

But after what happened, she understood that the law was not all-powerful.

The law was the priority in places touched by the light, but only one's strength could be relied on in the darkest parts of the earth.

After hesitating for a moment, Sienna nodded lightly.

She didn't want to let the b*stard Freddy go.

While Harvey was talking to Sienna about dealing with the situation in her place...

Dahlia came to her senses and scoffed coldly.

"What? You think you're impressive just because you got Logan on his knees?"

Dahlia was filled with disdain.

People like Logan would seem powerful for ordinary people, but he was just a tool for Dahlia.

Since this tool wasn't able to deal with Harvey, she naturally had other ways to deal with the situation.

Harvey gulped his tea down before saying, "Dealing with Logan doesn't mean anything."

"However, I'm going to make you realize that everything has a price."

"A price?"

Freddy couldn't control himself any longer; the drugs must've been affecting him poorly.

His eyes lit up and he revealed a small smile.

"Let me tell you something, you ignorant fool! You're the one who needs to pay the price!"

"People like us will only make you pay!"

Dahlia and Freddy stepped forward. Immediately, dozens of their men pointed their firearms toward Harvey.

Right as Sienna's bodyguards were about to take action, Harvey smiled.

"It won't be appropriate for you people to do this, Miss Wright. Let me handle it."

Harvey then gestured to the bodyguards so they would guide Sienna to a corner and protect her.

He then grabbed a firearm from one of the bodyguards before pulling the trigger right at the ceiling.

Bang, bang, bang!

The loud gunshots shook up the entire box.

Dahlia revealed a mocking look, thinking that Harvey could only scare them at most. There was no way he could actually do anything about this.

But at the very next moment, her face darkened...

Freddy grabbed his chest as he fell to the ground with a horrible look on his face.

Chapter 3359

"Ngh!"

Freddy was trembling in pain on the ground, as if he had been stabbed a dozen times.

He was acting high and mighty before; he thought that he had everything planned out, but nothing mattered at that

moment.

Pain was the only thing visible on his face. He couldn't even say a single word, let alone make threats to Harvey.

He was alive, but it was probably better for him to die.

"Young Master Garcia!"

"What's wrong?"

"What happened to you?!"

Dahlia and the others immediately changed expressions after seeing Freddy in such a sorry state.

Nobody knew what happened. How did Freddy suddenly drop to the ground?!

*Did he get shocked by Harvey's gunshots?

There was no way!

Freddy was much stronger than that!

The elderly person in a black robe quickly rushed toward Freddy.

His name was Croix. He was an expert of India's Celestial Temple, and also Freddy's personal bodyguard.

He specialized in Yoga, while also being well-versed in some medical skills.

He immediately trapped Freddy's veins and shoved a few quick-acting heart-saving pills in the latter's mouth...

Yet, nothing happened. Freddy was still writhing in pain as he sweated profusely.

Croix's expression changed; he quickly poked three different parts of Freddy's heart, hoping that it would

work.

"It's useless," Harvey said calmly.

"It's a heart attack. He's done for."

“Did you do this?!” Dahlia demanded instinctively.

The crowd looked at Harvey in terror.

Nobody saw Harvey do anything to Freddy; the two didn’t even get close to each other, so how did Freddy end up like this?

“Justice has long arms. His time has come.”

“Now, he’ll have to pay the price for his mistakes.”

Sienna froze; she and her bodyguards didn’t understand a single word Harvey said.

“The price? What price?!”

Dahlia had a horrible look on her face.

She wanted to rip Harvey to shreds so badly...!

However, she wouldn’t dare do anything reckless upon seeing Freddy shivering on the ground non– stop.

She didn’t know if this was just a coincidence, or if Harvey actually caused this...

However, he would probably have a chance to save Freddy.

Croix’s face darkened in an instant; cold sweat dripped down his face.

No matter what he did, Freddy did not get any better; instead, Freddy only looked a lot worse when his body started to stiffen up.

He really was about to die!

“I’m giving you ten seconds, you b*stard!”

Dahlia’s expression had turned as cold as ice.

“Save him right now, or I’ll rip you to shreds!”

“It’s too late,” Harvey replied when he saw blood coming out of Freddy’s orifices.

“His fate was sealed the moment he ate the blue pill.”

“It’s his fault that he ate so many at once.”

“Of course, for the sake of your pride, you can say that I scared him to death with my firearm.”

Harvey then raised his firearm and pulled the trigger on the ceiling again.

Bang!

Freddy’s body straightened up, and blood gushed right out of his mouth.

“You b*stard!”

“The firearm!”

“It’s the sound!”

“The sound’s vibrations are triggering Young Master Garcia’s heart!”

“He did this!”

Croix immediately came to his senses.

“Stop him! Hurry!”

Chapter 3360

Croix screamed furiously. Then, he swung his leg right toward Harvey’s face.

His body was oddly twisted; a terrifying strength was wrapping all around him.

Harvey didn't even raise his head to look at Croix. He kept his firearm raised, prepared to take another shot.

At the same time, Rachel appeared from the corner of the box and swung her hand. A fork flew straight toward Croix's head!

An ambush!

What a terrifying attack!

Croix's expression turned cold; he could feel just how terrifying Rachel's attack was. He had no choice but to stop attacking and swing his fist at the fork.

Clank!

The fork flew away, but Croix grunted before he took a few steps back.

*** Dahlia and the others were completely shocked at the sight.

The Indian expert was immediately at a disadvantage!

Croix was from the Celestial Temple.

It's said that they were all Kings of Arms, at the very least! They were all terrifying people!

Yet, how was he not able to defend himself against a single fork?

Rachel wasted no time stomping the ground, sending another fork flying toward Croix while Dahlia and the others were still frozen in shock.

Clang!

Croix deflected the fork with his fist again, but his face was gradually losing color.

He stumbled a few feet back after taking the blow.

Everyone could clearly see the scars on Croix's fist. He was even trembling uncontrollably.

Dahlia and the others were in utter disbelief.

‘Who is this woman?!‘

‘How is she so strong?’

They soon understood why Harvey dared to act so high and mighty.

As it turned out, his personal bodyguard was a King of Arms.

Dahlia and the others were terrified of Rachel, but they

disdained Harvey even more as they assumed that he could only show off using someone else’s power.

“You b*stard!”

Croix couldn’t shake off the pain anymore after taking multiple hits.

He swung both of his arms, revealing a smoke of poison mist with needles hidden inside.

Naturally, people from the Celestial Temple were shameless enough to use hidden weapons like this as they pleased.

Croix then pulled out a dagger before rolling right toward Rachel.

Rachel, however, calmly took a few steps back before kicking Young Master Myers, who was laying on the ground.

The man had no time to even scream as he was sent flying; his body trembled, and blood gushed out of his orifices. He died of poison in an instant.

“Serves you right!” Sienna yelled instinctively.

Dahlia’s expression changed slightly.

Young Master Myers was quite a prominent figure; she was in a bit of trouble now that he had died.

Croix moved a lot faster after seeing his own people die by his hand. The dagger in his hand moved as fast as

lightning...

But in the next moment, his expression changed.

A sword appeared in Rachel's hand just as she dodged every single attack.

She swung the sword forward, summoning a streak of white light resembling moonlight as she did so.

At the crucial moment, Croix instinctively raised his dagger to protect himself.

Clang!

The dagger snapped in half; Croix quickly stepped back, but he was much too slow... 1
