Chapter 3441

"You..."

Senior Miller shuddered in anger after hearing Vivian Hall's words. Even his hand was trembling incessantly when he pointed at her.

Harvey York wiped his hand with some tissue and said calmly, "Alright, enough nonsense. 1

"How will you give me a fair statement about Xynthia Zimmer?"

"Why the f*ck should I do that in the first place?!" howled Senior Miller while covering his face.

"She shot Larisa Lee! She has to pay!

"So what if Mrs. Lee beat her up?! She did it out of love!

"This has nothing to do with me!

"Let me tell you something, you b*stard!

"You're not the only one with support in the police force!

"You're all dead if I make a call there!"

Naturally, Senior Miller was still an egotistical man, despite being slapped around many times in front of everyone.

He would not forgive himself if he did not restore his dignity.

1

"Is that so? How impressive.

Harvey crossed his legs while sitting on the couch.

“Then, call anyone. I’ll give you half an hour.

“I do want to see who’d stand up for you in Flutwell!”

Senior Miller froze. He did not reckon Harvey was this domineering.

People like him had a reputation to uphold no matter the cost.

Subsequently, he gritted his teeth while dialing a number.

Fifteen minutes after Senior Miller made the phone call, a vicious tone could be heard from the entrance.

“This is a little too much, young man. How dare you show off in my own territory?

“I do want to see who disobeys the rules here in Film City

“Did you people forget about what I said?

“Without a warrant, nobody’s allowed inside here!”

A dozen inspectors with righteous looks strutted inside.

In the middle, there was a lively middle-aged man with grey hair.

He wore casual clothing, but his attitude as a higher-up of the Flutwell Police Station could still be seen.

He was none other than the second-in-command of the Flutwell Police Station, Logan Bowie himself. 1

Because of Harvey, he had been reflecting on his actions at home.

But he showed up once again...

He kept walking while lecturing Vivian and the others.

Their expressions instantly worsened.

Senior Miller was filled with joy when he saw Logan's face. He immediately ran toward him and respectfully bowed.

"Perfect timing, Director Bowie!

"This b*stard's just insane! Not only did he call the police

"

here to mess around...

"He even hit me!

"You need to uphold justice here!"

Senior Miller fiercely pointed at Harvey with a haughty look on his face.

The people beside him glared at Harvey, as if he was dead for sure.

"What? Do you really think we're just tools for you to show off or something?

Logan lit a thin and long cigar while glaring furiously in Harvey's direction.

"Have you thought of the consequences...

Logan's cigar dropped to the ground when he opened his mouth.

His face was frozen stiff. He was terrified.

He immediately slammed his knees on the ground before shivering uncontrollably.

"S... S... Sir..."

Chapter 3442

Logan Bowie, acting all high and mighty before, kneeled instantly with embarrassment and anxiety written on his

face.

At this moment, Senior Miller and the others were completely sluggish.

They did not expect that the prominent figure, Logan, would kneel after seeing Harvey.

He even called him "Sir."

Harvey was indifferent then.

If he remembered correctly, Logan had already been taught a lesson previously...

Not only did he not learn from it, but he was also taking advantage of people at large and standing up for

malicious people.

Logan would have had his way again if it were not for Harvey.

"Come here."

Without a second thought, Harvey hooked his finger

toward Logan with a cold expression.

Logan's head was completely numb while he trembled uncontrollably.

After thinking of the warnings Harvey had given previously, he could almost feel himself blacking out.

But what else could he possibly do then?

He crawled his way toward Harvey with an indulging look on his face.

While Senior Miller and the others were still in disbelief, Logan showed a flattering smile.

"I'm sorry, Sir York!

"This is my fault!

"I shouldn't have..."

"Kneel with your back straight.

Harvey instantly cut Logan off.

"

Logan knew what was about to happen then, but he still gritted his teeth before straightening his body and head with a smile.

Slap!

Harvey slapped Logan on the left side of his face.

The sound alone was just shocking to everyone.

Logan's body swayed when a bright red palm print showed on his face. Even so, he was not even slightly angry about it. He kept kneeling while showing an indulging look on his face.

Harvey hooked his finger again.

“Right side.”

Logan carefully leaned toward Harvey, showing the right side of his face.

Slap!

Harvey used all his might to slap Logan with the back of his palm.

Logan was sent flying a few feet before he slammed to the ground.

‘How...

‘How is this even possible?!’

Senior Miller and the others were frozen stiff.

They thought something like that would never happen, even if the pigs started flying!

After all, Logan was a prominent figure who had control of both the government and the underworld!

The position of Flutwell Police Station’s second-in- command had constantly been shifting, but Logan was the one who remained in the seat the longest!

Senior Miller and the others could not imagine their support would behave this timidly in front of someone Mike Harvey!

It was bad enough that he kneeled, but he even leaned in to be slapped around without complaining about it!

At this point, they could not even begin to imagine Harvey’s strength.

How did he manage to get Logan to be so obedient?

Logan was trying his best to indulge Harvey!

Vivian Hall and the other inspectors were showing odd

looks on their faces when they saw the sight.

They did not expect that their second-in-command would be disrespected this way entirely.

But after thinking of Harvey and Ansel Torres'

relationship, Vivian suddenly understood the situation.

Harvey and Ansel were sworn brothers. So what if Harvey was trampling all over Logan?

Slap slap slap!

Harvey wasted no time gesturing to Logan for him to crawl over before slapping him around again.

Logan was trembling uncontrollably when his face was as swollen as a pig, with blood trickling from the corners of

his mouth.

"Aren't you supposed to lecture me about the law?"

"What of the consequences?"

"What? Are you mute now?"

Chapter 3443

"No! I wouldn't dare!"

“I was just joking, Sir York!”

Logan Bowie trembled uncontrollably with his head lowered down in fear.

What a joke!

Lecture Harvey York?

Right there?

He had no right.

“You wouldn’t?

Harvey lightly patted Logan’s face.

“If I remember correctly, you also said something similar last time.

“I taught you a lesson before...

“But then what happened? You’re still out here taking advantage of people at large.

“Looks like you need another lesson!”

“I’m sorry, Sir York!

“I’ll give you a fair statement right now!”

“How?” asked Harvey.

Logan’s expression frantically changed before he willingly twisted his left arm.

With the sound of a loud crack, his arm immediately snapped.

He then showed an indulgent look in front of Harvey while cold sweat dripped down his face.

“Not enough,” replied Harvey calmly.

“Of course. Of course.”

Logan respectfully bowed before he pointed at one of his subordinates.

“You! Come here!

“Break my other arm!”

An inspector hesitantly walked over before breaking Logan’s arm as Harvey showed a faint smile.

Logan then kneeled before Harvey once again.

He would never dare leave unless the man in front of him said so.

“Not bad. You’re a lot more sincere this time.

Harvey kicked Logan to the ground.

“If this happens again, it won’t just be your arms.

Logan nodded nonstop before stumbling his way out of the place while vengefully glaring at Senior Miller.

Logan would have been completely fine if it were not for his phone call.

Senior Miller and the others were showing horrible looks.

Harvey stood up after taking a sip of his black tea.

“Looks like your support’s not strong enough for me.

“I’ll give you another half an hour. Call whoever you want.

“I hope you don’t disappoint me this time.”

Senior Miller’s face instantly darkened.

He knew that people with ordinary backgrounds would not be able to help after seeing Logan being slapped around on the ground.

Without a second thought, Senior Miller gritted his teeth before calling his boss.

Half an hour later, roars of engines could be heard from outside the place.

A row of Range Rovers was parked outside before a group of men in suits swarmed the entire place.

An elderly man in traditional clothing was standing in the middle.

He seemed pretty harmless, but an unspeakable aura of a mob boss could be felt coming from him.

Harvey calmly glanced over before he was reminded of something.

The man was probably one of the leaders of the Gang of Six, the leader of the Capital Gang, Ai Kamino!

He was not the strongest of the leaders...

But he definitely had the best background and the most money.

He was also supported by the sacred martial arts training ground, the Golden Palace!

Safe to say that the Capital Gang's only purpose was to make more money for them.

That was why almost nobody in Flutwell would dare go against Ai.

Even the people from the Bauer family and the John family would have to pay their respects.

Chapter 3444

“You’re here, Mr. Kamino!

“I didn’t want to disturb your rest...

“But this b*stard here has been causing big trouble on our turf!

Senior Miller showed a helpless look when he complained to Ai Kamino.

“He even said you had no right to oppose him even if you were here!

“You’re nothing to him!”

Naturally, Senior Miller instinctively tried to fan the flames so that Ai would lash out at Harvey York.

Slap!

Even before he was done talking, Ai had already slapped him to the ground.

Blood was trickling from the corners of Senior Miller’s mouth.

He shivered for a moment before whispering, "I'm sorry,

Mr. Kamino! I didn't mean to cause all this!

"I really didn't!"

Senior Miller did not know why Ai decided to slap him in the face. All he could do was crawl up from the ground and apologize.

Slap!

Ai sent Senior Miller flying with another slap on the face.

Senior Miller gritted his teeth when he crawled up from the ground before he kneeled before Ai.

"I'm sorry! I'm really sorry!

"I was wrong! I know now!"

Bam!

Ai kicked Senior Miller to the ground with all his might.

Then, he stepped forward and kept kicking Senior Miller as he exclaimed, "I don't care if you're causing trouble or taking advantage of people in my territory!

"But why can't you even deal with such a trivial matter?!

"Not only did you allow other people do whatever they please here, you even let the cops in!

"The person you called was also completely embarrassed!

"How am I supposed to survive in the underworld if word spread about this?!

"Do you think I'm shameless or something?!

"Do you think we can just let a bunch of nobodies in here as they please?"

Naturally, Ai was indirectly insulting other people with his words.

Clearly, Harvey and Vivian Hall were his targets.

“You...”

Vivian was afraid of Ai’s status but still instinctively stepped forward while showing a cold gaze.

Harvey waved his hand, gesturing for Vivian to calm. down.

He then showed a faint smile while looking at Ai.

After hearing Ai’s words, Senior Miller then covered his face.

“I’m sorry, Mr. Kamino! I promise that this won’t ever happen again!

“I guarantee it!”

Ai let out a cold chuckle. He turned around to face Harvey after he felt he was done flaunting his strength.

He wanted to crush Harvey instantly, but after hearing that even Logan kneeled before him...

He could feel that the man in front of him had quite the authority and background.

Without a second thought, Ai took a deep breath to compose himself before squinting at Harvey.

“You must be pretty impressive to cripple the second-in- command of Flutwell Police Station, young man!

“Are you from one of the five hidden families? Or do you belong to the top ten families?

“State your name so I can see how strong you are!

“Let me see if you have the right to show off here!”

“Don’t you worry,” replied Harvey.

“I’m from neither of those families.

“I’m just an ordinary person.

“But today, you’ll have to give me a fair statement for what happened to Xynthia Zimmer.”

“How dare you, you b*stard?!”

Senior Miller and the others were showing cold gazes when they saw Harvey York acting this arrogant in front of Ai Kamino. They were on the brink of lashing out at that moment.

Ai waved his hand, telling those people to calm themselves down.

Then, he ordered someone to bring a chair before he sat in front of Harvey with a lit cigar in his mouth.

After taking a few puffs, Ai showed a warm smile.

“Since you want your statement, young man...

“Why don’t you tell me what you want instead?”

Harvey glanced at Ai and replied calmly, “Fifty million dollars as a mental loss fee.

“I want to know why there was a bullet in your prop firearm.

“I want the people involved to cooperate with the investigation and be dealt with according to the law!

“I want Mrs. Lee to apologize to Xynthia Zimmer and break her arms to show her sincerity!

“I’ll only let you off the hook once everything’s done.”

Harvey calmly took a sip of tea after, as if he did not realize how shocking his words were.

Though, Ai was not fazed at all. He took a few puffs of his cigar before showing a faint smile.

“This is a tall order, young man!

“That said, I asked about what happened already.

“Instead, let me tell you what I can give you.

“Xynthia was injured, but only externally.

“Mrs. Lee did hit her, but she did it out of love!

“At the end of the day, Xynthia was the one who shot Larisa Lee. Even Larisa is still in shock right now. From this perspective, it’s only normal for Xynthia to be beaten up.

“She’s not entirely innocent, but she only has to bear some responsibility. Isn’t that good enough?

“Is it appropriate for you to cause such big trouble here

for this?

“You’re a young man. Don’t you understand that it’ll be bad for us in the future if we go against each other?”

Ai was showing a playful look on his face. Judging from his attitude, it was rare that he was this peaceful while talking to Harvey.

More importantly, he still could not figure out Harvey’s identity and background. He did not want to offend a man who seemed like a prominent figure completely.

That said, Ai had his own pride and bottom line.

He seemed polite in front of Harvey, but he had no intention of backing down if his interests were involved.

His unspeakable aura could be felt by everyone then.

Judging from this, it was clear that Ai was also a pretty strong character.

Harvey picked up his cup and took a glance at his tea.

“So, how would you like to give me a statement then?”

“Good! I love talking to easy-going people like you!

Ai burst out laughing before he calmly threw a check in front of Harvey.

“Eight hundred thousand dollars!

“Take this to deal with all of your problems. Your mental loss fee, the truth about the prop gun, and Mrs. Lee’s apology are all here!

“You will stop looking into the situation any further. Mrs.

Lee and I will also not hold you responsible for this situation.

“This is a win–win situation! What do you say?”

“And what if I refuse?”

“Refuse?”

Ai Kamino scoffed.

“Do you think you have the right to do that?”

“Don't you realize what this place is?”

“This is Flutwell's Film City, my turf.

“Flutwell's business alliance, Young Master Bauer, and

the Golden Palace stand behind me!

“Even if you're from one of the five hidden families or the

top ten families, you should consider before deciding to cross every single one of these people for such a trivial

matter!

“After all, it’s still easy to deal with the situation since it’s just between you and me.

“But if you decide to let the cops ruin the business here...

“Even I wouldn’t know what’ll happen next!

“Usually, you wouldn’t be able to bear the responsibility alone. If you’re not careful, the people behind you will also have to pay the price!

“Sometimes, it’s better to leave each other an out for a better future.

“You’re a smart young man. You should understand when to stop, right?”

Then, Ai pointed at the check on the ground.

“Pick up the check now, and you’ll have my rapport.”

“Take Xynthia Zimmer out of here so she can be treated. I can even introduce a doctor if you don’t know who to get.

“We’ll shake on it to let everything pass us. Is that good with you?”

Harvey York smiled.

“I do want to ask something. If this happened to you, would you accept this kind of statement?”

“Is that even comparable?”

Ai showed a weird look on his face.

“You and I are on an entirely different playing field.

“I’m being nice to you not because I’m scared but because I’m giving you a chance.

“Are you going to appreciate it or not?”

The beautiful women following Ai were disdainfully glaring at Harvey.

“This country bumpkin’s comparing himself to Ai?”

‘He’s not even worthy!’

Even Senior Miller was showing a playful look when he glared at Harvey.

‘Who does he think he is?’

‘Does he have a death wish or something?!’

Even Vivian Hall frowned at this moment. As a member of the police force, she knew just how strong the Capital Gang was.

It was extremely rare for Ai to be acting this way.

At this moment, even Vivian wanted to tell Harvey off.

But then, Harvey seemed indifferent. Ai’s words did not faze him at all.

Ai gave out a chuckle, as if Harvey was scared off by him.

“I know that it’s hard for you, young man.

“I can tell that you’re a strong man.

“That’s why I’m giving you a chance. That’s why I’m talking to you like this.

“You should understand who you’re facing!

“Trust me. If you cross Mrs. Lee or me in Flutwell, it will not be worth your cause.

“There are some people that you just can’t go against.”

Chapter 3447

Ai Kamino calmly blew out a puff of smoke before it dispersed right in front of Harvey York soon after.

Ai then showed a faint smile.

Naturally, he was pretty content with his total control of the situation.

Ai believed that Harvey was a slightly capable man, but he would still kneel before him and pick up the check.

Harvey was not upset after having smoke blown toward his face.

"Mr. Kamino, I'm not happy with your proposal at all," said Harvey while holding his teacup.

"I do hope that you can do what I requested immediately.

"Nobody has the right to bargain with me."

"You're still too young. There's no need to be this stubborn," replied Ai with a profound tone, smiling faintly.

"You should know that harmony brings wealth.

"Respect goes both ways.

"If you pay me some respect, I can do the same to you, right?"

Harvey merely smiled.

“It’s a shame that your respect means absolutely nothing to me.

“It won’t give me a fair statement.”

“I already told you what I can offer,” replied Ai casually with a smile on his face.

“If you’re really unhappy with this and can’t accept this...

“I can tear my check apart and make you come get it yourself.

“I do want to see just how capable you are.”

Ai was showing a cold gaze.

Crushing Logan Bowie was nothing.

Logan may seem quite fierce to ordinary people, but he was just a lackey to the prominent figures.

Harvey was quite impressive for dealing with Logan...

But it still was not enough to scare off Ai.

After all, he was the leader of the Capital Gang, with support from the Golden Palace.

“Impressive.”

Harvey nodded before stepping on the check on the ground.

“To be honest, I prefer dominant people like you. “I’ll have more fun destroying you this way.

“I do hope that you can keep up the show.

“It’ll be boring if you kneel before me too early.

Harvey then stood up before lifting Xynthia Zimmer.

“We’re leaving.”

Without saying a word, Vivian Hall took the inspectors and suspects before following Harvey's lead.

"You're disrespecting me here, young man!

"You had a way out...

"But you just had to dig yourself a hole!

Ai showed a disdainful expression.

"You just had to flaunt your strength!

"Who do you think you are?

Ai calmly glanced at Senior Miller before he exclaimed coldly, "Call Ansel Torres. I want a statement for this."

Ai did not believe that Harvey could suppress Ansel the same way he did Logan.

Senior Miller stumbled back with a horrified look after making the phone call.

"Mr. Kamino! They said that they're only enforcing the law!

"And you should complain to the higher-ups if you have a problem with it!

"As for your statement, nobody's going to give it to you."

Ai frantically twitched his eyes. He just realized that Harvey's authority might have been way beyond his imagination.

Chapter 3448

After pondering the situation for a while, Ai Kamino quickly regained his composure.

He was a local powerhouse backed up by the Golden Palace.

It did not matter where Harvey York came from. He had no chance to go against Ai in a place like Flutwell.

As for the police, Ansel Torres said they would only enforce the law, meaning that the police had remained neutral.

Ai believed he could crush Harvey no matter what if that were actually the case.

If he could not do it publicly, he would surely have other ways of getting what he wanted.

The Capital Gang had three thousand men. It would not be hard for them to deal with an outsider, whether it was a young master or a prince.

Without a second thought, Ai took another huff of his cigar to regain his calm.

"Find me that b*stard's address and tell Mrs. Lee that he was the one who loaded the bullet into the prop firearm," said Ai calmly.

"Tell her that he's the main culprit of Larisa Lee's situation.

"Send word that everyone who supports Harvey in Flutwell will be going against me!

"I want that b*stard to be forced into a corner!"

Ai showed a cold look. An outsider was challenging him, as if he had more power...

He would not be able to survive in the underworld if he did not flaunt back his strength!

After hearing Ai's orders, Senior Miller and the others respectfully replied, "As you wish!"

At the same time, Harvey told Vivian Hall and the others to get Xynthia's university mates back. He wanted them to call him if anything were to happen in the future.

Then, Harvey sent Xynthia to a hospital to treat her injuries. After getting Kayden Balmer's men to keep watch, he returned to rest in the Hatchet Gang's base

camp.

Vroom!

While Harvey was preparing to lie down so he could recuperate to bring justice for Xynthia the next day...

Sounds of engines roaring were getting closer and closer.

An arrogant and domineering aura could be felt from the roars.

Soon, five Toyota Prados were parked right in front of the Hatchet Gang's base camp.

The central car must have been modified beforehand.

When the car door opened, a pitch-black coffin could be seen inside.

Dozens of men in robes alighted from the cars.

After that, they picked up the coffin and strutted toward the front door.

"Who are you?!"

"Don't you know that this place belongs to the Hatchet Gang?!"

"How dare you come here to show off?!"

Kayden showed up as soon as he could after hearing all that commotion from the outside. He showed a cold look as he glared at the people before him.

After all, this was the Hatchet Gang's base camp. He could not just let a bunch of nobodies barge in. His pride was at stake here! Harvey was surprised by the commotion as well. He calmly strode to the entrance after having a change of clothes.

"What?! What do you think you're doing?!"

"We're from Longmen's Flutwell branch!"

"I'm the senior of the branch, Dillon Lee!"

"I have word that someone intentionally loaded a bullet inside a prop firearm to harm my junior, Larisa Lee!"

"The suspect will give us a fair statement about this!"

A middle-aged man wearing a black robe with a sword on the side of his waist strutted forward with a domineering expression.

Chapter 3449

Dillon Lee was disdainfully glaring at Kayden Balmer, Black Rose, and the others from the Hatchet Gang.

He was from Longmen's Flutwell branch, after all.

Longmen was considered the king of the underworld.

It was only natural for them to look down on the mob bosses.

After getting the order to take down the suspect who hurt his junior, Dillon was surprised that the Hatchet Gang was also involved in the situation. That said, he brought his entire team here without a hint of fear.

After all, Flutwell was Longmen's main base.

The daughter of Longmen's Flutwell branch leader was also severely injured.

Under those circumstances, Dillon had no other choice but to take down the suspect.

Without a second thought, Dillon pointed at the crowd and coldly exclaimed, "I don't care what relationship you have with the suspect!

"I don't care who's supporting you people either!

"I'm only here for one thing!

"I want the suspect right now!

"If he doesn't comply, we'll kill him here and carry him in a damn coffin!

"If anything happens to my junior, I want him buried under the damn coffin!

Dillon waved his hand with a cold gaze.

"Go! All of you!

"Kill whoever tries to resist!

"I'll bear all the responsibility for this situation!"

"Though, it's a shame that you can't...

Even before Dillon's men could take action, a slim figure passed right through Kayden and the others into the

crowd.

“For the sake of you being Longmen’s disciples...

“And the fact that you’re being blinded from the truth...

“I won’t make this any harder for you.

“Take your men and leave, and I’ll pretend that you never came.

Harvey York crossed his arms with a calm look on his face.

“If not, I’ll treat this as you looking for trouble here.

“I’ll even kill you if that’s the case.”

Harvey was surprised to know that Larisa’s father was the branch leader of Flutwell’s Longmen branch...

But he had no intention of talking peace at this point.

Besides, he was not in the wrong in the first place.

And since Dillon was still blaming Harvey for Larisa’s incident...

It was already nice enough to tell him off for the sake of them being in the same organization.

“You must be Harvey, right?

“According to our intel, you were the one who loaded a bullet into a prop firearm! Were you trying to kill my junior?

“Pretty cocky if you ask me!

“You made a huge offense, yet you’re here threatening me instead of hiding?!

“Who are you even?!

Dillon was showing a cold gaze.

“Let me tell you something! I’m the best disciple here in Flutwell!

“You must have a death wish for going against me!

“I’ll give you one chance! Give up and come back with us! Then, give Mrs. Lee a fair statement!

“If not, we’ll just bury you in the coffin! Either way, we’ll achieve our goal!”

“How dare you?!”

Kayden and the others screamed in anger. Harvey was their boss. They would not let him be insulted like this.

Harvey was not fazed at all. He glanced at Dillon with a playful expression on his face.

“Dillon, right?

“Kneel and apologize right now, then get out of here. I, won’t blame you for slandering me if you do as I say.

“Remember. You only have one chance. You won’t get another one after this...”

Chapter 3450

“Oh? Do you call this slander?

“And I won’t get another chance after this?

“Mr. Kamino informed us that you like to show off!

“He’s not wrong at all! You’re really fooling yourself at this point!” exclaimed Dillon Lee with an odd tone.

“Stop pretending already, kid!

“Even if you’re the king, I’ll make you pay the price for hurting my junior!

“Do it!”

Dillon Lee was here with a mission.

After getting word from Ai Kamino, Mrs. Lee issued the order to take down Harvey York. Whoever was able to

bring him back would be heavily credited.

That was why Dillon came as soon as he could after getting the mission.

A dozen people in robes pounced forward simultaneously after hearing Dillon’s orders, trying to take Harvey back for his punishment.

Slap slap slap!

Harvey casually gestured to Kayden and the others to stay

back before he casually threw a bunch of slaps forward. The air seemed motionless while he was moving around.

In the very next moment, people were sent flying in waves. Screams of pain could be heard when they crashed onto the ground.

The Longmen disciples were nothing before Harvey.

“You b*stard! How dare you go against Longmen?!

Dillon was boiling with anger after seeing the sight.

He drew his sword and pointed it toward Harvey’s nose “I’ll cut you down!” exclaimed Dillon furiously.

“You’re not worthy.”

Harvey calmly smiled.

Then, he calmly pulled out a badge and threw it at Dillon. 1

Dillon instinctively grabbed the badge before he became sluggish.

He stared at the badge with a horrified look. At that moment, he was at a complete loss.

He instantly knew what the badge meant since he was born into Longmen.

“The head of Longmen’s Law Enforcement!”

A simple title was enough to freeze Dillon, as if he was hit by a blizzard.

His eyes were frantically twitching while his entire body was frozen to the core.

“You...

“You’re the head of Longmen’s Law Enforcement?!”

Harvey calmly walked forward and patted Dillon’s cheek.

“You’re pretty quick on the uptake.”

Harvey’s words shook Dillon. Cold air could be felt from the bottom of his foot.

He wanted to say something to reclaim his pride...

But his body told him that he had no chance to resist the person in front of him.

The title alone was enough to suppress ninety–nine percent of the people in Longmen.

Thud!

Soon after, Dillon instinctively kneeled.

His body was not in control at all. He could not help but tremble uncontrollably.

“Talk. Who sent you here?

“Who told you to charge me with such an offense?”

Dillon’s eyes frantically twitched.

“Mrs. Lee!” he replied instinctively.

“It’s Mrs. Lee!

“Mr. Kamino gave Mrs. Lee a call, saying that you were the one who loaded a bullet into the prop firearm!

“Mrs. Lee didn’t believe it either, but she was utterly infuriated!

“She thought more people needed to take responsibility for Larisa Lee’s situation!

“That was why she told me to come.

“She said that she wanted you back, whether you were, innocent or not...” 2
