Chapter 3471

Mandy pondered the situation for a moment.

"I thought about it."

"We asked her out three times before she agreed to meet at her bullring."

"Number one: she doesn't want to waste more time just to see us."

"Number two: she wants to flaunt her strength."

"Number three: maybe she wants to use the opportunity to see if I'm worthy of negotiating with her."

Harvey smiled calmly.

"Interesting woman. No wonder she can be Jeff's fifth mistress even without any background or powerful identity."

Realizing that the woman was probably quite extraordinary, Harvey sent a text from his phone.

After all, it wouldn't hurt to take any precautions.

An hour later, the car arrived at the outskirts of Flutwell. A place that looked like a colosseum could be seen.

The place was extremely spacious. The building itself looked like it was modeled after an antique.

The east, south, and west sides had stands that were ten feet tall. The bull's entrance was on the north.

Wetlands similar to a football field were in the very center of the colosseum.

Steel railings covered in barbed wire were surrounding the place as well. The smell of blood had covered the place completely.

Naturally, a lot of bulls had died in this very place.

There weren't any bulls putting up a show at that

moment, but a lot of people in traditional clothing were seated around the stands.

Some were quietly sitting still, some were enraged, some were sluggish, while others were exhilarated, looking as if they had been injected by adrenaline.

The place was naturally quite expensive to come to.

Mandy took Harvey inside and headed straight to the VIP room.

"I'm Mandy from Hearthstone Corporation. I'm supposed to meet CEO Stanton here."

After confirming Mandy's identity through a walkie-talkie, the guard then brought her and Harvey into the room.

Because Harvey had been silent the entire time, everyone thought that he was just a bodyguard.

The two walked past an elegant-looking walkway before coming to the frontmost half-opened stand.

The bullring could be seen directly below the stand. The smell of blood could be smelled very clearly as well.

There were staff members chasing two bulls into the ring as soon as Harvey and Mandy got there.

After a red cloth danced in the air, the two quiet bulls immediately started ramming into each other without hesitation.

Sharp horns were scratching all over the bulls. The rancid smell of blood wafted in the air.

Mandy was clearly a bit uncomfortable after seeing the sight. Even though her face had lost a bit of color, she managed to remain calm.

While that was happening, several people sat on the couch at the center, surrounded by a huge group of bodyguards.

They were holding glasses of expensive red wine while watching the show below with great excitement.

Some were even cheering loudly for their bulls.

Within the group sat an extremely eye-catching woman in a red dress.

Her aura was dazzling; it would be an understatement to call the woman dominant.

Harvey could sense that ordinary people wouldn't be able to interest the woman, even from a distance.

Chapter 3472

Compared to the elegance common to wealthy ladies,

Elanor was different.

She radiated unspeakable confidence.

She was so calm and collected that people around her would believe in her ability to solve any problem.

Without question, the woman was Jeff's fifth mistress.

An arrogant-looking man was standing right beside said mistress.

The man would occasionally blow a puff of smoke, his face bearing an extremely bossy look.

He was Elanor's personal bodyguard. His status must've been quite high as well. He wouldn't act so arrogantly if that wasn't the case.

Mandy gave Harvey a look, telling him to not be reckless before she walked toward Elanor with a smile.

"Good morning, CEO Stanton," she said with her right hand stretched out.

"I'm Mandy from Hearthstone Corporation."

"I'm here to talk about the debt with you today."

"I hope you'll have time for that."

The people around shot snide glances at Mandy after hearing her words.

'She's asking Elanor for money?'

'She's basically asking Jeff for money!'

'Doesn't she want to live in Flutwell anymore?'

'Or does she have a deathwish?'

The arrogant-looking man squinted. He sized up Mandy with narrowed eyes before scoffing coldly.

He felt that Mandy was already lucky enough to be standing in front of Elanor and talking to her.

Mandy had no right to be asking Eleanor for money.

"CEO Zimmer, right?" the man asked coldly without hesitation.

"What makes you think that you can ask for money like this?"

"Besides, are you sure that the debt is real?"

“You better think before you say anything stupid!”

“Why would CEO Stanton owe you money?!”

“What a joke!”

Mandy, who didn’t have much hope to get the money back in the first place, frowned after hearing the man’s

tone.

However, she ignored him completely and narrowed her eyes at Elanor.

“CEO Stanton, we have an IOU, a contract, and the necessary documents. Surely you won’t deny those, right?”

“Did you not hear what I just said, you b*tch?!” the man screamed in anger.

After seeing Mandy’s attitude, the man was close to sticking his cigar into Mandy’s face.

Mandy wanted to say something, but Elanor finally raised

her head.

She did look a lot like Norika Fujikawa; an unspeakably tender expression rested on her face.

No wonder the bosses of the entertainment industry were trying to get her, no matter the cost.

This was why someone like Jeff would pamper her so

much.

At that moment, Elanor didn’t show her drop–dead gorgeous smile.

Her distant gaze studied Mandy. Then, she casually flapped her silk fan.

“CEO Zimmer, right?”

“You’re a guest here.”

“Since you’re in the bullring, why don’t we have a bet together?”

“Pick a bull. If you win, we’ll talk about the debt.”

“If you lose, the debt is null!”

“Come on. Pick your poison.”

Elanor showed no emotion as she spoke, her tone cold.

Chapter 3473

The people there had faint smiles on their faces.

Naturally, this wasn’t their first time seeing such a thing happening.

Elanor had been sucking people dry using this trick for a very long time.

No matter which bull Mandy picked, the bull would always die in an accident.

It would either be poisoned to death, or die in a fatal injury.

Since this was Elanor’s turf, she always had the final say in the outcome!

“You’re crossing the line, CEO Stanton.”

Mandy frowned. She wasn’t an innocent woman who just got into the business world anymore...

She knew that if she actually took the gamble with Elanor, she would most likely lose. Or rather, she would lose without a doubt.

Perhaps this entire scene was set up by Elanor...

Eleanor wanted Mandy to lose a hundred and fifty million dollars in an instant.

"Crossing the line?" Elanor snapped coldly. She shrugged, her lips curled into a faint smile.

"Nobody dares to ask me for money in Flutwell, or even the entire southwest region of Country H."

"I'm already paying you a lot of respect by not killing you instantly."

"I already gave you so much leeway, yet you won't even play a little game with me?"

"What? Are you looking down on us?"

Elanor calmly raised her head.

She was still sitting down, but the domineering look was still on her face, as if she was a queen scorning her subject.

"Well..."

Mandy was hesitant; she knew that would definitely find a chance to get angry if she didn't accept the latter's request.

But if she did, the money would just fly out the window.

Even with all the experience she had gained, Mandy couldn't help but feel stuck.

Right as Mandy was forced to a corner, someone stepped out and held onto her tender hand before showing a warm smile.

"Let me handle this."

Harvey walked to the crowd before calmly smiling at Elanor.

“CEO Stanton, right? I’ll play with you.”

“There’s a green and a yellow bull on the field. I’ll pick the green one.

Is that fine with you?”

Elanor glanced at Harvey calmly before chuckling.

“Are you sure you have the right to make the decisions for CEO

Zimmer? You’re just a bodyguard, aren’t you?”

The others scoffed while glancing mockingly at Harvey as if they were watching a clown show.

‘A bodyguard’s trying to show off?’

‘Who does he think he is? A hero saving the damsel in distress?’

‘What is he thinking?’

‘Is he insane?’

‘He doesn’t even have the right!’

Mandy grew anxious after seeing Harvey step out. However, she had no choice but to let it happen at this point.

Even if she didn’t want this to happen, she could only grit her teeth and bear it.

“Harvey’s words are my own.”

“He can do this for me.”

“Right. Let’s do it, then.”

Elanor flashed the two a faint smile.

“I hope you can keep your promise, CEO Zimmer.”

“You’ll have the green one. I’ll have the yellow one. Now…”

Before Elanor was done talking, Harvey took a step forward and grabbed a firearm from one of the bodyguards. Then, he pulled the trigger right at the bullring.

Bang!

After the loud bang, the yellow bull was lying in a puddle of blood. a

Harvey blew on the firearm.

“The green one lives. The yellow one dies.”

“Sorry, CEO Stanton.”

“You lost the bet.”

Chapter 3474

The crowd was shocked.

Everyone was looking at Harvey with disbelief. Nobody expected that Harvey would actually do something like this to deal with Elanor's trick.

In fact, only Elanor would usually do this to the others.

It was the first time that she was getting trampled on like this.

Mandy froze. She found herself getting a little sluggish as well.

She didn't think that Harvey would do something so simple yet so rash.

That said, she couldn't change anything at this point.

Even if she was worried sick, she could only pretend to be calm while standing behind Harvey.

"You..."

"You b*stard! How dare you shoot the bull?!"

"The Fifth Mistress' bull at that!"

"Can you even bear the consequences of doing such a thing?!"

The crowd was in an uproar. Some of them flipped the coffee tables in front of them before bouncing off the couch.

A few bodyguards pulled out their firearms and took off the safeties before pointing them fiercely right at Harvey.

The other guards got word of what happened and carried their firearms before surrounding the place completely.

A few of them even got wolfhounds inside.

Rapid footsteps, harsh barking, and the sound of the firearm safeties rang loudly.

The sounds were enough to scare a person to death.

Mandy couldn't help but take a few steps back upon facing such a terrifying situation.

However, she took a deep breath to regain her calm before standing with Harvey once again.

Everyone was looking at the two with cruel amusement.

After coming back to their senses, they thought that Harvey must've had a death wish!

'Does he want Elanor to find an excuse to kill him or something? How dare he do whatever he wants on her turf!'

A pompous-looking young man pulled out a dagger and licked the blade, a cold smile on his lips.

“Do you know just how much the Fifth Mistress’ bulls cost, you b* stard?!”

“1.5 billion dollars each!”

“Forget getting your money back, you’ll have to pay another billion and three hundred fifty million dollars!”

“If you don’t, I’ll let you know how it feels being stabbed by this thing!”

Harvey, however, ignored the man completely and glanced at Elanor.

“According to the deal, I chose the green one.”

“Since the yellow one’s dead, that means that I win.”

“We can talk about the debt now, right?”

Harvey casually twisted the firearm in his hand before throwing it at the pompous-looking man as if it was trash.

The man frantically twitched his eyes before he froze.

He quickly realized that Harvey was probably an expert.

Flutwell had quite a lot of expert martial artists...

But there were only a few who could turn a firearm into a pretzel.

The sight alone proved that Harvey was quite a powerful character .

Everyone’s throats went dry; they couldn’t utter a single word.

They found it hard to believe that Harvey was actually human!

An ordinary person wouldn’t be able to do such a thing!

“You’re pretty strong, young man. No wonder you can act this way.”

Elanor smiled, but it was soon replaced with a distant look.

“But you forgot something. You’re in Flutwell...”

Chapter 3475

“No matter who you are, here, you’re only allowed to bow!”

“A powerful man who falls is more inferior compared to the common folk!” Elanor said with a haughty grin.

“Only a powerful man would dare challenge someone like you, after all,” Harvey replied calmly.

Everyone was shocked after hearing Harvey’s words.

His tone and actions weren’t just disrespecting Elanor—he was trampling all over her!

Elanor had a profound look as she stared at Harvey. Then, she took a sip of her Cappuccino.

“Since you’re so dominant, let’s not talk about who’s stronger for now.”

“Let’s talk about fairness instead.”

“Since this is a gamble, we’ll at least have to talk about that, right?”

“The match hasn’t even been decided yet, and you already shot the yellow bull dead. You’re deliberately breaking the rules here!”

“You think you can please the crowd by doing something like that?”

“Please the crowd?”

Harvey chuckled. He strode forward with his arms crossed.

“Is pleasing the crowd really that important to someone like you, CEO Stanton?” Harvey asked, glaring fiercely at Elanor.

“I thought power means everything to you.”

“If you’re really going to argue for that...”

“Let’s say we get a chance to negotiate with you if we win, and we’ll lose a hundred and fifty million if we lose.”

“Do you think that’s fair?”

“If you really want fairness, you’ll pay up if we lose, and you’ll double the pay if we win because of interest.”

“In the first place, you had no chance to make me play your games.”

“Why would I please the crowd if that’s the case?”

Harvey showed no emotion. He remained calm even when standing in front of a huge group of fighters.

A dominant aura spread in the air...

Harvey looked down on the woman with an extremely cold expression.

“Heh. Interesting...”

Elanor didn’t get angry after hearing his words. The profound look from before reappeared on her face.

She waved her hand to stop her subordinates from doing anything before pulling out a laptop. She looked at the screen for a short while before throwing the laptop onto the coffee table.

“You must be Harvey York, the man who turned Flutwell’s new district into a cemetery and struck a big blow on Flutwell’s business alliance.”

“You’re also the one with the Longmen’s Law Enforcement Badge, right?” Elanor said after pondering the situation for a moment.

“That’s right.”

Harvey showed a playful smile.

“You know a lot about me. Since you know how powerful I am, why don’t you just hand me the money already?”

“It’ll be good for the both of us.”

“If I get angry, I might just turn the Whitebane Center into a cemetery as well. Things will get horrible.”

“You’ll be suffering quite a bit of loss if that happens.

Harvey calmly reminded Elanor of the consequences with a smile on his face.

“How dare you threaten CEO Stanto?!”

The pompous-looking man pointed rudely at Harvey’s nose.

“Did you forget something?”

“What do you think this place is?”

“This is Flutwell!”

“This is our turf!”

“How dare an outsider like you act all high and mighty here?! Are you screwing with me?”

Chapter 3476

Harvey ignored the man and smiled at Elanor instead.

“Looks like you’re not a good enough teacher, CEO Stanton.”

“Your dog’s barking up a storm while the master’s talking.”

“This doesn’t seem high–class at all. In fact, this feels pretty backwards, don’t you think?”

“What did you say, you b*stard?!”

“Say it again one more time!”

The pompous–looking man glared fiercely at Harvey, an unspeakable aura seeping out of him.

“My hearing isn’t that good! Say it again, why don’t you?”

“If I hear something I don’t like, I’ll strangle you till you die!”

The man rolled up his sleeves, ready to teach Harvey a lesson he’d never forget.

“Go look for a doctor, then,” Harvey replied calmly.

“You have no right to demand that I repeat my words.”

Fwoosh!

The man was instantly agitated; he took a step forward and threw a punch right at Harvey’s face.

The punch was quite terrifying. It was enough to make people think that he was an expert.

Everyone could already imagine what would happen to Harvey if the punch were to hit.

But before Elanor could stop the show–before everyone could see what happened...

The back of Harvey's palm was already on the man's face.

Slap!

With the sound of a loud slap, the man was instantly sent flying. He soon crashed into a coffee table, left with no strength to even stand back up.

"Do you think a servant like you has the right to come at me?"

Harvey wiped his hand with some tissues.

"Who do you think you are? The Fifth Mistress? Or Jeff Bauer himself?"

"Other than being an eyesore, you're only good for dirtying my hands."

Harvey was filled with disdain, as if he just slapped a pile of trash.

"You..."

The man stumbled off the ground while covering his swollen face, his expression horrible.

He wanted to go on Harvey again—he wanted to pull out the firearm on his waist...

But Elanor waved her hand to stop his rage.

Elanor's fierce and distant attitude could be felt even in her calm and collected expression.

"This man doesn't know how to behave. He's just one of my servants."

"However, you should always see who the master is before going after their servants!"

"It's a little inappropriate for you to hit one of my servants on my own turf, am I right?"

Elanor took a sip of red wine.

“Your negotiation seems...”

“Quite insincere.”

“Respect goes both ways,” Harvey replied.

“If you don’t show us your respect, then why should we?”

“Besides, you’re only Jeff’s fifth mistress. You’re nothing.”

“Who do you think you are?”

“To put it bluntly, I’m already paying you some respect by keeping this guy alive.”

“If it were anybody else, I would’ve beat them to death by now.”

“Of course, he only gets one chance.”

“If I see another one of your servants causing me trouble again, I’ll have to teach them some manners myself.”

Harvey glanced calmly at the pompous-looking man.

The man’s eyes twitched frantically. He suddenly remembered that the high and mighty Indians were all disposed of by the man in front of him.

A man like him would mean nothing!

Chapter 3477

“You’re crossing the line, Harvey.”

“Don’t forget one thing...”

“This is Flutwell!”

“This place belongs to the Bauer family! You can’t just cause trouble here as you please!”

Elanor gave a cold look soon after.

Many of her people unsheathed their daggers and took off the safeties of their firearms, their faces fierce.

Just like Elanor said, this was Flutwell.

Harvey was just an outsider.

It didn’t matter what kind of achievements Harvey had...

In these people’s eyes, he was still inferior compared to them.

They believed that with just a single word from Elanor...

They’d be able to turn Harvey into a minced meat without any hesitation.

Even the dogs were constantly barking, as if they were about to rip Harvey and Mandy to shreds.

Mandy’s face had lost a bit of color.

She had experienced things like this a few times, but she was still afraid of it. She was a powerless woman, after all. This was only natural.

Harvey, on the other hand, glanced calmly at his surroundings.

“We’re all adults here, CEO Stanton. Don’t play small tricks like these. I’ll only look down on you even more.”

“If these weapons could kill me...”

“I would’ve died a bunch of times by now.”

“Since I’m standing here without a single scratch on me, that means that those

things are useless against me.”

Elanor scoffed coldly before narrowing her eyes at Harvey.

“I know you’re impressive. I’ve read detailed descriptions about you in my documents!”

“But you should know that there’s always someone better than you!”

“You’re in Flutwell! Longmen and the Golden Palace are filled with martial art experts!”

“No outsider would dare you to show off here!”

“You’re no exception, Harvey.”

“Of course I know that there’s someone better than me...” Harvey calmly replied.

“It’s a shame that the person isn’t you, or Jeff.”

“Your identities won’t be able to hold me.”

“I’m asking you one more time...”

“Are you paying back the money or not?”

Elanor revealed a curious look after seeing Harvey’s expression.

“That’s a big number. I don’t have a say in it,” she said after sizing up Harvey.

“I don’t have the money. You won’t get it even if you rip me to shreds.”

“Go straight for Young Master Bauer if you dare!”

“But he already told me...”

“Cowards like you would never go to him!”

“That was why he asked me to pass you this message...”

“Look for him if you dare.”

“If you can’t, then the money will be treated as a gift!”

“What? You’re unhappy about it?”

“Then go already! Leave!”

“Do you even have the guts to do such a thing?”

Elanor had a disdainful look on her face.

She had seen too many powerful and arrogant outsiders in her life trying to cause her trouble.

Yet, what happened?

They all gave up after hearing Jeff’s name.

Chapter 3478

The people surrounding Harvey glared at him disdainfully.

‘He talks big!’

‘Now what?’

‘All he can do is show off in front of a woman!’

‘Just look for Jeff if you’re so impressive!’

‘What a joke!’

“A gift?”

Harvey narrowed his eyes, but his face was expressionless.

“Am i supposed to bring him flowers at his grave as well?”

“He might get angry if I don’t!”

Bam!

Elanor kicked the coffee table in front of her.

“How dare

you

insult Young Master Bauer, you b*stard!” she exclaimed furiously.

“I’m insulting him?”

Harvey chuckled before turning around.

“Tell him I want my money tomorrow afternoon.”

“If not, I’ll add ten percent interest every day.”

“If he still doesn’t give the money back by then...”

“I’ll make sure to put him in the grave!”

Harvey then walked away while holding Mandy’s hand.

Elanor chuckled coldly.

“How dare you threaten Young Master Bauer! Let me tell you something! If you can walk out of this door alive, I’ll call you Daddy!”

“Get him!”

Eleanor’s bodyguards took a step forward, prepared to pull out their weapons at any

time.

Harvey looked behind him calmly

“You have no right to that, CEO Stanton”

“You’re just Jeff’s fifth mistress! You’re not even worthy!”

“You...”

Elanor was boiling in anger, before she could even finish her sentence, Harvey lightly snapped his fingers.

Swoosh, swoosh, swoosh!

The sound of air being torn apart could be heard suddenly.

The fierce looking bodyguards screamed in pain before they fell to the ground, clutching their hands in pain.

A sniper!

There was already a sniper waiting outside!

Elanor was horrified.

Since Harvey could easily deal with her bodyguards, he could’ve done the same to

Elanor as well

As a terrified look appeared on her elegant face, Harvey walked over and tapped it before turning around.

“Just play your part as a mistress properly. Don’t even think for a second that you’re someone better than that. You’ll become a joke sooner or later.”

Elanor’s face darkened in an instant.

“Harvey, aren’t we disrespecting Jeff at this point?”

After getting back inside the Maybach, Mandy, who managed to keep herself calm for the longest time, broke into a look of horror.

After all, Harvey had already provoked Joseph because of her.

She was filled with guilt after realizing that Harvey went against Jeff before they even met each other.

“Did you think I angered him?”

Harvey smiled. At the same time, he was complimenting Rachel through text.

“What right does he have to be angry?”

“Or rather, what else can he do other than being angry?”

“It’s only natural to give back what’s been owed.”

“One hundred and fifty million dollars isn’t a small amount, either.”

“Besides, I’m already letting him off the hook by not killing his lackeys.”

“Elanor’s a smart woman. She should realize that we’re only showing off our strength

this time.”

“It won’t end that easily the next time.”

“The only question is whether she can convince Jeff to pay the money back or not.”

Naturally, Harvey decided to let Jeff choose whether he wanted to make enemies or

friends.

Harvey already had a lot of enemies in Flutwell.

Anyway, it didn’t matter what Jeff picked.

Chapter 3479

Mandy sighed.

"But judging from Elanor's attitude, she wouldn't give up that easily."

"If she gets reckless and starts convincing Jeff to fight us..."

"We'll be in a lot of trouble, won't we?"

Naturally, Mandy understood Elanor's behavior quite well.

Harvey smiled.

"The Bauer family is split three ways. Every single young master was chosen by the master himself."

"Naturally, they're not ordinary people."

"Or rather, they're definitely smart people."

"Of course, our tactics might be useful, but it might not make Jeff give in that easily."

Mandy froze.

"So, do you mean...?"

"We have to act fast, of course."

Harvey smiled.

"But there's no rush."

"We gave him three days."

"If he still doesn't know how to choose..."

"I'll just teach him again."

Harvey put the thought to the back of his head and focused on the Longmen Summit for the time being.

Early in the following morning, Harvey showed up at the Flutwell Gymnasium for the provincial qualifiers.

The event looked a lot more extravagant compared to the previous two qualifiers.

Aside from the higher-ups of Longmen, the examiners weren't just ordinary people.

It's said that Longmen's branch leaders were in charge of this event.

This was so that the Longmen Summit would remain fair and just.

The examiner of Flutwell's qualifier was said to be the branch leader of Longmen's Flutwell branch.

When Harvey came to the place, he saw hundreds of spectators around him as well

as other examinees.

Other than some Longmen disciples, there were quite a lot of people who were eliminated from the qualifiers before.

Kori was sitting in one of the spectators' seats while gritting her teeth.

Everyone wanted to see who would get first place...

But Kori wanted to see the face of Harvey getting killed in the ring.

After all, the event this time was most likely another brawl.

"Have you heard? The examiner this time is probably Bowen Lee, the branch leader of Longmen's Flutwell branch!"

"It's said that he's a King of Arms! He's really strong!"

"People also say that he has a really bad temper! He has a strong opinion as to how he'd judge the examinees as well!"

“Someone else was supposed to replace him this time, but he threw a tantrum and managed to make himself in charge for some reason.”

“Maybe one of his disciples is here! Is he planning to cheat?”

Harvey sat in the back, quietly listening to the people’s gossip.

The examinees had horrible looks on their faces when Bowen’s name was mentioned.

Naturally, the man’s reputation in Flutwell was not the best.

After a few minutes, several people showed up on the platform.

Other than Fisher, nobody was familiar with the others. Naturally, these unfamiliar

people must’ve been transferred here from other branches.

Chapter 3480

A man in a suit walked out soon after. He had a stubble, similar to someone from the

Island Nations.

He was a lot taller than the people there. A fierce and dominant aura could be felt on

him.

Harvey glanced curiously at the man. Then, he realized that the man looked quite

similar to Larisa.

He could tell that the man was none other than Bowen Lee, the branch leader of Longmen's Flutwell branch.

A few officers read out a bunch of nonsense before introducing the jury and examiners.

After that, Bowen walked on stage and looked calmly in front of him.

"Aside from the strength to walk the underworld..."

"Everyone knows that the most important thing is to learn the Art of Killing from different schools and curses."

"The goal is to not teach you how to kill, but to have the strength to protect yourself when met with odd situations!"

"That's why this test will be a lot different than before!"

"By my judgment, I have someone here who was cursed by something unknown!"

"It's why she's in a tough spot right now."

"Whoever sets her free from her current state..."

"Will have my acknowledgment ! They will become the champion of the provincial qualifiers!"

"Aside from my friendship and a hundred and fifty thousand dollars worth of money, they'll also have the right to participate in the Longmen Summit's final test!"

Bowen waved his hand, and two Longmen disciples carefully pushed a wheelchair

forward.

A woman was strapped in the wheelchair.

She was wearing a hospital gown, trembling, her eyes filled with fear. However, she remained emotionless, as if she was a vegetable.

If it weren't for the occasional shrieking coming from her, everyone would've thought that she was just a corpse.

Even though the woman was a few feet away from the examinees, they all frowned.

Harvey, on the other hand, was shocked.

"Larisa?"

Larisa didn't wear any makeup—she looked extremely miserable, but Harvey was still able to recognize her.

That said, Larisa was no longer the bossy-looking woman from before—she looked as if she was on the verge of death.

Pinholes had completely covered her entire arm. Clearly, she had already received a lot of treatment in a very short amount of time.

But judging from her current condition, it was all for naught.

Right when Harvey was squinting, Bowen then said, "I brought this patient here from the hospital."

"She was injured because of an accidental discharge of a firearm, but it was just a flesh wound."

"Her real injury isn't that, though. She was affected by an unknown curse."

"I can't tell you where it even came from..."

"

“But I can tell you this: you’ll find all sorts of curses like these out in the real world!”

“Since you’re all handpicked elites of Flutwell’s younger generation, you must all be naturally outstanding. It shouldn’t be hard for you to deal with this, right?”

“Every single one of you has a chance to perform. You have five minutes each.”

“Use everything you can to treat this woman! I’ll judge you based on that.”

“If none of you can do anything about this curse, then I wouldn’t mind keeping the list empty.”

“It’s way better than sending someone to embarrass themselves at the final test, anyway.”
