Chapter 3641

At seven o'clock in the evening, Harvey York was sitting inside Elanor Stanton's car and entered the Bauer family's manor without a hitch.

Harvey glanced around him as he got out of the car.

The manor was located on the outskirts of Flutwell. The buildings were fascinating, and the scenery was breathtaking. The Holy Lake was also quite close to the place.

Legends said Jeff Bauer would always take baths in the Holy Lake as part of his training.

"Young Master Bauer and Mrs. Lopez are waiting for you, Sir York."

A few guards respectfully ushered Harvey into the buildings when Elanor disclosed who he

was.

"Sir York, Young Master held the banquet ahead of time to show you an apology and also to give you an explanation," whispered Elanor while walking beside Harvey.

"He said that Joseph Bauer was the one who tricked him into taking the properties of Flutwell's business alliance.

"I do hope that you'll pay him some respect. Please lighten up when you talk to him later.

"After all, he already told me to transfer every single property under

Harvey calmly smiled.

"If I didn't respect him, I wouldn't be here right this moment.

your name."

“Of course, I’ll have to hear Young Master Bauer’s explanation to see if all this was just a big misunderstanding.

Elanor showed a beautiful smile.

“I understand. This way, Sir York. We’ll be heading to the Eclipse Building.”

Harvey nodded before he followed suit.

When the two came to the top of the building, nobody was there.

Elanor pushed the door open with a confused look on her face, but she was unable to put much force onto it.

Harvey went up to help her push the door open.

Creak!

A slender and beautiful woman fell right toward Harvey when the door was almost open.

The smell of blood seeped out.....

Harvey instinctively held the woman before he saw a knife stuck inside her chest.

The woman was gorgeous. Her makeup was exquisite, but an expression of disbelief could also be seen on her face. The woman was already dead at this point.

Judging from the warm blood that stained Harvey’s clothes, the woman died less than three minutes ago.

And from the look on her face, the woman was none other than Audrey Lopez.

“Aaah!”

Elanor screamed in fear. Panic was showing all over her face. She was clearly shocked by the sight.

One of Jeff’s mistresses died in the Bauer family’s manor!

No matter how anyone looked at it, this was a huge deal!

“Tch! I must admit, Sir York, you really are a brave man!”

The lights of the Eclipse Building instantly lit up.

A round table with two seats could be seen right before Harvey.

Jeff was cutting his steak at the moment.

The seat that was reserved for Harvey seemed a little messed up. At the same time, there was no knife on his side of the table. It was most likely stuck right in Audrey’s heart.

Jeff raised his head while he lightly chewed on his marbled streak. He squinted at Harvey with a surprised look on his face.

“I sincerely invited you here to a meal.

“Even the ingredients were shipped here all the way from the Island Nations.

“Why would you kill my mistress right in front of my face?!

“Even if she offended you because of Flutwell’s business alliance’s properties...

“You can’t just kill her like that!

“This is illegal!”

Chapter 3642

Jeff Bauer’s calm words were jaw-dropping.

Elanor Stanton, who was standing right beside Harvey York, had her face devoid of all color.

At that moment, she understood that Jeff had no intention of negotiating with Harvey...

Rather, he was prepared to frame Harvey and take him out.

Clearly, he was getting desperate.

At the same time, dozens of experts from the Bauer family showed up from both sides of the hall.

Those people showed cold glares with their face masks and axes on their backs.

Naturally, they would not hesitate to turn Harvey into minced meat if Jeff wanted them to.

The senior of the Longmen Warband, Arya Johnson, was wearing a white robe while sitting in a corner.

She glared at Harvey emotionlessly, as if she was looking at a dead man.

A fight could break out at any time.

Blood would spill all over the place at any minute.

"I've experienced many things, Young Master Bauer. I knew you were planning to do something like this tonight..."

"That said, you're a lot dumber than I thought.

"You want to frame me by killing your mistress, who had a conflict with me?

"Who even thought of this idea in the first place?

"At this point, you should just kill her quickly. You might just get screwed without knowing what happened if she miraculously survives this."

Harvey calmly sat in front of the table before he wiped the blood off his hands with a napkin.

The people around him were showing cold glares.

Under such circumstances, someone as calm as Harvey would either be fearless or prepared.

Jeff showed a profound look on his face.

He thought he would be able to scare Harvey with such an arrangement, but he was calm and collected as usual.

“I must admit, Sir York, you are pretty capable.

Jeff cracked a faint smile.

“I should really give you a toast for being this calm right now!

“How about this? Eat and drink whatever you like here! I’ll order more for you if you don’t have enough!

“After all, you won’t get another chance to have these.”

“So, you’re dead set on killing me?

Harvey casually picked up his utensils and ate a piece of bamboo shoot.

“You better think before you act, Young Master Bauer.

“It does look like you have a just cause for framing me...

“But, are you that sure I won’t get out of this situation?

“Did

you already forget what happened at the Charity Garden already?”

Jeff let out a cold chuckle.

“Of course not.

“That’s why I prepared three hundred experts just for you!

“These are all elites of the Bauer family! Not only are they competent, but they’re also loyal to the family!

"I believe that they can at least tire you out with all their might, even if they don't manage to kill you!

"After all, you're just a man, not a machine."

"You overestimate me!

Harvey heaved a sigh before calmly looking at a few high-ground spots on the Eclipse Building.

People with crossbows and sniper rifles were deployed all over the place. It was truly a terrifying sight.

"But I don't understand something. You should know just how hard I am to deal with. Then, why are you still persistently coming at me?" #

Chapter 3643

"We did pretty well together when we collaborated a few times."

"As long as you give me back my properties and apologize, I'll at least consider forgiving you, right?"

Harvey York showed a bitter expression on his face.

"Why would you bother making a mess out of the whole thing?

"I gave a thought about your suggestion."

Jeff Bauer looked as if he wanted to have a heart-to-heart talk with Harvey.

"It's a shame that you forgot something..."

"I'm also in a tough spot too!"

"Even though I'm the top young master of the Bauer family, even though I'm supported by half of Longmen's higher-ups..."

"You forget that Grandma Bauer despises me!"

"All she ever wanted is for Harold Bauer to rise to power!"

"Under these circumstances, I can't just let someone else have the properties of Flutwell's business alliance now, can I?"

"I'll be ruining my future by doing this! Grandma Bauer will have an excuse to take me out!"

"People like me are destined to rise! If I lose that chance, I might as well just die!"

"After thinking about the situation, I decided to use your life instead."

"Don't worry. When you're dead, I'll make sure to find you a good burial spot! You'll be happy when you get to the afterlife!"

Jeff showed a tender expression on his face, as if he was talking to his dear friend...

But the murderous intent in his tone was seeping throughout the place.

Harvey heaved a sigh.

"You're too kind. Tell me, will you visit my grave next year too?"

"Of course. I'll even offer you my prayers so you can be on your way without any worry."

Harvey nodded with a smile on his face.

"I understand."

"Let me ask you something else. What are you planning to do with CEO Stanton here?"

Jeff curiously looked at Elanor Stanton, whose face had utterly lost all color, with a smile.

“Since she likes you that much, then I’ll just bury her with you.

“I’ll make sure she rests right under your coffin.

“She’ll take care of you for me in the afterlife.

“We’re good friends, after all.”

Jeff gulped down his exquisite wine.

Then, he threw the wine glass to the ground, shattering it to pieces.

This was his signal!

“Go!”

A few experts close to Harvey pulled out their axes and charged right toward him.

Harvey merely smiled.

“That’s pretty rude...

“I’m still eating here.”

Harvey casually threw his utensils forward in an instant.

Swoosh swoosh swoosh!

The experts were all completely shocked when they saw the sight. All of them were sent flying before their hands were nailed to the ground with more utensils. Blood splattered all over the place at this moment.

“Good move!

Jeff clapped his hands.

“Are you people underestimating Sir York or something?!

“Go together!

“Kill him already!”

Panels around the place were all kicked down instantly.

Dozens of people came forward. Close to a hundred experts were simultaneously charging right toward Harvey.

Chapter 3644

Slap!

Harvey York calmly swung the back of his palm across the expert's face in front of him.

The expert felt a sharp pain before he blacked out as he was sent flying.

The expert crashed into the crowd, simultaneously knocking out a few others.

Then, Harvey casually slammed his hand on the table. A few plates immediately shattered into pieces before flying everywhere.

“Aaagh!”

Screams of pain could be heard, but it was not enough to stop the experts.

Whenever someone would fall, others would replace them. Those people were fearless. They were like moths to the flame, swarming Harvey relentlessly.

Harvey still remained as calm as a cat. Sometimes, he would throw more utensils. Other times, he would just slap the experts in the face.

The mistresses who were hiding in the dark to watch the show could not believe what they

were seeing.

It was their first time seeing someone this calm while going against this many experts.

Elanor Stanton, backed up to the door with a horrified look, could not help but cover her mouth, worried that her heart would suddenly jump out.

“I’ll handle this, Young Master Bauer.”

When almost a hundred experts were taken down easily, Arya Johnson slowly unsheathed her sword before stepping forward.

“Careful. Sir York is a tough one,” said Jeff Bauer calmly.

Even though he said that, he was clearly confident with Arya’s strength.

After all, she was the senior of the Longmen Warband.

Who else could take down Harvey if not her?

Swoosh!

Arya wasted no time pouncing toward Harvey at lightning speed with their hands on her sword.

The glint of her blade was dazzling.

Arya had no intention of holding back.

In her eyes, anyone who disrespected Jeff should be cut into pieces.

‘This b*stard should’ve died yesterday. It’s already a blessing for him to live another day.’

Harvey flicked his fingers with a curious look on his face.

Clang!

Harvey’s finger came in contact with the tip of Arya’s blade.

A horrible shriek echoed throughout the place. All the experts surrounding Harvey were covering their ears in pain.

Arya's body shuddered before she took a few steps back.

She had no intention of giving up though. She instantly suppressed the rage boiling in her body before she fought with all her might while gritting her teeth.

Clang clang clang!

Arya was pretty strong. Her agility and decisive strikes were not to be underestimated...

But in Harvey's eyes, she was still moving too slow.

Whenever she thought she landed the killing blow, Harvey would either easily avoid the attacks or simply flick them away.

Crisp noises and afterimages blended together, dazzling the people around them. At that moment, everyone thought they were actually watching a Hollywood movie.

Chapter 3645

"Die! Die! Die!"

Arya Johnson was screaming relentlessly as her movements were getting faster.

The sword in her hand was slashing from different angles. She really wanted to rip Harvey York to pieces.

Harvey showed a calm look when he evaded Arya's attacks with ease.

The experts from the Bauer family were utterly shocked.

After all, everyone knew just how powerful Arya was...

But even she was not able to lay a scratch on Harvey.

Jeff Bauer, who seemed confident the entire time, showed a horrible expression when he saw the sight.

He already thought highly of Harvey. He had used almost all of his resources just for this

event.

There would be a lot of trouble if Harvey managed to leave this place alive!

While Jeff was frowning, Arya's body turned into an afterimage when the gleam of her blade completely surrounded Harvey.

Slap!

Right when everyone thought that Arya was about to win, a resounding slap could be heard.

The dazzling gleam was gone. Even the afterimages also disappeared.

Arya let out a grunt when her body was sent flying like a kite with a broken string.

Blood spurted right out of her mouth as she slammed onto the ground.

'She's already done for?!'

'The all-powerful senior of the Longmen Warband defeated just like that?!'

The experts were shocked.

The beautiful mistresses were filled with disbelief.

Even Elanor could not believe the display before her.

It was her first time seeing such a powerful man in Flutwell.

“Looks like your subordinates are no good, Young Master Bauer!

Harvey dusted his hands before wiping them with some tissue.

“You won’t be able to do anything to me if this is all you can do.”

“What did you say?!”

Jeff was looking wretched when he saw Harvey slap Arya away with ease.

Typically speaking, ordinary young people would not have such skills.

Even in a place like Flutwell, the younger generation of the Golden Palace would not be able to get someone as impressive as Harvey.

People this strong would need decades of training!

‘Even if this b*stard trained from his mother’s womb, he shouldn’t be this strong!’

Jealousy and rage were shown in Jeff’s eyes.

He believed that he would have been sitting on the throne by then if he had acquired Harvey’s skills.

He decided he could not allow someone from the younger generation to be more impressive than him, no matter what.

Clap clap clap!

Sounds of footsteps could be heard from all over the place as Jeff lightly clapped his hands.

Another hundred people swarmed the Eclipse Building before they were fiercely closing in on Harvey.

These people were all dead set on killing Harvey. Even though the sight in front of them was extremely terrifying, they would not hesitate to charge

forward if Jeff gave the order. After all, in those people's eyes, constantly going against Jeff's orders was already considered a cardinal sin.

Harvey frowned after seeing the people's looks. He did not expect that Jeff would bring so many reckless people just to deal with him.

Elanor tensed up when she saw the sight. She knew that she would end up horribly if Harvey were to die at that moment.

Chapter 3646

"What? Are you going to give up? Or are you planning to see how far you can go?"

Jeff's face was gloomy.

"You should know, I have enough people to deal with you! They'll tire you out if they hav to!"

"Not bad. You have a lot of strong people with you."

Harvey smiled calmly.

"But since I knew you were planning to do this to me in the first place, why would you assume I'd come here alone?"

Jeff froze. Then, he glared furiously at Elanor.

“You useless wench!”

Bam!

Almost at the same time, the door of Eclipse Building was kicked open. A hundred people

in robes and face masks swarmed in immediately.

They were all holding swords, looking very calm.

Rachel was standing in the middle of them.

They quickly scattered around Harvey, ready to confront the experts of the Bauer family.

“Longmen’s Law Enforcement?”

“Rachel?”

Jeff chuckled coldly.

“Are you all insane?!”

“Did you forget who I am?”

“How dare you cause trouble with your men here! Who do you think you are?”

“I didn’t want to come in the first place...”

Rachel flashed Jeff a faint smile.

“But since you’re using Longmen’s men to do your bidding...”

“I’d let down the head of Law Enforcement if I didn’t appear!”

“The head of Law Enforcement?”

Jeff laughed.

“I don’t know who that person is, but you did remind me of something!”

“There’s something that I forgot about.”

“I’m sure it’ll have some use right now!”

Jeff took out a badge from his pocket, and slammed it on the table.

The words “Longmen’s Law Enforcement” were etched on the shiny golden badge.

“You see that? Do you?!”

Jeff burst out laughing maniacally.

“This is the Law Enforcement Badge! The holder of the badge has the same authority as the head of Law Enforcement!”

“I order you people to kill Harvey right now!”

Jeff was filled with absolute confidence.

Clearly, he already knew Harvey was planning to get Rachel to support him.

That was why he kept this trump card until the most crucial moment. 2

According to Longmen’s Law Enforcement’s principles, they would have no choice but to obey the badge itself, no matter right or wrong.

Yet, not only Rachel did not do anything, but she had a mocking expression when she saw the badge.

Her subordinates behind her were showing the same look as well.

“What’s this? Are you all trying to revolt?”

“Did you forget your own rules?”

“Kill Harvey! Do you understand me?!”

“I’ll report this to the elders if you don’t! I’ll make sure that you all get punished for this!” Harvey smiled.

“Enough nonsense, Young Master Bauer.”

“No amount of screaming will make these people budge.”

“It doesn’t matter if your badge is real or not!”

“Compared to an inanimate object like that, it’d be better if they listened to their head, right?”

“What do you mean by that?”

Jeff chuckled coldly once more. 1

“Well, where’s the head? I don’t even see him!”

Chapter 3647

Harvey stood up. Rachel instinctively took a step backwards; she wouldn't dare stand next to Harvey.

Jeff froze at the sight.

Elanor was confused as well.

An impossible thought came to their minds right then and there.

Harvey calmly smiled.

“I am the head of Law Enforcement.”

The disciples of Law Enforcement all saluted with stern expressions and swords in hand.

“At

your service, Head York!”

“All hail Head York!”

The sound echoed throughout the entire place.

Jeff froze instantly; his mistresses became completely slack with shock as well.

“Head York?!”

Elanor was completely shocked; she figured out from Jeff that Harvey was probably supported by the head of Longmen’s Law Enforcement...

But she never once thought that Harvey was the head himself!

“Head York?”

“People have been saying that the newly-appointed head of Law Enforcement is a God of War—a top talent with terrifying strength that the master of Longmen trusts. There’s no way he’s the man, right?”

“How is it possible? He doesn’t look the part at all!”

“But if that’s not the case, why is the vice head being so respectful to him?”

After seeing the disciples’ respectful looks, the experts of the Bauer family fell in utter disbelief.

The Bauer family was extremely close with Longmen; many experts of the Bauer family came from Longmen.

If they continued going against the very head of Law Enforcement itself, they would be committing a heavy crime!

The mistresses with exquisite makeup were now shooting death glares at Harvey.

Arya, who was struggling to get off the ground, froze, her legs shivering uncontrollably. She

wanted to say something, but she wouldn’t even dare say a word.

Longmen’s Inner and Outer Halls were governed by none other than Longmen’s Law Enforcement.

She was a senior of the Longmen Warband; it would be her own fault if she was actually crippled by the head of Law Enforcement.

Simply put, her future was done for.

“Ha! You’re the head of Law Enforcement?”

“You think I’d believe your lies?”

Jeff came back to his senses and held back his shock.

“Come, all of you! Take this man down! He’s just trying to scare us!”

The experts glanced at each other after hearing Jeff’s words; even when they were fully determined, they wouldn’t dare step up.

“My name is Harvey York. I was a branch leader from Longmen’s Mordu branch, and now I’m the head of Law Enforcement.”

“In Longmen, I execute all the traitors conspiring with outside forces. I take care of the people who take advantage of the people at large. I have permission to act without any sort of approval!”

“The master of Longmen disdained the previous head for abusing his power. That’s why

I’m here now.”

“It doesn’t matter if you believe me or not; now, I am the head of Law Enforcement.”

“I was only planning to talk to you as an ordinary person, Jeff...”

“But what I got in exchange was your endless schemes.”

“Since you like taking advantage of people, I’ll play along.”

“However, I’ll be capturing you tonight! You’ll be sent to Longmen’s Law Enforcement until you get your punishment!”

“Will you comply?!”

Everyone gasped upon hearing Harvey’s words.

Nobody expected Harvey to actually be this dominant.

Not only did he want to take Jeff down, but he also wanted Jeff to surrender on his own.

The Bauer family wouldn't have Jeff as the next successor if that were to happen!

Jeff was forced into a corner!

Chapter 3648

Before long, frantic footsteps could be heard from outside.

It was clear there were a lot more people outside, more than Jeff's experts.

Blood would fill up the entire building if the situation wasn't handled properly!

After hearing Harvey's words, Jeff's trusted subordinate stepped forward. The man

screamed, "Even if you're the head of Law Enforcement, what gives you the right to bark at Young Master Bauer?!"

"Longmen and the Bauer family are two different things! You think you can just get

involved with the family's affairs so easily?!"

People were completely moved by the subordinates' words. They started screaming in unison.

They were all claiming that the head of Law Enforcement had no right to take down Jeff.

At the same time, a few other subordinates saw people with crossbows and sniper rifles peeking their heads out on the high ground, waiting for the moment to pull the trigger.

“True, Longmen does not have the right to govern the Bauer family...”

Harvey’s words made the entire crowd freeze.

“That said, Young Master Bauer is supported by half of Longmen’s branch leaders along with the Inner and Outer Halls.”

“He’s using Longmen’s resources. In other words, Longmen is his support!”

“He should be considered one of Longmen’s higher-ups at this point, right?”

“But at such a crucial moment, all of you are telling me that Longmen cannot hold him?”

“Are you joking?”

The screams immediately halted; they didn’t know how to refute those words.

Harvey was right: Jeff was already considered a higher-up of Longmen, since he had used so many resources from the organization.

“I haven’t officially joined Longmen yet though, Harvey!”

Jeff stood up with an expression as cold as ice.

“You think the people will agree with you if you capture me using Longmen’s rules?”

“Can your disciples even go along with your order?”

“You make a good point.”

Harvey nodded with a reasonable look.

“Since you want to talk reason with me, Jeff, I’ll happily oblige!”

“Go on! Spread the word!”

“From now on, those in Longmen who listen to Jeff’s orders...”

“Will be executed without hesitation! Even the elders will not be spared!”

“As you wish!” the disciples of Law Enforcement exclaimed.

Harvey was blatantly cutting off Jeff’s support!

Without Longmen, Jeff would be nothing!

He would be able to take Jeff out at any moment!

“You’re shameless, Harvey!”

Jeff wanted nothing more than to rip Harvey to shreds.

“Enough, Young Master Bauer. Stop with this nonsense.”

Harvey crossed his arms, his face frosty.

“I’m giving you two choices. Number one: admit you’re a part of Longmen and accept your punishment.”

“Number two: deny that fact, and I’ll leave with my men. I can let you off the hook for what happened today, but from now on, you’ll have to completely break off from Longmen!”

“Whoever in Longmen has connections with you after this will be taken out immediately!”

“Well? How are you going to choose?”

Jeff scoffed coldly.

“I choose neither.”

“If I kill you right now, I can do whatever I want!”

Chapter 3649

Swoosh!

Harvey took the initiative and stepped forward.

His movement didn't seem fast to the naked eye, but it was quicker than anyone's imagination.

In a blink of an eye, he was already standing in front of Jeff.

Jeff's trusted subordinates couldn't even react to the situation.

Slap!

Jeff, who was screaming to fight back, was instantly sent flying by a hard slap across his face; blood splattered everywhere as he slammed right into a pillar behind him.

Before he could get back off the ground, a cold hand was already grabbing him by the

neck.

Slap!

Harvey swung the back of his palm across Jeff's face, waking up Jeff right as he was about to pass out.

"You're pretty boring, Young Master Bauer."

"Why do you always have to be such a glutton for punishment? I get so exhausted just by talking to you."

"I'm asking you this one last time..."

“How will you choose?”

The crowd was dead silent.

‘How?!’

‘How is this possible?!’

Jeff was a martial arts expert!

Even though he was no God of War, he wouldn’t have problems going against ten people

at once!

Yet, he didn’t even have the strength to fight Harvey...

Safe to say, Jeff was as miserable as he was arrogant before.

His mistresses all fell to the ground out of shock; they wanted to get help, but they couldn’t

even utter a single word.

They had completely collapsed by then.

Jeff was an all-powerful figure, so nobody thought that he would end up this way.

He glared at Harvey, dust and dirt covering his entire face. He let out a painful cough.

“I didn’t think... that this would happen...”

“I trained my entire life for this! Harold couldn’t lift a single finger against me, even with Grandma Bauer’s trust!”

“I gathered so many forces to fight for me so I can rise to power! I became the master of one of the top ten families!”

“I could’ve led the family to the top if I had a chance!”

“But it’s a shame—I planned for everything, but I still managed to fail..”

“I admit defeat this time!”

“Good.”

Harvey smiled.

“It’s important to know your own limits.”

“At least you’ll be able to keep your life that way.”

Harvey let go of Jeff, then wiped his fingers with some tissues.

Jeff sat on the ground with a gloomy look, deflated.

He had lost completely.

“Come. Send Young Master Bauer back to Longmen’s Law Enforcement. Have a nice long chat with him.”

“I’d like to see exactly how many people from Longmen are working for him...”

“I’m sorry, but you won’t take anyone with you today!”

Suddenly, a distant and dignified voice echoed throughout the place!

The door was kicked open soon after.

Hundreds of mercenaries swarmed, and pointed their loaded firearms at Harvey and his people.

These people had fierce looks, their eyes without a hint of emotion; it was clear they had all fought on a bloody battlefield before.

The crowd was dead silent; nobody could even react to the situation.

No one imagined there would be new trouble just as soon as everything settled down.

Soon after, a man with a white shirt, gold rim glasses, and perfectly kept hair emerged from the crowd.

A devilish smile was dancing on his lips; an unspeakable gloom could be sensed on his bright and clean face.

The man was none other than the seventh young master of the Bauer family—Harold Bauer!

Chapter 3650

Out of the three young masters of the family, Jeff was a conceited man and Joseph had remained distant.

Even so, the two were prominent figures who enjoyed being the center of attention.

Harold was different; he had been loved by Grandma Bauer since he was a child. He had always been discreet and rarely showed himself to the public.

The world knew that there were three young masters, but not a lot of people knew what Harold looked like or what he was capable of.

After so many years, Harold quietly took control of everything Grandma Bauer handed to

him.

He was an extremely patient man as well; other than sending a few people to test Joseph after his failure...

He didn't attack Flutwell's business alliance, nor did he try to take the properties all to

himself.

He was a ghost without a shadow,

But when he showed up at this moment, everyone could tell just how powerful he was—his immense authority within the Bauer family was on clear display.

His presence and attention alone had already surpassed both Jeff and Joseph.

Jeff revealed an odd smile when he saw Harold.

“You’re finally here. It’s a shame you’re a little late!”

“Nonsense.”

Harold smiled back.

“You have strong support, with half of Longmen’s higher-ups supporting you.”

“I can’t just show up before making sure that you’re done for, can I?”

“Of course, I did come a bit late; a shame that I couldn’t see the look of you getting slapped aside!”

Harold couldn’t be bothered to look at Jeff, who was no different than a cripple.

“You must be Sir York, yes?” Harold said, looking curiously at Harvey.

“You painstakingly dealt with Joseph for me, and now Jeff.”

“We haven’t met before, but you did do quite a lot for my cause.”

“I’ll make sure to send you an invitation to witness my rise.”

“And?” Harvey said.

“I’d like you and your people to step aside. Leave this place to me.”

“You crippled my brother, but I can’t allow him to fall in your hands for the time being.”

“After all, he has a lot of secrets about the family.”

“If you give him to me, I promise I’ll hand you all of Flutwell’s business alliance’s properties he took from you. How does that sound?”

Harvey narrowed his eyes at Harold, and chuckled lightly.

“Interesting.”

“So you’re saying that while I did all of this…”

“You’re still going to reap the spoils before throwing me some sloppy seconds.”

Harold smiled.

“That’s just not true, Sir York.”

“I think this is a friendly cooperation between us.”

“Besides, I can help you clean up your mess to stop the family from going against you!”

“You’ll get your properties back intact! You’ll only be losing Jeff at this point.”

“What’s so bad about that?”
