## **Chapter 3701**

“That said, if this is really the potion we’re talking about, the only way Amber Levine and the others turned this way is because they ingested something.

“But the disciples of Longmen’s Law Enforcement are in charge of everything we eat and drink here. There’s no way they’d suddenly turn against us either.

“Did they eat or drink anything that the outsiders brought in?”

“The outsiders brought in...?”

Layne Naiswell’s expression changed.

“Tea...”

“What?”

Harvey York instinctively looked over.

Layne’s expression instantly worsened.

“About the people who came to apologize. The mean woman poured three cups of tea for the young talents while kneeling on the ground.

“She said that drinking the tea would mean that they forgave her. If they didn’t drink the tea, she’d keep kneeling on the ground forever...”

“But the tea leaves and the water are ours. How...?”

Harvey’s face darkened before he let out a huge sigh.

“It’ll be extremely easy for them to poison those three.

“For example, they could’ve soaked their hands in the Life Elixir for hours and just dipped their fingers in the tea without anyone even noticing.”

Layne started wavering around the place.

“This was my fault, Sir York. I wanted you to have a good relationship with the Golden Palace. After all, I’m a part of them...”

“That was why I gave them a chance to come in...”

“This was all my fault...”

Layne had no idea how to explain the situation.

But if she could not figure out what happened, Harvey would think she was a spy working with the Golden Palace.

“I trust you.

Harvey looked deeply into Layne’s eyes.

“Everyone knows that Amber and the others are involved in the country’s fight.

“Nobody sane would poison them and ruin the country’s reputation.

“Don’t worry about this. They’re not in a terrible state just yet. I have something that I can do.

“That said, I’d need about ten days to a few weeks to wake them up.”

Harvey heaved a sigh. He had seen many people in a similar state during the Euro–American war

That said, still, a lot of time was needed.

“Ah! That’s good!”

Layne felt relieved...

But her expression changed again.

“But if it takes that long, what will happen to the fight tomorrow?

“We don’t have a chance if the three young talents are out of commission!”

Harvey patted Layne’s shoulder with a faint smile.

“That’s fine. I can fight in their stead anyway.

"I promise you. I'll definitely crush those people.

"That said, I'm going to need your help tonight."

Layne showed a joyous look before she froze.

"What is it?"

"Take me to the Golden Palace!"

Harvey's calm expression was filled with murderous intent.

"I need them to give me a fair statement about the situation.

"If they don't give me a good one, I'll consider them traitors of the country..."

"Then, anybody will have the right to punish them!"

Everyone was surprised!

'Harvey's going to the Golden Palace?!'

This is extremely bad!

Chapter 3702

At ten o'clock at night. The Golden Courtyard.

This place belonged to Flutwell's sacred martial arts training grounds, the Golden Palace, and was also an important stronghold for their prominent figures.

Rain was pouring outside, but the courtyard was still flooded with bright lights and people walking all over the place.

Decorations were placed all over the main hall. It was indeed a dazzling sight.

After all, this was the engagement banquet of the Golden Palace's top outer disciple, Koen Bierstadt himself.

His partner was none other than the daughter of an elder from the Golden Palace.

Safe to say that this was quite a strong alliance.

Koen invited many friends in the martial arts world to join the banquet.

A banquet like this was where people from the upper social circle socialized and made friends.

Even though many people here were martial artists, they were all fashionable.

The women wore dresses from luxurious brands while showing off their limited-edition bags and accessories.

They were glancing at the men simultaneously, hoping to catch their attention.

The men were wearing elegant watches ranging from Patek Philippe to Rolex.

Nobody knew just how shrewd the men were when they were happily chatting with each other.

Everyone started gossiping up a storm about what had happened in Flutwell lately, along with the beauties around them.

Safe to say that the entire courtyard was filled with laughter and harmony.

In a VIP room on the hall's second floor, a group of people with high statuses were gathered together.

They were in another league compared to the people outside, thinking they were different from the rest.

"Come! Come! Let's have a toast for Young Master Bierstadt!"

“After this, he’ll be the Benett family’s dear son-in-law!”

“Hahahaha! That’s right! Young Master Bierstadt and Mrs. Bennett are a power couple! They’ll have all the authority toward the outer disciples in the future!”

! “May you prosper in Flutwell, no no no, in the entire southwest region of Country H!”

Not only did the Golden Palace’s outer circle have disciples with capable fighting skills, but many of them were also in charge of the Golden Palace’s businesses.

To be able to take control of the outer circle would mean taking hold of immense power.

The young masters and beautiful ladies inside the VIP room were all toasting to the main attraction of the occasion, Koen and his fiancée, Emily Benett.

Those people had quite an immense status in Flutwell.

They were no match against Clyde Osborne, Harold Bauer, and the other top-rated princes and young masters, but they were also powerful.

And yet, they were still showing indulging smiles when they looked at Koen and Emily.

The couple in the middle were both handsome and elegant.

Koen was wearing a Saint-Laurent couture suit. Even the shirt on him was custom-made with real silk. He looked dapper at this moment.

He showed a calm look on his face and an occasional smile as he glanced at Emily.

He was not good enough for Emily in the first place, but he was able to use the Indians’ connections to arrange the marriage after selling out Amber Levine and the others.

Koen believed that it was the right decision after seeing his beautiful fiancée.

The war had nothing to do with him anyway.

Nothing else mattered as long as he could enjoy all the glory and riches.

Chapter 3703

Emily Benett had a slender body with her hair tied into a bun. Her neck was also completely covered in jewelry.

A diamond as big as a pigeon egg was hanging on her finger, dazzling every single woman around her.

Without looking closely, people would actually think of the two as a golden couple.

Koen Bierstadt burst out laughing when the people in front of him were pampering him and Emily while giving toasts.

"Please, everyone! I'll drink with you! Don't make it hard for Emily!"

"I'll drink for her as well!"

Koen happily drank Emily's glass of 90-point wine.

Emily showed a sweet smile after seeing the sight.

"You're too kind, Koen. I regret not being able to meet you sooner."

"Hahaha! Stop showing off your love in front of all of us!"

"Come! Come! Let's drink! We wish you a happy marriage!"

The young masters and wealthy ladies had a toast before they downed their wine with a smile on their faces.

“There’s something I heard previously, Young Master Bierstadt.”

“Harvey York, the man who went against you using his identity as the country’s fighter, didn’t even take any action in the past couple of days!”

“At this point, everyone only knows about the three young talents!”

“After tomorrow’s fight, we’ll teach a lesson to that b\*stard! We’ll let him know what happens when he goes against the Golden Palace!”

“That’s right! He thinks he can disrespect us just because he has the Longmen’s support! Doesn’t he know that the Golden Palace is also a sacred martial arts training ground?!”

The men started to speak up for Koen after drinking their wine.

The women were also standing up for him.

“What do you know?! Young Master Bierstadt let that b\*stard off the hook for the country’s sake!”

“If that weren’t the case, with his abilities, he would’ve slapped that b\*stard to death by now!”

“Sigh! What a shame that a handsome young man like Young Master Bierstadt is in a relationship! If that weren’t the case, I would’ve done everything to be with him!”

Koen showed a slightly horrified look before forcing out a smile.

“Thank you for your concern, everyone,” said Emily after showing a faint smile.

“I have looked into the situation before this. Harvey’s just a despicable man who’s only into fame and riches.

“What goes around, comes around!”

“He’ll pay sooner or later!”

“Maybe he’ll even have a taste of his own medicine tomorrow!”

“What?! Tomorrow?! Why’s that?!” asked a wealthy lady.

Emily and Koen stood frozen simultaneously. Emily must have slipped up.

“She means that Harvey will stop being the country’s fighter, whether he wins or loses,” replied Koen quickly.

“As long as he doesn’t have that title to keep him safe, the people he took advantage of will definitely take revenge against him!”

The wealthy ladies showed faces of realization after hearing Koen’s words.

Then, Koen and Emily glanced at each other with stern looks.

Since they were this confident that Harvey would get in trouble, Emily and Koen were obviously involved with Amber Levine and the others’ situation.

Chapter 3704

After being afraid of people catching on to something, Koen Bierstadt quickly stood showed a warm smile.

“The conflict between Harvey York and me isn’t that serious anyway.

“I don’t want to talk about that incident anymore.

“Besides, people like us wouldn’t care about such trivial things like taking revenge.

“No matter the case, Harvey has done much for the country by participating in the fights.

“For my sake, please don’t look for him for more trouble.

“As for how he’ll end up, that’s for him to decide.”

The young masters and wealthy ladies nodded in unison after hearing Koen’s words.

“You’re so generous, Young Master Bierstadt!”

“We’re the narrow-minded ones for even saying something like this!”

“Harvey did all those heinous things and went against so many people. He deserves to be

punished anyway! There’s no need for you to do anything!”

“Alright. Enough about this. Let’s eat and drink to our heart’s content!

Emily Benett stood up to change the subject before she pushed the window open to look at the crowd.

“Eat and drink as much as you like! It’s on the house today!”

The crowd in the main hall was cheering loudly after hearing those words.

“Come! Come! Young Master Bierstadt, Mrs. Benett, here are Audemars Piguet’s couple watches! I wish for your love to last for an eternity!”

“Young Master Bierstadt, I prepared a condo in Flutwell for you as a small token of appreciation! Thank you for everything you’ve done for us so far!”

“Mrs. Benett, here’s a pair of glass slippers I custom-ordered from Cartier! This is the only pair in the entire world! Please take it!”

After all the excitement, the people in the VIP room brought out expensive gifts they had prepared beforehand.

After the engagement banquet, Koen would be destined to rise in the Golden Palace.

When else to pamper him if not at this moment?

The crowd was happily cheering when everyone brought their gifts.

Bam!

Suddenly, the bronze door of the main hall was kicked open.

Then, a group of people walked inside.

A calm voice echoed in the rain.

“Koen Bierstadt, this engagement banquet might just turn into a funeral if you don’t give me, Harvey York, a fair statement right now!”

‘A statement?’

‘Funeral?’

The crowd went instantly dead silent after hearing those words.

Everyone peered at the entrance.

They were all completely shocked. They could not believe what they were seeing.

Koen was the top disciple of the Golden Palace’s outer circle.

His brother was also a formidable expert in the Golden Palace.

Emily Benett’s father was an elder of the outer circle too!

Safe to say that Koen and Emily’s marriage represented the Golden Palace’s combined forces. They would have absolute authority over the outer circle! They would have the final say over anything!

Koen would definitely be considered a prominent character of Flutwell’s upper social circle!

His status would only be second to top-rated princes and young masters like Clyde Osborne and Harold Bauer...

And yet someone dared to disrespect him in his own engagement banquet...

Demanding a statement and threatening to turn the place into a funeral.

This was just reckless! This was outrageous!

Everyone believed the person who said that must have had a death wish.

Chapter 3705

But after the initial shock, everyone showed disdainful looks.

The name started to ring a bell. They quickly came to their senses soon after.

'Isn't he one of the top talents fighting against the Indians?'

It was a shame that everyone in Flutwell believed that other than Amber Levine and the young talents, the others were utterly useless.

They thought Harvey York only got lucky because the Indians did not come to Flutwell before to challenge him.

If not, he would have been done for by then.

'How dare he even cause trouble here?'

"Who does he think he is?'

'A God of War?'

Koen Bierstadt and Emily Benett's faces darkened instantly.

They did not expect that Harvey would show up at such a crucial time.

Not only was he challenging the couple, but he was also challenging the entirety of the Golden

Palace!

Harvey crossed his arms as he walked inside through the rain.

Soon after, eight disciples of Longmen's Law Enforcement calmly walked in.

They were carrying a black coffin when an unspeakable murderous intent could be felt from them.

After seeing the coffin, the banquet guests gritted their teeth with horrible expressions, thinking that this was extremely bad luck.

Layne Naiswell and Rachel Hardy followed closely behind Harvey.

One was holding an umbrella for him while the other was clearing a way.

Koen and Emily frantically changed their expressions after seeing Layne.

"You belong to the Golden Palace, Layne! How dare you bring an outsider here to cause trouble?! Do you have any wish or something?!"

Layne looked deeply into Emily's eyes without saying a single word.

"This has nothing to do with her, so enough yapping already," replied Harvey calmly.

"You may not know why I'm here, but your fiance knows that very well!"

"I'm asking you once again. How are you planning to give me a fair statement?"

After seeing the fierce-looking disciples of Longmen's Law Enforcement along with Harvey, Layne, and Rachel...

Koen and Emily looked at each other. They realized what was going on.

Not only were Amber and the others dealt with, but they were also most likely crippled for the rest of their lives!

If that were not the case, Harvey would not have shown up with so many reinforcements.

That said, Koen and Emily had no intention of giving in.

"I let you off the hook for the sake of Longmen last time!" exclaimed Koen coldly.

"And now you come here to die?!"

"Do you think I'm an easy target or something?!"

"Do you think the Golden Palace is easy to go against?!"

"Come! Stop them! Don't let them in!"

Dozens of elites from the Golden Palace appeared without a sound.

They pulled out their golden longswords from their waists, prepared to keep Harvey and the others at bay.

'How dare they cause this much trouble in Young Master Bierstadt and Mrs. Bennett's engagement banquet?!'

'They deserve to die!'

Swoosh!

The elites charged forward when Layne exclaimed, "I'll handle this!"

Even before Harvey could react, Layne had already swung her palm forward after appearing before the elites.

Chapter 3706

Swoosh, swoosh, swoosh!

In just a single moment, a string of golden knives flew out in fierce succession.

A quick and ruthless attack!

Many disciples of Golden Palace fell, screaming in pain as they tumbled down, rolling on the ground while covering their wrists.

Harvey was impressed. It seemed like Layne had recovered quite a bit.

If that wasn't the case, she wouldn't be able to make such a spectacle.

"What?!"

The remaining disciples of Golden Palace were shocked.

They all knew who Layne was, but they never imagined that she was actually this terrifying!

Layne pulled out a long, thin golden sword.

She took a step forward and then jumped right past the disciples at lightning speed; the disciples all stumbled back and immediately held their wrists.

In just a single move, all of them succumbed to defeat!

The disciples all came from the same sacred martial arts training ground, but Layne was simply way out of their league!

She threw her sword away right after.

A disciple, who was about to pull out a firearm, got nailed to the ground in an instant.

Everything happened in only thirty seconds.

Layne then approached Harvey once again.

"How is this possible?"

The crowd was in an uproar; they finally remembered that Layne was the Martial Hall's top instructor.

It was only natural for her to be capable of fighting.

They then glad at the disciples wailing in pain on the ground.

They didn't expect Koen's elites to fall in a blink of an eye.

Safe to say, Layne was simply too horrifying to go against.

Everyone gasped when they looked Layne in the eyes.

They wondered why such an expert of Golden Palace would protect someone like Harvey.

Why protect an outsider just to show off in a place like this?

Suddenly, they understood where Harvey's courage came from.

It seemed Layne was the source after all.

Koen and Emily's eyes twitched frantically. Their faces were grim.

Before, Koen suffered because Harvey had Longmen's support.

At present, he was suffering the same fate because of the strength of Harvey's subordinates.

"That damn traitor!"

"I'll report her to Longmen's Law Enforcement soon! I'll make sure she gets ripped to shreds!" Emily exclaimed in a fit of rage.

Not only was she jealous of Layne's skills, but she was also envious of Layne's beauty.

She was certain she would only be satisfied if Layne's face was torn to pieces.

While Koen and Emily were glaring furiously at the sight in front of them, Harvey calmly walked closer to the hall.

The pitch-black coffin was making everyone's eyes twitch.

"You took down dozens of Golden Palace's disciples!"

"Do you really think you're invincible, Layne?!"

“How dare you bring all these people here!”

“Do you have a death wish?!”

Koen came to his senses, and a horrible look settled on his face.

“Get them, Smoke!”

“What? Smoke? That’s the servant of Bierstadt’s eldest young master, right?”

“It’s said his master was the one who arranged the servant by his side.”

“Not only is he an experienced fighter, but he’s terribly strong as well!”

“Why isn’t he with Eldest Young Master Bierstadt? Why is he here now?”

“Right! He must’ve told Smoke to protect Young Master Bierstadt!”

The young that everyone was speaking about was none other than the disciple of Golden Palace, Adrian Bierstadt!

Chapter 3707

Many people knew Adrian to be one of the most outstanding disciples in the Golden Palace’s outer circle, and that he had a chance to become the young lord of the sacred martial arts training ground.

Adrian must’ve assigned Smoke to Koen in order to get the support he needed and gain total control of Golden Palace’s outer circle.

Simply put, the engagement banquet represented Adrian’s absolute will.

Not only did this mean that Adrian was determined to take over the entire outer circle, but he was also dead set on permanently dealing with Harvey and the others.

If they only ruined Koen's engagement, they would probably still have the chance to live. However, they were destined to die horrible deaths if they tampered with Adrian's plans!

Bam!

An elderly man in a yellow robe took a step forward from the corner where he stood, and then pounced

He looked like an eagle diving down onto his prey, flying right toward Layne before swiping its claws.

A killer move!

The man was planning to make an example out of Layne.

He wanted everyone to know that Adrian would stop at nothing to take control of Golden Palace's outer circle.

He wanted them to know that anyone who dared to go against Koen would die without question!

Swoosh!

The sound barrier seemed to break down and sharp humming noises could be heard in the air; the man's attack felt like a surging wave with a terrifying aura, charging right toward Layne.

The guests instinctively shook their heads, thinking that Layne would either die or be badly injured.

The women were all covering their eyes, looking away from the sight of Layne's imminent doom.

Even Layne's expression changed.

She was quite the skillful martial artist-she was the Martial Hall's best instructor, but she was still no match against Smoke.

While she was gritting her teeth, Rachel calmly took a step and threw a punch.

Under the crowd's shocked gaze, Rachel's fist made contact with Smoke's fingers.

Loud cracks coming from Smoke's hand could be heard.

In an instant, his entire right hand was completely mangled.

"Aaagh!"

Wails of pain were heard soon after.

Smoke was instantly sent flying; he couldn't even get back up after he slammed to the ground.

'He's done for?!'

'In just one move?!'

Koen and the entire crowd of guests were completely shocked.

Smoke was an expert of the Golden Palace!

He was an immensely strong fighter; he was considered to be near-invincible!

Yet, he was crippled so easily by one of Harvey's subordinates.

"How did this happen?!"

"What's going on?!"

"That woman crippled Smoke with just a single punch!"

"Did Smoke underestimate his opponent?"

The crowd went slack from bewilderment.

They couldn't accept the fact that the well-renowned Smoke was defeated in a single move.

"Who are you?!"

Smoke was no longer silent.

He held his injured arm as he screeched.

“Since when did someone like you exist in the younger generation?!”

Rachel calmly stepped back before continuing to hold the umbrella for Harvey.

“Since you’re already crippled, I’ll let you live; you better know what’s best for you.”

Harvey calmly glanced at Smoke before walking forward.

His calm gaze was enough to terrify Smoke.

Harvey didn’t do anything himself, but it was clear that he was no ordinary man since he had people like La and Rachel supporting him.

Chapter 3708

Even though Smoke was filled with hate and resentment, he dared not cause any more trouble.

He had no choice but to crawl to the side and make way for Harvey.

He knew that if he continued challenging Harvey at this point, Rachel would definitely beat him to death.

“Harvey! How dare you cripple my fiancé’s subordinates?!”

“You’re even here with a coffin! You’re ruining my engagement banquet!”

Emily's face darkened in an instant when she saw Harvey walking in.

"You think we're easy targets?!"

"Go! Kill him!"

No matter the case, Koen was still the Benett family's son-in-law.

Disrespecting him would mean disrespecting the Benett family.

Thus, Emily had no choice but to take action.

Besides, she was terrified of Harvey saying things that couldn't be made public. She wanted Harvey dead as soon as possible.

"Die!"

Eight experts from the Benett family pulled out their golden swords and pounced at Harvey without hesitation.

Bam!

Rachel laughed nonchalantly. She grabbed the sword of the person in front and swung it with great fury.

The blade shattered, and its pieces scattered all around.

The fragments pierced through the experts. They started coughing up blood on the ground.

They were no match against Rachel at all!

"What do you want, Harvey?!"

Koen couldn't help but speak up after seeing what had happened.

Ordinary people wouldn't be able to go against Smoke and the experts from the Benett family.

Since Harvey's subordinates were able to crush them so easily, this was enough proof saying that Harvey was at least on par with Koen and Emily.

“You come here to our territory, humiliating us and beating up our men! Don’t you know that you need to pay a great price for committing such a heinous act?!” Emily screamed, her face dark.

Rachel said nothing and pulled a chair for Harvey to sit on.

Layne poured a cup of tea and brought it to Harvey.

“I came here for three things.”

Harvey ignored everyone’s gaze and blew into his cup of tea. Then, he glanced at the couple.

“Number one: I brought the, coffin here to celebrate you despicable pair getting together.”

“Number two: I’m here to get you back for what happened to Amber and the others.”

“Number three: I’m here to talk about you conspiring with the enemy and selling out your country for your own gains.”

“Well?”

“Did I make myself clear?”

“Did you understand me?”

The guests were quite surprised to hear Harvey’s words.

Judging from what Harvey said, Amber and the others were conspired against.

Harvey also believed that Koen and Emily were behind it!

The main culprit of this would most likely be the Indians as well!

Safe to say, the accusations Harvey made against Koen and Emily were quite drastic.

If the two were actually guilty of the crime, they would be insulted and beaten up relentlessly like street rats!

“Enough of this slander, Harvey!”

Koen’s expression changed instantly.

“I’ve never sent anyone to poison Amber and the others!”

“I won’t stand for this slander!”

“Yeah! Why would my fiance do something like that?!”

“He told everyone to let you off the hook for the sake of the country and its people, too!”

“He’s such a generous man! Don’t you think it’s shameful to slander him like that?!”

“Besides, it’s your problem that Amber and the others were forced to be in deep sleep! That has nothing to do with us!”

“Don’t think you can say whatever you want just because you have some fighters with you!”

Clap, clap, clap!

Harvey clapped, his face filled with admiration.

“No wonder everyone’s calling you two the world’s best cheating couple!”

“Looks like it’s all true, after all!”

“It’s my first time seeing someone lie through their teeth like that.”

Koen’s face darkened instantly.

“You’ll pay for saying things like that, Harvey!”

“Have you thought of the consequences for saying that without proof?!”

Harvey smiled.

“Proof? Didn’t you two idiots already give that to me?”

“When did I say that Amber and the others were poisoned? When did I say they’re in deep sleep?”

“I only told you I’m here to get back at you for what you’ve done.”

“Yet, somehow, you know they’re in a deep sleep.”

“You must’ve known what was going to happen when you took action, right?”

Koen and Emily’s expressions changed immediately after hearing Harvey’s words.

They didn’t expect Harvey to set up a trap for them in such a way.

The guests all froze; they were quite shocked by what was taking place.

‘Did Koen and Emily really lay their hands on the young talents?’

‘This is treason!’

“You call this word game proof?!”

Koen quickly regained his calm and laughed coldly.

“I’m not scared to tell you that I had my men inside Martial Hall so I can take my revenge on you!”

“That’s why I knew that the young talents were poisoned!”

“I admit that my actions are despicable, but there’s no chance you can use this against me!”

“I’m starting to suspect you’re actually the one conspiring with the enemy!”

“To enjoy all the glory and riches, you’re in truth already on the same boat with the Indians!”

“You poisoned Amber and the others, and now you’re here shifting blame to me?!”

“It’s my first time seeing someone this shameless!”

“Let me tell you something! The Martial Arts Alliance will be here anytime soon!”

“Rather than putting the blame on me, why don’t you think of a way to explain the situation to them instead?!”

Naturally, it didn’t matter if the people believed the accusations or not.

As long as Koen didn’t admit to the faults, there wouldn’t be any loose ends.

“Right! This doesn’t mean anything!”

Emily stood up for her fiance.

“Stop slandering Koen! You think you can just ruin his reputation with some word games?! Do you think everyone’s as naive as you?!”

“You better surrender while you can, kid. Admit to your crimes, including you conspiring with the enemy!”

“If not, you’ll die a horrible death once someone finds out!”

Harvey flashed the couple, who were busy running their mouths, a faint smile.

“It doesn’t matter if you admit to it or not.”

“That said, I do have proof right now.”

## Chapter 3710

"Maiden Garcia had a chat with me today."

"She said that she wants me to join her. In exchange, she'll give me ten billion dollars, three hundred acres of land, and the title of Brahmin!"

"She told me you're already on their side too."

"The royal family of India even gave you the title of Kshatriya!"

"And for that, you got your cousin to fake an apology to Amber and the others in the Martial Hall."

"You made her mix the Life Elixir into the tea before she fed it to the young talents," Harvey said calmly.

"At the same time, the royal family agreed to give you the title of Brahmin if you keep devoting yourself to India while lurking in Country H."

"That said, they never expected Zoe to sell you out, no?"

"Not only did she give me a lot of proof, but all the conversations you had with the Indians were recorded as well."

"Tell me. Aren't you scared of dragging your entire family down for conspiring with the enemy?"

"Huh?!"

After looking at Harvey's calm look on his face, everyone gasped.

Nobody expected Harvey to actually have solid proof.

“Impossible! Impossible!”

Emily was panicking when she looked at Koen.

“You said only we know about that!”

“Why does he know about it too?!”

Emily’s face had lost all color, and she anxiously covered her mouth.

She shouldn’t have said all those things.

The crowd was dead silent!

“You dumb b\*tch!”

Koen wanted to kick Emily so badly.

It was his first time seeing such an idiot.

‘She exposed herself just because of some allegations?’

‘Is she insane?’

‘Does she have a death wish?’

‘She exposed us both!’

Koen was sweating profusely; he wanted to refute, but he couldn’t find an excuse.

At the same time, he was filled with fear when he looked at Harvey.

Aside from having strong subordinates, nobody thought that Harvey would be this good at getting people to his side.

Koen regretted not poisoning Harvey before.

At this point, there was no point in denying his involvement in the situation.

Layne was already recording the entire conversation, after all.

“Not bad. You really are a match made in Heaven.”

“A shameless b\*stard and a clueless idiot.”

Harvey chuckled.

“Here’s all the proof you need.”

“Are you planning on explaining everything to me? Or do you want me to help you with that?”

Emily’s face was ugly.

“How dare you trick me!”

Not only was she completely humiliated by Harvey’s trick, but she also knew that she would pay a great price for it sooner or later.

She wanted to shoot Harvey so badly...

However, she knew that Rachel would take action if she did.

“Compared to you selling out your country for the enemy, this is nothing at all,” Harvey said while glancing at Emily.

“Sir York. I assume you’re not just here for Amber and the others, right?”

Koen took a deep breath, forcing himself to calm down.
